BIE PROGRAM IS DISCUSSED AT BREAKFAST

Representatives of local industries met with officers of the Chamber of Commerce at breakfast this morning in the Hotel Gettysburg to discuss the annual BIE Day plans to acquaint Gettysburg area teachers with industries within the county. BIE Day has been scheduled for October 6.

Frank Sapp, cochairman of the BIE committee of the Chamber of Commerce, presided at the meeting, at which Julian Estep, president, said that the purpose of BIE Day is to promote closer liaison between the schools and industry in the county. The program this year will host 197 teachers from Gettysburg and Franklin Twp. schools, who will spend the day observing the actual operations of local industries.

VISIT INDUSTRIES

Banks, utilities companies, Gettysburg College, publishers, merchants and the canning industry were among those represented at the breakfast meeting. The Travel Council will take active part this year by promoting the tourist business as an industry.

The program involves the visitations of groups of local teachers to a specific industry for the day, touring the facilities and discussing with officials of the organizations the mechanics of the business. Reports from companies who have participated in previous year in a reciprocal program with the local schools were enthusiastically in favor of continuing the yearly program.

Each industry in the area will be asked to host from five to 25 teachers for the day, which will be climaxed by a banquet at 7 o'clock in the Hotel Gettysburg. The teachers will be guests of the industries for lunch and will be exposed to every phase of the individual operations. H. Edgar Reigel, superintendent of Gettysburg Area Schools, will assign teachers to the industries for the study.

LOOK TO FUTURE

Estep explained that "this is an opportunity to show our local teachers how local businesses function" in an effort to encourage local students to prepare for their futures. This is the fourth year the program has been in effect, the first two of which were concerned with industry visits to the schools to study the local educational program.

He added that industries which participated in previous years report that they still are receiving the benefits from those visits. "This is the best type of advertising and publicity any of us can obtain, for the teachers will recommend plant tours and further study of business procedures to specialized student groups each year."

TO DEDICATE GIFT LECTERN

A lectern chancel will be dedicated at the 8 o'clock service Sunday morning at the Zion Lutheran Church in Fairfield and in the Sunday School session that will follow the new parish education curriculum of the church's board of parish education will be put into use for the first time.

The lectern, which was placed in the church seven years ago as a memorial to Mr. and Mrs. Benjamin F. Carson, will be dedicated "to the glory of God" by the pastor, the Rev. Otto Kroeger, at the first service on Sunday.

At 9 o'clock Sunday morning the Sunday School will go on a new time schedule with the initiation of the new curriculum materials which have been field tested for several years in churches in many areas and of all sizes. The new material goes into use nationwide in the Lutheran Church Sunday.

Its important features will include the use of hardback books, increased time for the Sunday School session and increased costs. There will be two 20-week semesters running into next June and then a 12-week summer term. The material includes graded lessons for three age groups of adults. The hardback books are bought by the congregation and will be used from year to year while the workbooks are kept by the pupils.

The Sunday School hour will start at 9 o'clock and run until 10:15 with the next church service at 10:30 o'clock.

FACE CHARGES

Hanover police have charged the following with motor code violations: Ray W. Guise, 66, Gettysburg R. 2, illegal turning; John J. Wormley, 18, 424 S. Washington St., reckless driving; Lewis L. Smith, 68, East Berlin R. 2, failure to obey traffic signal.

CWV To Elect At October Meeting

Raymond Weishaar was renominated, unopposed, for a second term as commander of the Father Krichten Post of the Catholic War Veterans at the post meeting in its home in Bonneauville Wednesday night. Election of officers is scheduled at the October meeting.

Plans were made for the annual banquet and installation ceremony of the post November 14.

Plans were also made for a memorial Mass for the late President Kennedy followed by a Communion breakfast at the post home on November 22.

A donation of $50 was made to the Bonneauville Fire Co. truck fund. Robert Toomey, Gettysburg, was accepted as a member of the post.

Two Florida Cities Are Pounded By 10-Foot Tides And 100-Mile Plus Winds

By REID G. MILLER

ST. AUGUSTINE, Fla. (AP) —Hurricane Dora smashed at St. Augustine and Jacksonville today with a giant hammer of wind and tide, then veered inland to threaten Florida's Gulf Coast and southern Georgia.

The massive storm, tormenting 100,000 square miles of land and sea with tides up to 10 feet and peak winds of 100 miles an hour, sent gales whistling toward Florida's Panhandle and all the way up the Atlantic Coast to South Carolina.

GEORGIANS FLEE

Brunswick, Ga., about 100 miles north of St. Augustine, suffered its worst pounding in 20 years from a five-foot tide and gusts that shattered windows and ripped roofs at 85 m.p.h.

Thousands of Georgians fled from coastal areas, but dawn brought hope that the worst was over.

Early unofficial estimates put damage so far in the tens of millions of dollars in the wide-ranging storm area.

Water flowed hip deep in the ancient Slave Market Square in the heart of this picturesque city of 15,000, the nation's oldest.

Giant old oaks that have weathered tempests through the centuries were uprooted. Most streets were inundated. Powr was out.

UNROOF HOMES

In Jacksonville — a city of 250,000 with a modern, gleaming skyline — homes were unroofed, streets flooded, power lines, poles and trees tossed to the ground in a tangle.

Where tides did not reach to damage buildings, torrential rains lashed by the shrieking, moaning winds did. Hundreds of homes had wind-driven rain on their floors.

Shortly after daybreak, Dora was centered about 30 miles southwest of downtown Jacksonville, moving erratically toward

3 Youths To Face Juvenile Court

Three McSherrystown juveniles have been released in custody of their parents pending appearance in Adams County juvenile court accused of burglarizing Klunk's Hardware Store and Fee's Cut-Rate Store in McSherrystown early Monday night.

Charles Todd of the Gettysburg state police said the three sometime after dark Monday broke a window to unlock a door at the rear of Klunk's and stole about $500 in merchandise, consisting of rifles, pistols, knives, ammunition, hunting and fishing equipment.

Todd said they left Klunk's and immediately went to Fee's where they gained entrance the same way. He said $100 in cash and about $100 in merchandise, including three pairs of binoculars and a tape recorder, were stolen there.

New Surgeon On Hospital Staff

Members of the staff of the Warner Hospital at a meeting Wednesday were notified that the hospital will be examined September 28 by the Joint Commission on Accreditation of Hospitals.

Dr. Edward Baranski, new member of the surgical staff at the hospital, was elected to full staff membership and Dr. Joseph Rhoade, who is practicing with Dr. George Morningstar in Emmitsburg, applied for staff membership.

The staff was notified that the physical therapy department at the hospital will reopen next Tuesday.

Dr. John Dunkelberger presented a talk on "Some Ear Procedures Which May Be Used by the General Practitioner."

11 ELECTED BY SOCIETY FOR CRIPPLED

Eleven directors were elected at the annual meeting of the Adams County Society For Crippled Children and Adults, and a letter of thanks was read from the president of the Crippled Children's Society of Alaska for a $50 gift sent by the county organization during the summer.

The county president, Mrs. Robert MacAskill, read a letter from the Alaska society which had been faced with a financial crisis after the earthquake last spring. The national society sent $5,000, and state and local sicieties in many parts of the nation sent gifts which will enable the Alaskan group to resume its services.

The annual election of officers will be held at the society's November meeting. Members of the board who were re-elected include Mrs. John Breighner, Attorney Edward B. Bulleit, John D. Cessna, Mrs. Jesse Dagenhart, Miss Grace Kenney, Amos D. Meyers, Miss Ellen Miller and Mrs. Norman Richardson.

NEW BOARD MEMBERS

New members of the board are Mrs. Helen Ressler, Gettysburg, and Richard Emerson, Littlestown. G. Edwin Motter, Gardners, was elected to fill a board vacancy due to a resignation earlier in the year.

Reports presented by the treasurer, Mrs. George Inskip, showed $1,317 spent during the summer months, $1,000 of it for summer camping sessions for seven county youngsters. Other expenditures included $100 to the Warner Hospital, $23 for transportation, $87 for special shoes and $13 for drugs. Other reports showed that in the year ending August 31, the society spent $399 for braces and shoes, paid $900 rental to the Warner Hospital, bought two wheelchairs for $261 and two

Two Farmers Are Killed Under Wheels Of A Truck Over Livestock Trouble

BOUNDUEL, Wis. (AP)—The deaths of two National Farmers Organization members under the wheels of a heavy truck and the cries of other demonstrators that the driver be lynched brought a call for a truce in the Wisconsin part of a campaign to withhold livestock from the market.

But two shooting incidents involving livestock truckers were reported during the night. There were no injuries.

BLOCK ROAD

The two NFO members were killed when a cattle truck lurched forward as hundreds of angry demonstrators attempted to block the entry to yards of the Equity Cooperative Livestock Sales Association in this northeastern Wisconsin community.

Killed were Howard Falk, 64, of rural Bonduel, and Melvin L. Cummings, 43, of rural Antico.

The truck was driven by Ivan Mueller, 40, of Cecil, an independent trucker who hauls livestock for farmers under contract. Authorities said they took a pistol away from him before pulling him through the angry crowd.

HOMICIDE CHARGE

Mueller was charged with homicide by reckless conduct, a charge carrying a maximum penalty of a fine up to $2,500 and up to five years in jail. He was held in the Shawano County jail under extra police precautions.

Roger Robson, Equity manager, said that after the accident the crowd surged after the truck shouting, "Lynch him! Kill him! Let's string him up."

Gov. John Reynolds said Wednesday night that Oren Lee Staley, national NFO president, had ordered cancellation of all previously planned Wisconsin

FIREMEN WILL CONSIDER USED LADDER TRUCKS

The Gettysburg Fire Department at its meeting Wednesday evening in the engine house decided to investigate several ladder trucks now being effered for sale by other fire companies.

Fire Chief Robert Hartman reported the availability of the second-hand ladder trucks. Fire Company President Robert Neary named Harold Hockensmith, Ray Breighner, Martin Crabill, Frank Linn, Raymond Menges, Robert Heyser and Fern Ohler and the three fire chiefs, Hartman, Robert Heflin and Charles Kerrigan to inspect the trucks.

OLD ENGINE RUSTING

A report that the old Selby horse-drawn fire engine on loan to the Horse 'N' Buggy Museum has started to rust, led President Neary to announce he will name a committee of members familiar with such matters to investigate and at the same time he asked members to visit the museum and look at the vehicle "and maybe you can give us some suggestions."

Fire Chief Hartman asked volunteers to help put water on the college football field tonight. Those wishing to assist are to report at the fire house at 6 o'clock or at the college field later.

Chief Hartman reported that three new "air pack" masks have been delivered to replace canister type masks used previously. The company now has eight of the air pack masks.

The report of Daniel Miller, chairman of the ambulance board, showed collections of $291.37 from donations and trips outside the county during the last month.

Named to the duty roster for the October meeting were G. Henry Roth, Eugene Sanders, Joseph Sanders, Billy Shealer, Robert Shealer and Richard Shetter.

SCOUTS PLAN '65 CAMPOREE IN GETTYSBURG

Gettysburg units will be the hosts for the Father and Son Camporee next fall, the commissioners of the Black Walnut Boy Scout District decided Wednesday evening at their meeting in the West St. Branch of the Gettysburg National Bank. The camporee has previously been held at Aspers and at Littlestown. Plans call for it to be moved each year to a new location through the district.

The possibility of a Scoutarama in February during Scout Week, replacing the annual window display contest, was discussed, with the matter to be put to the leaders of the various Scout units September 29 at a round table to be held in the West St. Branch Bank. While further details will be outlined September 29, the commissioners discussed two possibilities for the Scoutarama, either a display on merit badge activities, or a "show and do" type display. For the program each unit would be provided with a booth area and in the booth

CRAIG SWINN HEADS CENTER

Craig Swinn was elected president of the Youth Center at a meeting Wednesday evening in the center on N. Washington. He succeeds Miss Judy Maddox.

Other officers named were John Heyser, vice president, and Carole Stevens, secretary.

The retiring officers, Miss Maddox, Vice President Lois Brown and Secretary Helen Oyler, will be honored Saturday night at a record hop to be held at the center from 8 to 10:45. Bob Colehouse, Hanover, will be disc jockey for the dance.

A Junior High School group was organized Wednesday night, Mrs. Rex Maddox, advisor for the center, reported today, and dances especially for the Junior High group will begin in the near future.

A rummage sale will be held by the Center Saturday from 8 in the morning to 3 in the afternoon in the basement of the Adams County National Bank, Lincoln Square.

BOARD TO MEET

A meeting of the board of directors of the Adams County Mental Health Association will be held next Thursday noon at the Lamp Post Tea Room when plans for the year will be made.

NEW OXFORD FIGURES

The New Oxford schools have reported a first day enrollment of 1,363, which is nearly 70 above last year's figures. Schools opened there on Tuesday.

PRESIDENT TO ATTEND DINNER IN HARRISBURG

By FRANK CORMIER

WASHINGTON (AP) — President Johnson makes the first avowedly political trip of his campaign tonight, flying to Pennsylvania for a one-night stand.

The President, who will leave the White House by helicopter at sundown, will fly direct to Harrisburg, the Pennsylvania capital, to address Democrats at a $100-a-plate dinner.

Then, after a few good night handshakes, he will return to Washington.

6,000 TO ATTEND

Party leaders in Harrisburg predicted 6,000 diners would attend the event in the Farm Show Arena building. Tickets have been on sale for days but the White House did not acknowledge until Wednesday that the President would attend.

Johnson made his first trip of the campaign Monday, addressing the annual AFL-CIO Labor Day rally in Detroit.

Although this affair had been, for 16 years, the traditional launching pad for Democratic campaigns, Johnson declined to regard it as the kickoff for his vote drive.

In fact, he wouludn't even agree that it was a political trip, though the Democrats paid his air fare.

Against this backdrop, one reporter asked Wednesday when and if he expected to begin his campaign. The President hesitated for a moment, then smiled and replied, "Well, when I do I'll tell you."

Johnson went on to say that his Harrisburg foray would be political. But he gave it no kickoff label.

RALLY DAY AT 3 CHURCHES

The Bendersville Methodist parish has completed its plans for Rally Day to be held Sunday in all the churches of the parish, according to an announcement by the pastor, the Rev. Max B. Cook.

The Orrtanna church will have a combined service and the Sunday School and worship will be held at 10:45 a.m. The speakers will be Dr. and Mrs. Harland F. Stuart. Dr. Stuart served as president of Central Philippine College from 1919 to 1939.

The Bendersville church will have David C. Houck, Arendtsville, as the speaker in the Adult Department and the film entitled "Three of Our Children" will be shown in the Children's Department. Sunday School will start at 9 a.m. and worship service at 10 with the pastor speaking.

The Wenksville Church will have all departments combined and Donald Wenk, Aspers R. 1, will teach the lesson to the entire Sunday School. The pastor will speak at the worship service at 9 a.m. and Sunday School will convene at 10 a.m.

An attendance goal of 400 has been set by the parish Sunday Schools.

KINDERGARTEN OPENS SEASON

Mrs. Collins' Kindergarten, E. Broadway, began regular sessions on Tuesday with a full enrollment for the 1964-65 school year. The kindergarten is licensed by the Department of Public Instruction under the division of Private Academic Schools.

The program and regulations were explained at a meeting on Tuesday evening for mothers of children enrolled. A mothers' study group was organized with the following committee to plan for meetings: Mrs. Harold Hand and Mrs. Barry Frazee, cochairmen, Mrs. John Beegle, Mrs. Richard Epley, Mrs. Carey Moore, Mrs. Thomas A. Brown and Mrs. James Van Cleve Lott.

Children enrolled included Dale Adams, Cynthia Beegle, John Behe, Barbara Bream, Susan Ecker, Kenneth Elker, Ann Epley, William Foy, Bridget Frazee, Lisa Hand, Kathy Harner, Victoria Hess, Leslie Lentz, Deborah Lott, Paula Louser, Koren McCarthy, Michael McMaster, Timothy Meyer, David Moore, Jean Louise Sneeringer, Suzanne Tussing, Philip Voss, Nancy Wilson, Jennifer Young.

Elizabeth Beach, Christopher Biser, Tab Brown, Melissa Bupp, Steven Daniels, Robert Foote, Christine Gray, Brent Guise, Richard Guise, Douglas Hoppe, Anthony Howe, Karen Kerak, Kevin Ketterman, Tami Mackley, Gregory Marks, Jonathan May, Lita McGough, Lynn Mountain, Kristine Schmidt, Pamela Settle, Daniel Shealer, Amy Stoddard, Carol Wisotzkey and Robert Zeigler.

PLAN NEW CLUB

Retired residents of the Taneytown area are invited to attend a meeting Monday evening, September 21, at 8 o'clock in Trinity Lutheran Church to hear plans of the Carroll County YMCA and the Taneytown Jaycettes for the formation of a Senior Citizens' Club. Transportation will be provided by Mrs. John M. Skiles and Mrs. Harry Dougherty. Speakers will be Mrs. Gold Townsend and Mrs. Helen Morningstar, Westminster Senior Citizens' Club, and Richard Kelly, director of the Carroll County YMCA.

Weddings

The marriage of Miss Vicki Diane Rife, daughter of Mr. and Mrs. Hillen Vernon Rife, New Oxford, to Stephen Girard Naylor Jr., son of the late Ruth Harding Naylor, Hanover, and Dr. Stephen Girard Naylor, Duncannon, was solemnized Sunday afternoon at

MRS. NAYLOR

3 o'clock in the First Evangelical Lutheran Church, New Oxford. The double-ring ceremony was performed by Dr. George E. Sheffer with Dr. Paul L. Foulk assisting.

The church was decorated with white gladioli and red carnations with ferns and palms at the altar. The organist, Mrs. Felix Sanders, accompanied the soloist, Bonnivee Ensminger, Abbottstown.

Given in marriage by her father, the bride wore a floor-length gown of ivory silk peau de soie. The fitted bodice was styled with a deep scoop neckline, with a wide fitted band at the midriff ending in a fringed front bow and long tapered chapel sleeves. The flat front skirt featured a polonaise drape ending in a chapel train. The bodice and skirt of the gown were accented with appliques of Swiss embroidery and velvet flowers. Her ivory bouffant veil of silk illusion fell from an open peau de soie pill box trimmed with pearls. The necklace she wore was a gift from the bridegroom. She carried a Bible covered with a cascade of white roses, with a detachable corsage of red sweetheart roses in the center.

IN WEDDING PARTY

The honor attendant was Miss Mary M. Rinehart, Abbottstown. She wore a floor-length gown of gold chiffon with bateau neckline, long sheer removable sleeves and a controlled skirt with a bow at the back of the shoulder accenting a flower Watteau panel. She wore a matching chiffon bow on her head with bouffant veil and carried a cascade bouquet of gold carnations and yellow roses.

The bridesmaids were Miss Sara Kitzmiller, New Oxford; Miss Betty Swope, Abbottstown, and Miss Barbara Deardorff, New Oxford, cousin of the bride. They wore matching gowns of green, rose and blue and carried cascades of sprayed carnations to match their gowns.

Garry H. Hoffheins, Abbottstown, served as best man and the ushers were Hillen G. Rife, brother of the bride; Robert Lahman and Michael Grenewalt, New Oxford.

RECEPTION HELD

The ring bearer was Robert Bruce McShane, nephew of the bridegroom, Wilmington, Del. Beth McShane, Wilmington, Del., niece of the bridegroom, and Lori Sheely, New Oxford, were the flower girls.

Following the ceremony a reception was held at the Elks Club, Hanover, after which the couple left on a wedding trip to Niagara Falls and Canada. For traveling the bride chose a pink sheath with cranberry accessories. Upon their return they will reside at Hanover R. 4.

The bride and groom are graduates of New Oxford High School. Mrs. Naylor is employed at Lana Lobell, Hanover. The groom served three years with the U. S. Army and is employed by the American Machine and Foundry, York.

NEW ORLEANS, La. (AP) — "I don't know what's happened to composers today," said Ethel Merman in New Orleans for a supper club engagement. "Show tunes today, I can't even hum 'em. They're not singable, not hummable."

SEN. SCOTT TO FLY TO FAIR

U. S. Senator Hugh Scott will visit the South Mountain Fair Saturday afternoon as part of a four-county tour.

The Republican candidate for re-election will fly by helicopter to the fairgrounds from Perry County, arriving at the parking lot near the horse show ring at 2:30. He plans to visit the fair, meet countians there, and then take off at 3:30 for Franklin County to attend a Republican corn soup party, near Chambersburg. Following the supper there he will fly at 7 o'clock to another Republican rally at Martinsburg.

Using a three-man Bell Helicopter, Scott has been engaging in a flying tour of the state as part of his campaign. Larry Groo, special assistant to Senator Scott, who was here Wednesday to make arrangements for the South Mountain Fair visit, said that over the Labor Day weekend in a three-day period the senator visited 14 counties by 'copter.

The helicopter, Groo said, permits travel at about 90 miles per hour and permits landing immediately at the site. For Saturday's visit to the fairgrounds a 100-foot-square area is being reserved.

walkers for $33, among other uses of society funds.

In connection with her report that the physical therapy center at the Warner Hospital will reopen on September 15, when a new therapist will take up his duties, Mrs. Franklin Bigham said society-sponsored treatments there during the last year totaled about 900.

PROGRESS AT CAMP

The final figure on last spring's Easter Seal sale was given at $3,782.37. Of that sum 24 per cent will go to the state society and two per cent to the national society for research, a total of $983. The board directed that the annual audit of the society's books be made.

Mrs. Clara Bushey, state nurse, said three county youngsters were at a state summer camp for eight weeks and four others for four weeks. "One girl learned to tie her shoes and to walk a little while she was there," Mrs. Bushey said. Another boy had "the time of his life" and is eager to go back next year.

The board directed the president, state nurses and physicians to determine all the facts in the case of a 65-year-old woman who has had a leg amputated and needs an artificial leg. The artificial limb will cost about $450, the board was told.

ANNOUNCES CONVENTION

The nominating committee report was submitted by Mrs. Bigham, chairman. She listed the two retiring members of the board as Mrs. Donald Cordell, a former treasurer of the society, and Miss Mildred Eden, state nurse.

Mrs. MacAskill announced the national convention for crippled children's societies will be held in Detroit November 13-16 and the state convention will be held in Lancaster October 22-24. The board approved next year's seal sale contract with 24 per cent to go to the state society and two per cent to be sent to national research.

Wednesday's meeting was held at the Methodist Church here.

UNDERWRITERS HONOR LOCAL LIFE AGENTS

Four members of the Hanover-Gettysburg Association of Life Underwriters yere presented with National Quality Awards from the National Association of Life Underwriters Wednesday evening at a ladies' night banquet in the Holiday Inn. Fifty were present for the session.

Mrs. Clarinda P. Reichard, executive secretary of the Pennsylvania Association of Life Underwriters, presented the awards to Sterling Musselman, of the Nationwide Agency, Carlisle St.; Robert McCoy, of the McCoy Agency, Baltimore St., and to Elwood E. Myers and Harry D. Bortner, Hanover agents.

She also presented a Pennsylvania Leaders Round Table Award from the Pennsylvania Association to Myers. He was one of six in the state to receive the recognition.

TROPHY FOR SHRIVER

Carl Cramer, Newburg, regional vice president of the state association, presented a trophy based upon increased membership of the local group to the president of the Hanover-Gettysburg Association, Chester S. Shriver, who presided at the meeting.

A past president's plaque was presented to Richard L. Swope, Gettysburg R. D.

In a brief talk Mrs. Reichard congratulated the local chapter for its gain in membership during the last year. The Pennsylvania Association, she said, now has 5,308 members.

President Shriver announced that five banks, Adams County National, Gettysburg National and three in Hanover, have become associate members of the Hanover-Gettysburg Association. Their trust officers of the banks will be the banks representatives to the meetings. William T. Timmins Jr., trust officer for Adams County National Bank, was introduced.

CHARTER MEMBERS

Harry D. Bortner gave a history of the local organization which was founded in 1939 and introduced two charter members, Philip Neth of Gettysburg and Edwin Murphy of Hanover.

Walter T. Dunbar, Frederick, a former president of the Maryland State Association of Life Underwriters and former Gettysburg insurance salesman, spoke briefly.

Rev. Nevin E. Smith, Hanover, was the principal speaker at the event.

"LEARNING THE GAME"

My 12-year-old was occupied . . . playing a little game . . . deeply engrossed in getting points . . . and thereby some acclaim . . . it was a case of life or death . . . at least it seemed that way . . . when Ellen dear played checkers . . . she was in it to stay . . . I marveled at the concrete thought . . . she put into each move . . . like someone puzzled by a problem . . . they were prone to prove . . . my daughter learns a lot I know . . . from playing games like this . . . for she must plan her moves ahead . . . or fall in gloom's abyss . . . the game of life is just the same . . . she must know how to win . . . but most of all know how to lose . . . to show she's genuine.

SCOUTS PLAN

(Continued from Page 1)

would put on live some type of demonstration during the period of the Scoutarama.

LEADERS COURSE

Plans were outlined for the Junior Leaders course to be held at Camp Tuckahoe near Dillsburg, October 2 and 3. Two adult leaders are sought from the Black Walnut District to serve as advisors to the boy leaders who will put on the course, Field Executive Stanley C. Rogers told the commissioners. All of the training at the session will be conducted by boy leaders who have received training at the national Boy Scout training camp at Menden, N. J. A meeting of the boy leaders of the training course will be held September 17 at the York Scout office.

Scout Executive Rogers was asked to contact boys who attended the Philmont encampment, national jamboree, Canadian canoe trip, Norfolk trip, etc., to speak and show pictures at various round tables during the year to familiarize the leaders with the activities of the council events.

RECOGNITION DINNER

The commissioners urged all Cubmasters, Scoutmasters and Explorer advisors, or their representatives, to attend the annual recognition dinner to be held September 24 at Camp Tuckahoe. The dinner will be served by the professional Scouting staff and the roundup program for the fall and will be outlined at that time.

Reports on an "advancement weekend" held by Troop and Post 75 of the Gardners area at Camp Wolf Pit near Aspers led to a decision by the commissioners to urge all Scout units to plan such advancement programs.

Members were urged to give full support to the United Fund campaign currently underway. Funds needed for Boy Scouting are included in the amount raised by United Fund locally.

SWIM PROGRAM

Plans for a "Learn to Swim" program to be held Friday nights from 6 to 7 o'clock at the York YMCA pool starting October 9 and continuing through October, November, January, February and March were outlined. All Scouts may attend at a charge of 25 cents for each night. Instruction will be given for beginners, for those wishing to obtain the swimming merit badge and those seeking to obtain the life saving merit badge.

Plans were announced for a Cub Leaders Powwow September 26 at Red Lion Junior High School from 1 to 5 p.m.

The next commissioner's meeting will be held October 4 at 8 p.m. at the home of District Commissioner Crosby N. Hartzell.

Charles G. Hershey Buried Wednesday

Charles G. Hershey, 86, Falls Church, Va., a native of York Springs, who died in Walter Reed Hospital, Washington, Sunday, was buried Wednesday in the Mt. Royal Cemetery, near Pittsburgh.

The deceased was visiting Dr. and Mrs. William Barriga and family, Confederate Ave., while his son and family, Lt. Col. and Mrs. Charles G. Hershey II, were visiting friends in York Springs, when he suffered a stroke about three weeks ago. He was removed to the Warner Hospital where he remained a patient for two weeks. He was then taken to the Walter Reed Hospital in the local ambulance.

Mr. Hershey returned a year ago from Germany where he resided for four years with his son and family.

Mrs. Quincy W. Hershey, Mrs. Barriga and daughter, Barbara, attended the viewing in Washington.

Baird Hershey and daughter, Bonnie, attended the interment on Wednesday.

Mike White, rookie second baseman with the Houston Colt .45s, is the son of Milwaukee coach Jo Jo White.

DRILLERS HIT SOLID ROCK

Well drillers attempting to complete a new well in the Carroll Heights section of Taneytown reported Monday night to the town council that they struck solid rock at a depth of nine feet and are proceeding slowly in their efforts to find water. They are presently at a depth of 24 feet.

Wayne Baumgardner and Nadine Brown, representing the Jaycees and Jaycettes, presented a progress report on the swimming pool project, and another group appeared before council with complaints about excessive noise and annoyances within the town.

Council will decide at the next meeting on the disposition of delinquent tax accounts, which will be reviewed. Members also were told that several property owners have failed to control the weeds on various vacant lots in the borough.

The treasurer reported a balance of $29,214.67 in the general account and $5,821 in the parking meter fund. A report from the Taneytown Memorial Park showed a balance of $1,434.35 in the checking account and $5,380.61 in the savings account.

She reveals new recipes to brighten the family meals and helpful hints to aid the homemaker. The more than 40 recipes demonstrated during the show are clearly explained in easy-to-understand language. It is indeed like getting valuable information from a friendly neighbor.

"It's fun to exchange ideas with homemakers from all over the country," Miss Norman states. "There are always new and different discoveries to be made on food cookery, its preparation, selection, storage and garnishing."

Miss Norman is especially aware of the important role nutrition plays in today's family diet and acquaints homemakers with the characteristics of an adequate diet and the means of achieving it.

Prior to joining the staff of the meat board, Miss Norman taught home economics for three years in Clarksville, Tenn. She is a graduate of the University of Tennessee and is listed in "Who's Who of American Colleges and Universities."

County Student Receives $25 Award

Miss Diana Brecker, daughter of Mr. and Mrs. Earl D. Brecker, York Springs R. 1, received the annual student award of $25 at the 59th annual commencement of Harrisburg Hospital School of Nursing, held recently in the Forum in Harrisburg.

The award is given each year to the student completing the Freshman or Junior year who shows the greatest interest in nursing.

Miss Brecker is now in her third year of training this year.

and pine double knit ensemble, a blue and brown pin checked sheath, a red and black plaid casual and a brilliant red corduroy coat with black sheath and red cotton suede best.

Mrs. Ecker displayed a black crepe jumper dress, a wool jersey, in houndstooth check, a double knit wool in emerald green and a wool herringbone tweed suit. Mrs. Grant appeared in a dacron costume in bronze and red, a woven cotton plaid, and a two-piece suit in green and bronze. Mrs. Wolfe modeled a black double knit wool, a tailored blue crepe casual, and a sheer wool in dark carnation. Mrs. Heiney showed a two piece cotton casual, a two-piece jersey in three colors, and a three piece double knit wool in gray, black and white. Mrs. Thomas modeled a two piece forest green crepe jacket costume with a gold beaver hat, a black crepe sheath costume dress with faggoting, and a midnight blue crepe ensemble with silk lace bodice, scalloped neckline. Mrs. Benson appeared in a three piece costume in cotton suede, a two-piece block knit in plum, a wool corduroy suit in taupe brown with zip-in lining and jacket and a double knit in black plum, a new color.

MRS. SCHARF NARRATES

Mrs. Scharf, who narrated the show, modeled an avocado crepe sheath with its own bonded lining, softened at the neckline with a smoke ring collar of chiffon. With it she wore a large black velvet hat, with paisley print lining, in an off-the-face profile style.

At intervals during the afternoon, Mrs. Robert Shealer, guest soloist, sang "Autumn Leaves," "Getting to Know You," from "The King and I," and "Simple Gifts" by Copeland. She was accompanied by Mrs. John A. MacPhail, who played as a solo "A Rivederci Roma."

CHAIRMEN OF EVENT

Mrs. Benson expressed the club's appreciation to the following chairmen who cooperated in this event: Program, Mrs. Gilbert; decorations, Mrs. Tipton; music, Mrs. Hartzell, and hospitality, Mrs. Charles Pitzer. She announced plans for a white elephant antique and food sale to be held November 4 with Mrs E. J. Nowicki Jr., and Mrs. Edwin L. Minter as chairmen. The Christmas meeting will be held at her home, which is the former Col. John Eisenhower residence R. 2.

At the close of the meeting, Mrs. Zinn and the models were called back for applause. Upon being questioned, Mrs. Zinn said that the costumes modeled were priced from $14.95 to $49.50 and are on sale at her shop.

Seventy-five were in attendance.

SEVERE FLOODS

Rains of 10 to 15 inches were predicted for the rest of northern Florida and southeastern Georgia, producing flooding in rivers and streams, some severe.

Hurricane warnings flew as far as Charleston, S.C., with gale warnings up to Myrtle Beach, S.C., and along the Gulf coast of Florida from Sarasota to Apalachicola.

"We think the storm will go up through the center of Georgia," said a forecaster at the National Hurricane Center in Miami. "That would take some of the steam out of it."

When Dora's calm eye finally pressed ashore, St. Augustine and Jacksonville Beach already had been hammered by hurricane-force winds, slashing rain and huge waves for more than 12 hours.

OVERFLOW BANKS

This morning, the hurricane's tide pushed the waters of the St. Johns River over its banks into a residential area in the middle of Jacksonville.

National Guard trucks were dispatched to the area to remove residents.

St. Augustine's water supply was low, causing a critical problem at shelters housing evacuees. The storm shut down pumps used by the water utility.

"My big problem is deciding whether to let these people out of shelters," said Civil Defense Director Fred Willis. "I've got no water pressure in the shelters. We can't flush the toilets."

Conrad W. ASK HELP OF YORK BOARD

The Hanover School District, in a letter opened at a special meeting of the York County School Board Tuesday night, asked the board's support of its appeal before the State Board of Education requesting that Conewago Township in Adams County come under York County's school reorganization plan.

The appeal is slated as part of a hearing on the York County plan scheduled Oct. 7, 8 and 9 in Harrisburg.

County School Superintendent Joseph R. Wilson said the letter cited such points as Hanover's building and enrolment plans.

He explained that Hanover is accommodating a certain number of students from the Adams County township and loss of this enrollment might seriously hurt the school's program.

Wilson also indicated the matter could be discussed at the board's next regular meeting at 7:30 p.m. September 24 at the York County courthouse.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY YEARS AGO

London — American soldiers have carried the war to German soil, sending tank-supported patrols across the western frontier for the first officially reported entry into the Reich by land since France fell in 1940. These penetrations were made last Sunday by armored patrols but the U.S. Third Army permitted the disclosure of them only today. Since Sunday the fast-moving Third has been battling in force along the Moselle river and has had plenty of time to drive on to Saarbrucken, Germany, some 40 miles further east. Swiss border reports yesterday said American forces had taken Saarbrucken, but there has been no confirmation.

* * *

Moscow—Russian columns racing across western Rumania beyond captured Craiova were within 50 miles of the Yugoslav frontier today as other Red Army forces northeast of Warsaw cracked the tough German line on the Narew River in a great offensive to bypass the Polish capital.

* * *

Rome —French troops of the Seventh Army chasing the Germans out of Southern France are approaching Chalon-Sur-Saone, a little more than 90 air miles from American Third Army units last reported at Bar-Sur-Seine southeast of Troyes. Powerful Eighth Army forces have captured an important ridge running from the key town of Cortano to the Adriatic Sea in furious battling below Rimini, eastern anchor of the Nazis' gothic line, but Coriano is still in German hands.

* * *

Lord Halifax, Great Britain's ambassador to the U.S., and a group of friends, visited Gettysburg on Labor Day.

A severe hailstorm which swept over the East Berlin area about 3 o'clock Monday afternoon did considerable damage to the home of Mr. and Mrs. Augustine J. Tierney, where seven windowpanes were broken and wallpaper and furniture in three rooms were damaged.

Former Burgess C. A. Heiges appeared before borough council Tuesday evening to claim for Buford Ave. residents the doubtful distinction of having in the neighborhood "the finest mosquito breeding site in town." He said that a stagnant pond near the former milk receiving station at the railroad, has disappeared in the drought with "decidely malorodous results." He said Buford Ave. residents would appreciate any relief council can afford.

An additional 100 German war prisoners arrived in Gettysburg Monday and have been quartered at the state armory for their "temporary" stay here. Capt. Laurence Thomas, commander of the prisoner of war camp, where the population reached capacity three weeks ago, said that all the prisoners are at work in tomato and corn fields, peach orchards and canneries. The additional prisoners were brought here to meet a peak labor need in county orchards, farms and canneries. Additional guards were brought here to handle the new contingent of prisoners.

Although the Gettysburg Council has close to $40,000 in its general fund it is unable to engage in the numerous jobs to be done because of a labor shortage.

Mrs. Emma E. Sheffer, N. Stratton St., has been appointed by Gov. Edward Martin as clerk of courts of Adams County to fill the vacancy created by the death of her husband Aug. 26. Mr. Sheffer had served eight months of his term which would have expired in Jan. 1948. Mrs. Sheffer will serve until January, 1946.

Today's Talk

UPSIDE DOWN MINDS

Cheerfulness is inborn, but thousands of people whack it no sooner than it shows its face! I watched the sky one dark day. Every little while a ray of sun would do its best to pierce through, but just then a big, black cloud would appear and shut it off. It made me think of how so many have cheerfulness right behind them, but they carry too many dark clouds around with them to let it through.

Happy thoughts are forever trying to climb up high in the mind, but there are so many mind that are actually upside down, and so there is nothing but worry and turmoil to spoil an otherwise sunshiny soul.

A serene and philosophical mind never gets tumbled. Worries slide from it. Problems are met and solved, and then dismissed. Sorrow is faced, even disappointment, and many a disastrous defeat, for with a mind that is organized and kept in order nothing is to be feared.

These upside-down minds are evil affairs. They short-circuit the light for those who have such a mind, and play havoc with other minds in close range. Whatever we are, in mood or mind, we radiate and influence. Every thought that we have has its influence upon our entire body, and these thoughts, when expressed, influence others, as well, for good or ill.

There are those who depress us, after but a few brief moments of meeting. Their upside-down minds spill right over — with griefs, troubles, complaints, and fault-finding. We feel like running afar — and it would be a good plan, at that! How unprofitably to carry around such a mind! Especially when it is so easy, healthy and wise to carry around a mind that is upside, all shade lifted, and with the sunlight of cheer and hope streaming from every nook and corner.

We advertise ourselves. If we are full of new beginnings, people will sense the fact. They sense, as well, our fears, our faith, and our aspirations. They can tell whether we are lifters or leaners, blades of grass or oaks! No one can get anywhere with an upside-down mind.

Just Folks

INVECTIVE

It does not call for brilliance a bitter thing to say.
The idlers on the corners do it many times a day.
It's neither proof of greatness nor of courage very strong
To overlook the good in man and thunder out his wrong.

'Tis well to fight for principles, for truth to strike a blow,
But poorly armed that warrior is with only mud to throw.
A greater weapon reason is. He best deserves renown
Who wins by lifting others up, not dragging others down.

Leave slander to the petty mind and snarling to the brute.
There's many an honest difference for wise men to dispute.
And he who pleads a righteous cause should pity and forgive
And teach with high example those beneath him how to live.

Who deals a blow must take a blow and still stay calm and cool
The fool is not improved a whit by being called a fool.
Who would make right the wrongs of men for principles must fight
But if they would advance their cause they must themselves be right.

JAYCEES TO ROLL BARREL TO NEWVILLE

Six members of the Dillsburg Jaycees presented a "roll the barrel" program at the first September meeting of the Littlestown Junior Chamber of Commerce held on Tuesday evening in the chapter room at the Community Center. John Allison, president of the Dillsburg chapter, and other visiting Jaycees, spoke on the youth and sports program of their home chapter.

The local Jaycees will carry the barrel to the Newville chapter this evening. The "roll the barrel" program is designed to give the members of the different chapters an opportunity to visit with other chapters in Area IV.

The local chapter will assist the United States Jaycees and the cooperating Thomas McCann Shoe Company to raise one million dollars in the "Run for the Money" project for the U. S. Olympic Team Fund. Letters have been mailed to 14 manufacturers asking for a donation in support of the project. The money realized nationwide will be presented for the program to President Lyndon B. Johnson on September 25.

TO AID OLYMPICS

The Litlestown Jaycees will "pass the hat" for the Olympic fund at half time at the local high school football game on Friday evening on Memorial Field. During the collection, the school majorettes will perform with lighted batons to represent the Olympic torch.

A dance was planned for Saturday night, September 26, at the new Holiday Inn ballroom, Gettysburg. The dance band will be furnished by the Holiday. Admission will be by tickets for the special award of the evening, a colored television set. Arrangements for the event are in charge of the following committee: Clyde W. Crouse, C. Robert Orndorff and Thomas R. Gouker.

President S. Kenneth Ogg announced that state and national membership dues must be paid by the end of the month. Routine reports were given.

Refreshments were served at the conclusion of business.

A stag party will be held in conjunction with the next meeting on Tuesday, Sept. 22.

Class Plans Trip By Bus Sept. 19

Plans were outlined for the bus trip of the Ever Willing Class of St. John's Lutheran Church at the monthly meeting of the class held at the church on Tuesday evening. The trip to Washington Crossing to visit a state park and the pottery and glass factory at Flemington, N. J., will take place on Saturday, Sept. 19. The group will leave from the church at 6 a.m. Members and friends wishing to go should make reservations with Mrs. Ann Weaver or Mrs. Gladys Eyler.

Routine reports were heard during the meeting, in charge of Mrs. Eyler, president. It was decided to hold the next meeting on Tuesday, October 13 in the form of a progressive party.

The session opened with the Scripture reading by Mrs. Catherine Morehead, and group singing, accompanied by Mrs. June Rife. Refreshments were served to the group by Mrs. Morehead.

Women's Group At 1st Fall Meeting

The first fall meeting of the Ladies' Aid Society of Redeemer's United Church of Christ was held on Tuesday evening in the church social hall. The devotional consisted of the Scripture reading by Mrs. Clara Jacoby; prayer, Mrs. Lottie Duttera; piano solo, Miss Carol Flinchbaugh, who was also accompanist for group singing; readings, Miss Malva Duttera, Mrs. Donald C. Arbogast and Mrs. Edward B. Geiman.

The business session was conducted by Mrs. Geiman, president, who called for reports. Plans were made to serve a golden wedding anniversary reception on Sunday, September 20. Mrs. Jacoby, Mrs. Duttera and Mrs. Calvin M. Sentz Sr., served refreshments during the social hour.

Mrs. Arbogast, Mrs. Walter S. Mehring and Mrs. Mervin S. LeGore were named to be hostesses for the next meeting on Tuesday, October 13 at the church.

Rotary District Governor Visits

Oscar F. Funk, governor of Rotary District 739, paid his official visit to the Littlestown Rotary Club at the dinner meeting on Tuesday evening at Schottie's Hotel. District Governor Funk addressed the club on the subject "Rotary, As I See It."

President James L. Rhoades presided. Visiting Rotarians introduced were Lloyd Thomas and B. J. Beaver, Westminster, and B. W. Smith, York. The Rev. M. J. Perry, Kings Port, Tenn., was a guest of the Rev. William Hendricks.

The classification and membership committee, composed of Walter F. Crouse, chairman, Roy C. Koontz, Frank E. Basehoar, Francis I. Gerrick, Clarence R. Reck and Howard A. Stonesifer, will be in charge of the program for the club meeting next Tuesday at 6:15 p.m. at Schottie's.

TO BECOME NURSES

Miss Jean Gentzler and Miss Judy Koontz, who are 1964 graduates of Littlestown High School, have enrolled in the Harrisburg General Hospital School of Nursing. Miss Gentzler is the daughter of Mr. and Mrs. John Gentzler, Littlestown R. 2. Miss Koontz is the daughter of Mr. and Mrs. Roy C. Koontz, Maryland Ave.

The former Miss Dorothy Harner, daughter of Mr. and Mrs. Milton E. Harner, 37 Maryland Ave., Littlestown, who became the bride of A/2C Earl N. Stevens, Hanover R. 2, in a candlelight service Saturday evening in St. Paul's Lutheran Church at Littlestown. The bridegroom will leave next week for Air Force duuty in Japan and his bride will join him there later.

Ladies' Aid Will Help With Roof

Mrs. Wilbur Danner was leader and read the opening scripture lesson at the monthly meeting of the Ladies' Aid Society of St. James' United Church of Christ, along the Harney Rd., held on Tuesday evening at the church. There was group singing, accompanied by Mrs. David Sentz. Readings were given by Mrs. Sentz, Mrs. Alma Walker and Mrs. Zona Harner.

The society decided to pay half the cost of having a new roof installed on the church. A report was heard from Miss Kathryn Staley, secretary. The birthdays of Mrs. Sentz, Mrs. Edith Bunty and Mrs. Glenn Mummert were noted. During the social hour, refreshments were served by Mrs. Mummert and Mrs. Bunty.

A home products party will be held in connection with the next meeting on Tuesday, October 6, at the church. Mrs. Howard Marring will be program leader. The hostesses will be Mrs. John C. Chatlos, Mrs. Helen Ferris and Mrs. Elizabeth Study.

ATTEND VFW MEET

The Ladies' Auxiliary of Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, was represented by the following at the track and field meet held on Labor Day at the Veterans Administration Hospital, Lebanon: Mrs. Mildred Weaver, who is 21st District auxiliary president; Mrs. Rebecca Weaver and Mrs. Helen Jacobs, accompanied by Mrs. Ruth Miller, Gettysburg, a past president of the 21st District. Mrs. Anna Herbert, Philadelpria, president of the Department of Pennsylvania, was in attendance. At the conclusion of the meet, prizes were awarded and refreshments were served. The affair was sponsored by the VFW Auxiliary Department of Pennsylvania.

Grid Season Opens Friday; L-town Only Team At Home; Warriors At Westminster

Eager and with hopes high for successful seasons, football players from five area high schools will take the field this weekend as the 1964 campaign is launched.

Four of the schools will be involved in Friday engagements with Biglerville getting the jump on other teams when it meets St. Francis Prep at Spring Grove in an afternoon game starting at 3 o'clock.

In night games Friday Gettysburg travels to Westminster to meet the always-tough Owls; Littlestown entertains York Suburban in a York County League game, while Delone meets highly-regarded Chambersburg on the Trojans' field. The Gettysburg-Westminster game will start at 8:30 and the others at 8 o'clock.

Bermudian Springs waits until Saturday afternoon at 2 o'clock to meet Northern of Dillsburg on Bermudian's new field near York Springs.

Capacity crowds are expected at all games.

GHS AT WESTMINSTER

The Gettysburg High Warriors will be out to make history against the Owls. For the last 10 straight years Westminster has downed the Warriors, turning the trick here last season 26-6.

Coach Don Young has one of the heaviest squads in many seasons to throw at Westminster but two of his star backs will probably be out of the starting lineup. Dave Perdue, a 200-pound halfback, and Kit Richardson, 195, another halfback, are nursing minor injuries and will be sidelined which will cut down the poundage.

Young has nominated Mike Herring, 170, to start at left half, with Ronnie Newman, 135, or Paul Wolfe, 142, both Sophomores, at the other slot.

Dick Finkboner, 202, veteran signal-caller, and Ronnie Plank, 160, fullback, another veteran, will open at those posts.

Up front the probable starters include: Ends, Jir Cullison, 190, and Bill Jones, 165; tack'es, John Waybright, 205, and Jim Rowe, 192; guards, Tom Heflin, 192, and Dave Lutz, 174, and center, Bill Deal, 195. The starting line averages 186 pounds per man.

Certain to see a lot of action are: Ends, Dick Walker, 170, and Larry Shindledecker, 155; tackle, Tom Gilbert, 196; guards, Terry Helwig, 165, and Tom Oyler, 150, and quarterback, Charley Raffensberger, 160.

It was revealed today that Maury Roberts, 185, a candidate for center, has dropped from the squad due to a condition not related to football.

While the Warrior starting array looks strong, a lack of depth may hurt. Coach Young is counting on Lutz and Plank, two fine sparkplugs, in keeping the squad fired up throughout.

Westminster was unbeaten last year with a 9-0-1 record and finished the campaign with seven straight wins. From that team Coach Earl Hersh has eight lettermen, all Seniors, who will oppose the Warriors.

The Owls have the following lettermen: Tackle, Calvin Bloom, 190; guards, Joe Keeney, 158, and Phil Selby, 162; center, John Peck, 175; Blizzard, 140, and fullback, Mike Wright, 193.

SUBURBAN AT LITTLESTOWN

An overflow crowd is expected at Memorial Field, Littlestown, to watch the Thunderbolts open their season and York County League campaign against York Suburban. Last season Suburban had a 23-game winning streak snapped by Littlestown 14-13 in the opening game which may make the Trojans doubly dangerous.

Bill Heyser, Bolt coach, reports his squad in good physical condition and rates the game as a toss-up. He is counting on the fine spirit exhibited in drills to continue and help produce a winning outfit.

The following have been named as the probable starters for Littlestown: Ends, Jim Strevig, 135, and John Burgoon, 170; tackles, Jim Bittle, 210, and Gary Wintrode, 175; guards, Craig Strevig, 134; Mike Gladhill, 165, or Perry Grove, 145; center, Bob Smith, 205; quarterback, Bruce Crouse, 154; halfbacks, Louie Orndorff, 148, and Greg Myers, 135, and fullback, Terry Pottorff, 170.

Tim Chrismer, 149, will see action as a defensive end and will double as a halfback on the offense. Others who will form first line replacements are: Tackles, Jerry Pottorff, 218; Bob Horner, 185, and Ray Dutterer, 152; center, Tom Sager, 140, quarterback, Jim Blocher, 150, and fullback, Bernie Noble, 148.

York Suburban has 10 returning lettermen, four backs and six linemen, to give the Trojans a fine nucleus.

The veterans in the backfield include John Luse, Jeff Julius, Greg Bentzel and Fred Bergdoll. On the forward wall the lettermen include Dave Dutt, Bob Snyder, John Dunphy, Greg Doby who weights nearly 300 pounds, Jim Falker and John Keiter.

DELONE AT CHAMBERSBURG

A veteran squad and a new coaching staff carry the hopes of the Delone Catholic High Squires against the Trojans, again rated as one of the best teams in the area. J. T. Flaherty is piloting the Squires for the first time and is being assisted by Johnny Gastley, Vic Mancini and Johnny Joe Scott.

Flaherty has 18 lettermen remaining from last year and reports his squad in good physical condition and apparently ready for its opening test. He says the Squires will stick pretty much to the style of play used in recent years but there will be a few variations.

Delone's probable starting lineup will include the following: ends, Bill Shrader, 165; Phil Staub, 170, or Joe Keffer, 155; tackles, Jeff Seig, 185; Bill Lynch, 185, or Larry Staub, 170; guards, Bob Wagner, 180; Bill Reese, 155, or Mike Ackerman, 170; center, Joe Hockensmith, 155; quarterback, Don Emig, 155, or Junie Reese, 170; halfbacks, George Emig, 165, and Dave Knox, 155, and fullback Ted Elliott, 170. Don Emig and Junie Reese are the lone nonlettermen in the group.

Chambersburg, which lost but one game and tied another in a 10-game schedule last season, has 11 lettermen back on the squad and all are expected to be in the opening lineup.

The Trojan vets are: Ends, Crittenden, 180, and Tasker, 170; tackles, Rensch, 175, and Myers, 198; guards, Waite, 190, and Fleagle, 185; centers, Cave, 240, and Gochenauer, 160; quarterback, Horn, 165; halfback, Carter, 155, and fullback, Kerr, 185.

Last year Chambersburg beat the Squires 26-6.

BIGLERVILLE AT ST. FRANCIS

Biglerville and St. Francis Prep will meet for the first time in varsity competition when they clash on the Hilltoppers' field at Spring Grove.

Jack Emanuel of the Canners has a very young squad and expects his squad to make mistakes due to its inexperience but is hopeful of a good season.

With few exceptions, the Canner squad is in good physical condition for its opener. Richie Fair, 136, a halfback, will not start due to an injury but may see some action.

Emanuel indicated the following starters: Ends, Dick Hartman, 185; Bob Lancaster, 150, or Gary Hoffman, 170; tackles, Charles Hess, 180, or Dan Wyckoff, 173, and Stanley Lupp, 172; guards, Mel Mentzer, 160; John Hartman, 156, or Stanley Gochenour, 152; center, Larry Heintzelman, 190, or Lupp; quarterback, Larry Dennis, 135, or Greg Dixon, 150; halfbacks, Bob Cover, 142; John Pitzer, 182, or Barry Jacoby, 142, and fullback, Terry Taylor, 180.

St. Francis turned in a 3-5 record a year ago and from that team there are but three returning veterans.

Frank Fazio, quarterback, a highly-rated passer; Maurice Fullerton, tackle, who tips the beams at nearly 300 pounds, and Pete Dziedzic, guard, are the returnees.

NORTHERN AT BERMUDIAN

Bermudian Springs football players are bent on dedicating their new field near York Springs with a victory Saturday afternoon when they meet Northern of the Blue Mountain League.

The game will be the first to be played on the field which was completed several weeks ago with the erection of bleachers.

Manpower shortage, an old handicap of the Eagles, will be felt again this season, Coach Tom Shreiner having but 24 players on his roster. There are eight lettermen around whom Shraeiner and his assistant, Dean Becker, are building their team.

Adding to Shreiner's woes will be the absence of Co-captain Reid McCauslin, 185, fullback, who is out with a knee injury, and Tom Cashman, 180, halfback, also injured but who may be able to break into the lineup. Both are considered two of Bermudian's finest ball toters. Co-captain Bill Hinkle, end, will probably be switched to fullback to replace McCauslin.

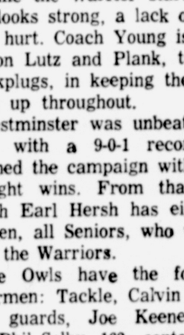

The starting Bermudian lineup follows: ends, Keith Stambaugh, 150, and Jay Smith, 170; tackles, Joe Lemmon, 215, and Terry Lehmer, 190; guards, Tom Harbold, 185, and Jim Lerew, 180; center, Paul Middour, 210; quarterback, Todd Tanger, 170; halfbacks, Lloyd Garman, 150, Tom Cashman, 180, or his brother, Jack, 140, and fullback, Hinkle.

Northern, a member of the Blue Mountain League, compiled a 5-5 record last season, including a 42-0 romp over Bermudian.

Coach John Estright is building around eight lettermen. Although very young, the Polar Bears will have good depth at all positions which should help them considerably.

Seasoned players on the squad are Carlos Rosenberger, Ray Dacheux, Paul Dahr, Rick Ginter, Edd Danner, Larry Flohr, Vern Vandevender, and Barry Bankert.

TANEYTOWN 9 VICTOR 4-0 IN PLAYOFF

Taneytown became the fourth place team for the Shaughnessy playoffs in the South Penn Baseball League by defeating McSherrystown 4-0 Wednesday evening at Littlestown.

The win also advances Taneytown to the final best-of-three series for the playoffs honors. They will meet the winner of the New Oxford-Littlestown game at Littlestown Sunday afternoon at 2 o'clock.

Ronnie Asper, McSherrystown hurler, pitched no-hit, no-run ball until the seventh inning when Taneytown scored all of its runs. E. Combs and F. Shank singled and both raced home on a triple by A. Bollinger. J. Myers singled Bollinger across and then stole second base from where he scored on G. Wildasin's single.

Caple, who tossed the shutout for Taneytown, allowed six scattered hits, two of which were singles by Asper.

AILING SABOL ON SCHEDULE FOR PRACTICE

COLORADO SPRINGS, Colo. (AP) — Colorado College's football captain, Steve Sabol from Villanova, Pa., turned out for practice on schedule, even though he was hospitalized nearly two months this summer with a liver disease.

Sabol, known as "Sudden Death" to his teammates dropped 37 pounds from his 1963 playing weight of 210, but 10 days after he was out of the hospital he was doing a mile of road work every day.

Coach Jerry Carle insisted Sabol take a few days off to build up his strength.

IS A KICKER

"If nothing else," Carle said "I'll carry him on the squad as a specialist. He's our punter, kickoff and field goal man."

Sabol averaged more than four yards per carry in rushing last year and improved his punting until he averaged 39.9 yards per kick.

Lou Brock Leads Cards To Win Over Phils; Reds And Giants Lose Ground

By MIKE RATHET
Associated Press Sports Writer

Can the St. Louis Cardinals go for broke with Lou Brock?

That was the big question in the National League after Brock continued his heavy hitting for the Cardinals, slamming a homer and four singles as St. Louis whipped first-place Philadelphia 10-5 in 11 innings Wednesday night in the opener of a two-game series.

The victory was the 13th in 16 games for the second-place Cardinals — the Phillies have an 8-9 record over the same period — and kept them steamrolling toward the top while whittling Philadelphia's league lead to five games.

IN SECOND PLACE

And Brock, the key man in a six-player trade completed with the Chicago Cubs just before the June 15 trading deadline, has supplied a big stick in an outfield depleted by Stan Musial's retirement.

Brock, a 25-year-old lefthander swinger, was hitting only .251 for the Cubs but has hit at a .351 clip for the Cardinals, scoring 64 runs, driving in 33 and stealing 30 bases in 79 games while moving into the top 10 among the hitters with an over-all .311 mark.

The Cardinals' victory left them one game up on Cincinnati and San Francisco, who remained six games off the pace. The Reds lost to Pittsburgh 4-1 and the Giants were whacked by the Los Angeles Dodgers 8-1.

Elsewhere, Milwaukee whipped the New York Mets 7-4 and the Cubs defeated Houston 6-3.

TIED IN 9TH

The Cardinals, who were 11 games behind the Phillies on Aug. 24, were two runs behind going into the ninth but tied it 5-5 on singles by Charley James and Brock, his steal of second, Bill White's grounder and a single by Ken Boyer. Boyer had hit a homer earlier.

Then, in the 11th, the Cardinals struck against ace Philadelphia reliever Jack Baldschun. Curt Flood and Brock singled and both rode home on a double by White. Richie Allen's error enabled White to score before run-producing singles by Julian Javier and pitcher Bob Humphreys wrapped up the rally.

Bob Veale brought his record to 16-10 for the Pirates, became the first Pittsburgh pitcher in history to reach the 200-strikeout level by fanning five, but needed one-out relief help from Al McBean before subduing the Reds.

17TH FOR DRYSDALE

The Pirates scored all their runs in the fourth against Joey Jay on a walk, singles by Roberto Clemente, Willie Stargell and Bill Mazeroski plus a double by Jim Pagliaroni.

Don Drysdale brought his record to 17-13 for the Dodgers, checking the Giants on five hits while receiving support from a three-homer salvo. Willie Davis cracked a grand slam, Frank Howard hit a three-run shot and Tommy Davis connected with the bases empty.

Joe Torre supplied the power for the Braves, driving in four runs with two doubles and a single while Tony Cloninger, now 16-12, pitched a four-hitter. Joe Christopher homered for the Mets.

Billy Williams hit his 32nd homer — his third in as many games — for the Cubs, who snapped a 3-3 tie against the Colts with a three-run seventh. Jim Stewart's two-run single broke the deadlock.

SWITCH THREE POSITIONS TO AID ATTACK

Three position changes have been made as Gettysburg College completes its first week of football drills. The Bullets open their 1964 season Saturday, September 19, by entertaining Hofstra in a Middle Atlantic Conference clash.

Due to the fine surplus of ends, Coach Gene Haas has moved Al Hellam, Nutley, N. J., and Rod Kuhns, Wescosville, back to their regular backfield posts. Hallam was forced into the end slot early last season because of the number of injuries. He turn in an outstanding job while playing there and was a main factor in the Bullets' defensive success.

Kuhns, who lettered at fullback a year ago, was moved to end and guard last spring. However, Haas has switched sophomore Bob Barrett from center to guard and decided it was better to strengthen the running game with Kuhns.

Gettysburg's only major problem is its running offense and by making the moves, Haas feels that the situation has been eased. Hallam and Tony Presogna, Curwensville, will alternate at the left running slot while sophomore Rod Albright, York, and Kuhns will work the right side.

The Bullets will once again go with their pro-type offense which was initiated in 1963.

YANKEE SALE IS APPROVED BY 8-2 VOTE

By JOE REICHLER
Associated Press Sports Writer

BOSTON (AP) — "I just hope I will never have to say 'damn it, I told you so.'"

Arthur Allyn of the Chicago White Sox, a very fierce and frustrated club owner, voiced this fervent wish today after having led and lost a vigorous battle to stop the Columbia Broadcasting System from entering the inner sanctum of major league baseball.

By the same 8 to 2 club owner count that had been acquired in a telegraph and telephone poll of a month ago, the American League, in a near day-long meeting Wednesday, officially approved the sale of 80 per cent of the New York Yankees for $11.2 million to the national television and radio network.

CBS DELIGHTED

Dr. Frank Stanton, CBS president, expressed delight and gratification with the manner in which the club owners handled the controversial matter but Charles O. Finley of the Kansas City Athletics, angrily called the American League action "a railroad job."

"I requested of Dr. Stanton that CBS withdraw its offer to purchase the Yankees for the good of baseball," said Finley, first of the owners to exit from the stormy 7½ - hour session behind locked doors. "The gentleman very graciously, however, stated he would not withdraw."

Finley reiterated his threat to sell his club to a Kansas City interest for $8 million and again charged that the Yankee-CBS transaction would result in a thorough investigation by the Justice Department of baseball's immunity from antitrust laws.

"CALCULATED RISK"

Dr. Stanton acknowledged that CBS was taking a "calculated risk" but added that before entering into a deal with the Yankees, the network had recruited outside legal counsel for an opinion on whether it would be in violation of the Antitrust Act.

Allyn, less vehement but equally as determined as his Kansas City counterpart, accused his American League colleagues of hasty and unwise action.

SOUGHT DELAY

The young-looking White Sox head sought vainly to delay the vote, proposing that the league engage outside counsel, independent of baseball, distinguished in the field of antitrust law, to advise it from a wholly objective point of view, whether the ownership of the Yankees by CBS would or might result in prosecution of the league or CBS for violating the antitrust laws.

Allyn's proposal was rejected by a 7-3 vote, Baltimore joining the White Sox and Athletics in voting in the affirmative.

Allyn lost another round when his attempt to make a motion to inquire into the possibility of conflict of interest was ruled out of order and not even considered.

CRONIN'S VIEWS

League President Joe Cronin, after reading the league resolution affirming the sale of the Yankees to CBS, said there was no fear of antitrust action and added baseball welcomed an inquiry by the Justice Department.

Stanton took the position, held by a majority of the American League owners, that if the Justice Department should undertake an investigation or action, it would be solely against the network and the Yankees. He added that the American League and baseball's position as exempt from the antitrust laws would not be affected.

Finley angrily charged that baseball has lost the faith of the fans because of the American League's decision to endorse the sale of the Yankees to CBS.

Speedway Reveals New Program Plan

The Lincoln Speedway announces a new scheduling of events for the remainder of the 1964 racing season. The Lincoln Speedway will continue to present Saturday night sportsman-modified and late model stock car racing through the remainder of September. In October the one-half mile clay race plant will switch to Sunday afternoon competition.

There have been some changes in the race programming at Lincoln. For the remainder of the year late model "heat races" will be eliminated. The late model 20-lap feature events will continue to be part of the programs.

Promoter Hilly Rife explained the change. "We have dropped the late model heats in order to get the programs over before midnight. The cooler air, plus the fact that many fans have long distances to travel, prompted us to make the change."

Orioles Lengthen Lead In AL With Split While Both Yankees And Sox Tumble

By MURRAY CHASS
Associated Press Sports Writer

Happiness is a healthy Boog Powell.

To the Baltimore Orioles, that is. To the other American League pennant contenders, a healthy Boog is unhappier than a Shakespearean tragedy.

Powell, the Orioles' slugging left fielder, exploded for a pair of two-run homers in Baltimore's 6-3 first-game victory and belted three singles in a 4-3 losing cause in the second game of the Wednesday twi-night double-header.

TIGERS BLANK YANKS

Despite the split, the Orioles increased their lead to one game over second-place Chicago and 1½ games over third-place New York. The White Sox lost to Minnesota 5-2 while Detroit dumped the Yankees 4-0.

Powell returned to action only last Saturday after missing 14 games with a fractured wrist suffered against Boston Aug. 20. During his absence, Baltimore managed only an even split in 14 games.

Powell failed to hit in his first three times at bat after his return but now has seven hits in his last 11 trips to the plate, raising his average to .291.

GETS 33RD HOMER

He slammed his 33rd homer following Buster Narum's walk to Norm Siebern in the first inning of Wednesday opener and came back with his 34th after another walk to Siebern in the sixth.

The 23-year-old Powell figured in all of the Orioles' scoring in the nightcap. He ignited a two-run rally in the fourth inning with a one-out single and stroked a clutch single in the sixth when the Orioles tied the game 3-3.

A former Oriole, Willie Kirkland, prevented a double-header sweep of the Senators. Kirkland, whom Washington acquired from Baltimore last month, clouted a two-out homer in the ninth inning of the second game, breaking the 3-3 deadlock.

PIZARRO BATTERED

Chicago remained only .0004 ahead of the Yankees as the Twins battered 17-game winner Juan Pizarro in the second and third innings.

Minnesota tied the game 2-2 in the second as Jimmie Hall doubled in a run and scored on Earl Battey's single. Bob Allison snapped the stalemate with a two-run triple in the third, then scored as Hall fouled out.

Mickey Lolich stopped New York on five hits, posted his seventh straight victory and third consecutive shutout and increased his record to 16-7. The Tigers scored all of their runs in the seventh inning, the last three on Don Wert's home run off Whitey Ford, 14-6.

TIES LEAGUE MARK

Carl Yastrzemski's two-run homer in the 10th inning carried the Red Sox past the Indians. Woody Held countered with a bases-empty blast in Cleveland's 10th, but that wasn't enough.

Dick Radatz, the victim of Held's homer, tied a league mark with his 71st pitching appearance. Baltimore's Stu Miller set the record last season. The major league record is 74, held by Jim Konstanty of the 1950 Philadelphia Phillies.

WGET WILL AIR SEVEN COUNTY GRID CONTESTS

Seven Adams County football games from Littlestown and Gettysburg will be broadcast on WGET during the upcoming 1964 football season.

The series of live, play-by-play broadcasts will begin Friday night from Memorial Field in Littlestown when the Thunderbolts open their '64 campaign against York Suburban High School.

Subsequent Littlestown broadcasts, all from Memorial Field, will be carried on September 25 and October 9. The September 25 game will match the Thunderbolts against Hanover and on October 9 they will play South Western.

GAME HERE OCT. 2

The first broadcast from Kurtz Field, here in Gettysburg, will be October 2 when the Warriors clash dith Camp Hill. The three remaining Gettysburg High broadcasts will be October 16 when the local high school entertains Northern Joint of Dillsburg, October 30 against Big Spring of Newville and November 13 against Biglerville.

The broadcasts each Friday night will begin with a 10-minute pregame show at 7:50. The actual play-by-play commentary is slated for 8 p.m.

LIST SPONSORS

Cooperating sponsors on the Littlestown High broadcasts will be Sylvania Credit, Sterner's Market, the Littlestown National Bank, Patterson's Meat Market, the Littlestown Fraternal Order of Eagles, Crouse's Crane Service, Dean's Shoe Store and Marvin's Cut-Rate.

Participating sponsors on the Gettysburg High broadcasts will be C. E. Williams' Sons, Gettysburg Glass Co., Shetters' Tire Service, Gettysburg News and Sporting Goods, Bern's Cycle Shop and the Hoagie House.

In addition to its complete coverage of all county football throughout the week, WGET will also broadcast interviews with Don Young, head Gettysburg High football coach, and Bill Heyser, head coach at Littlestown High School, on Friday evening on the station's "Spotlight on Sports" show at 5:05 p.m.

ZEKE RESSLER PSU STANDOUT

UNIVERSITY PARK, Pa. (AP)—They call him the "Quiet Man" of Penn State—the man who would rather play than talk.

His loudest remark is usually no more than a big smile.

"Sometimes you can even forget he's around," said one teammate—"forget, that is, until he gets down there on that football field and starts knocking everybody down."

That's the story on Glenn Ressler, Penn State's outstanding center-middle guard.

"Zeke", as he often is called, hails from the tiny Central Pennsylvania community of Leck Hill whose population numbers less than the Penn State football squad. The nearest "big city," Ressler will tell you, is Dornsife (pop. 200).

Draft Rules For Dairy Farmers For Losses Due To Pesticide In Milk

By JOSEPH R. COYNE
AP Regional Service

WASHINGTON (AP) — The Agriculture Department has started drafting the regulations and procedures under which it will pay dairy farmers for milk taken off the market because of pesticide residue in it.

But department officials were still uncertain today when the first payment will be made.

The payments were authorized by Congress as part of the Johnson administration's anti-poverty program but the administration has not yet asked Congress for money for the purpose.

MAY ASK $88 MILLION

A spokesman for the House Appropriations Committee said there are indications the administration plans to seek $8.8 million for the payments but the committee has had no official notice from the Budget Bureau.

Officials of the dairy division of the Agriculture Stabilization and Conservation Service met Wednesday to make a start on setting up the machinery so it will be ready when the money is made available.

One official, noting that the department can make payments only until next Jan. 31, said "whatever we do will have to be done very quickly."

THIS YEAR ONLY

The Senate made the indemnity payments part of the administration's antipoverty program and the provision was accepted by the House.

It would apply only to milk removed from market between last Jan. 1 and next Jan. 31 because it contained "residues of chemicals registered and approved for use by the federal government at the time of such use."

The payments to each farmer could continue until his milk is again accepted for the commercial market.

A measure providing for similar payments was introduced earlier this year by Rep. J. Irving Whalley, R-Pa.

GOING TO FIGHT EXTRADITION TO DELAWARE

LOCK HAVEN, Pa. (AP) — Franklin W. Cannon Jr., 21, accused of breaking probation, said Wednesday night he would fight extradition to his home state of Delaware where he faces a possible 20 lashes at the whipping post.

Cannon was arraigned on a fugitive from justice warrant and ordered held in $5,000 bail by Justice of the Peace Lloyd Heverly of Woodward Twp.

Police in nearby Renovo arrested Cannon on Monday after being informed by Delaware authorities that he was wanted on charges of passing bogus checks.

WAS ON PROBATION

Judge A. H. Lipez of Clinton County said he would appoint an attorney to represent Cannon in his fight against extradition.

Cannon, whose home is in Dover, was sentenced to 20 lashes in 1963 under an old Delaware statute. The state Supreme Court, however, ordered the lower court to make a study to determine if a whipping would benefit the young man.

In the meantime, Cannon was placed on probation.

UMW BOOSTS MEMBER DUES

MIAMI BEACH, Fla. (AP)—The United Mine Workers has voted to tighten requirements to run for office, to extend the terms of officers from four to five years and to raise member dues from $4.25 to $5.25 monthly.

After an hour-long debate Wednesday, the union changed its constitution to require support of 50 locals to nominate candidates instead of the five now needed.

Opponents charged that the change was a maneuver to perpetuate established officers.

However, the amendment will not affect the Dec. 6 election in which UMW President W. A. (Tony) Boyle is seeking re-election against Steve Kochis, of Bobtown, Pa. Nominations for that referendum balloting are in.

The vote to raise the dues was unanimous, with the increase going to the locals. John Owens, secretary-treasurer, told the delegates the hike was needed because of added expenses.

No matter how dry the climate, people who live in mud houses on an oasis do not pray for rain. A rare desert cloudburst can dissolve all the dwellings in the oasis.

Expect Arrest Of Riot Instigators

PHILADELPHIA (AP)—The alleged instigators of Negro rioting and looting in North Philadelphia the weekend of Aug. 28 will be arrested this weekend or early next week, Mayor James H. J. Tate has announced.

Tate told a news conference Wednesday that the arrests follow intensive investigation of the riots by Police Commissioner Howard R. Leary.

But he declined to answer questions on how many alleged instigators were involved, whether they were from out of town and whether they represented organizations.

Building World's Greatest Star-Research Center High In Mountains Of N. Chile

By RALPH DIGHTON

TUCSON, Ariz. (AP) — Atop a lonely, windswept peak in northern Chile a group of American universities is building the nucleus of star-research center that could become the greatest in the world.

The story comes from Dr. N. U. Mayall, director of Kitt Peak National Observatory near Tucson, where the administration wants to build a $10-million, 150-inch telescope, second only to the 200-inch telescope on Palomar Mountain in California.

Kitt Peak is operated by the Association of Universities for Research in Astronomy — AURA — under contract to the National Science Foundation.

SURVEYED SITES

AURA three years ago began a survey of possible observatory sites in South America and recently selected the 7,200-foot Chilean mountain called Cerro Tololo, 300 miles north of Santiago.

Here will be built, with $500,000 in Air Force funds, a 60-inch telescope to be trained on such little-studied targets as the Clouds of Magellan — the two galaxies nearest us — and the Milky Way, which lies just below the horizon of Northern Hemisphere telescopes.

Germany, France, Belgium, Holland, and Sweden have decided to locate a major observatory in northern Chile with six instruments with a mirror up to 140 inches in diameter.

100-FOOT TOWERS

This group, called ESO — for European Southern Observatory — may select one or more of the six peaks in AURA's 180-square mile reservation or it may choose other land near them.

There are reports, so far unconfirmed, of a hush-hush project to build with private funds a giant telescope rivaling or exceeding in size the 200-inch one operated by California Institute of Technology and the Carnegie Institution of Washington.

Using 100-foot-tall towers with sensitive devices to detect small heat pockets in air currents flowing up and over 6,875-foot Kitt Peak, scientists have found that even these small thermals can distort the faint light coming from distant stars.

MOUNTED ON STILTS

As a result, the dome housing the new 150-inch scope planned here may be mounted on stilts 100 to 300 feet high. This would place the scope's highly polished mirror in quiet air above the flow of thermals.

Another "first" in astronomy being pioneered in Tucson, which probably will have application at the new Chilean center, is automatic operation of a telescope by remote control.

Scheduled to go into operation late this year, this telescope at first will be controlled via telephone lines from headquarters in Tucson 30 miles away. Later it will be run by microwave radio.

MAY WORK IN COMFORT

The dome will open and close, the telescope will train on distant stars, and what it sees will be taped and sent back to headquarters for study — all by remote control.

Perfection of this technique would mean that Orbiting Astronomical Observatories — OAO — to be launched in the next few years will not have to give up space for human occupants.

Astronomers who now often shiver through winter nights in open domes on mile-high mountains tending their huge mechanical "eyes" would be able to work in shirt-sleeve comfort in laboratories near their homes.

A Lovelier You

By MARY SUE MILLER

A LITTLE MAKE-UP IS A DANGEROUS THING. When a woman settles for a dab of powder and a gash of lipstick, her make-up is showing. It looks as botched and obvious as an overdone job.

There is a happy medium, and it aims at the natural loveliness that keeps step with the times. To achieve the effect, a number of cosmetics and a subtle hand are required. You wear quite a bit of make-up but its presence goes unnoticed. All one sees is a lovelier you!

New shades and types of make-up conspire toward a natural finish finish. It begins with a film of translucent, pinkish beige foundation and a complimentary powder-toned, of course, to your own coloring. The next step is a pink blusher, whisked on with a brush. All of which makes for a glow that seems to come from within.

So that eyes appear soft and melting, new shadows are light as air and only hint at a tint. Shades just whisper of smoky beige, blue or green. For lusher lashes, extender mascaras come in deep, sooty browns and blacks. Liner matches the lashes and is applied in a hazy stroke. The eyebrow is gentled by way of powdery cake eyebrow make-up, in realistic shades.

There's more realism for the lips, too. Lipsticks are a shimmer with rosy and ruby tones. That you wear a red-red shade is vital. It brings the mouth, a luscious feature long neglected, into rightful focus. Nature's own!

PA. GOVERNOR TALKS ABOUT SAFETY TODAY

HARRISBURG (AP) — Gov. Scranton said today that government has a massive responsibility in the promotion of industrial safety.

But, he added, "only a wholehearted, sincere, honest working partnership between all segments of labor and industry, only a non-ending vigil" on the job can save human life.

The governor made his remarks in a speech prepared for delivery at the annual State Industrial Safety Conference.

LAWS NOT ENOUGH

"We can suggest," said Scranton. "We can pass laws and issue proclamations. We can even conduct programs of rigid inspection. But only you can make your own safety program effective."

The governor said that "nothing is more distressing" to him than the needless loss of human life. He told the delegates that their efforts are a "most humane endeavor." He spoke of the incalculable loss and grief that accompany death and injury, of the loss of income for the family and of the impact of such "tragic" waste on the entire community.

Forty-eight years ago, the governor noted, when the Department of Labor and Industry first compiled safety records, the state lost 2,670 workers in accidental deaths, in addition to 253,000 occupational injuries.

599 LAST YEAR

In 1963, the total number of deaths on the job was 599. Eighty-one thousand others were injured.

This is "a vast improvement" said Scranton, especially in a time of greatly increasing totals of industrial workers.

But "we can never be satisfied until the incidence of accidents is reduced to zero," Scranton said. "So long as the danger of accidents exists," there must be renewed dedication to "the elimination of the needless waste of life and property."

EX-MAYOR IS ARRESTED IN CONSPIRACY

READING, Pa. (AP) — Dist. Atty. W. Richard Eshelman announced Wednesday the arrest of former Mayor John C. Kubacki on charges of conspiracy to commit extortion and extortion.

Kubacki was accused of demanding payotis from the operator of an alleged house of prostitution during his term of office. He served as mayor from 1959-1963.

Also named in arrest warrants connected with the alleged extortion scheme were Benny Bonanno and Abraham Minker. They were charged with conspiracy to commit extortion and aiding and abetting extortion.

CONVICTED PREVIOUSLY

Kubacki and Minker, who is now serving a federal prison term for evasion of gambling taxes, were convicted last April of extortion in the sale of parking meters to Reading. Kubacki has been free on bail pending the outcome of an appeal of his conviction.

Bonanno, sentenced recently to a three-year prison term for his participation in a dice game raided by federal agents several years ago, has also been free on bail pending an appeal of that sentence.

Both Kubacki and Bonanno retained their freedom by posting $1,000 bail Wednesday.

WORKMAN KILLED

BINGHAMTON, N.Y. (AP)— Raymond Archibald, 34, of Carbondale, Pa., and Delhi, N.Y., was killed Wednesday when he was run over by a roadway loader while working on an arterial highway project.

Police said Archibald, a truck driver, and two other men were picking up broken glass from the roadway of the construction site when the accident occurred.

New Propellant Speeds Launching

CAPE KENNEDY, Fla. (AP) — Aerojet-General Corp. reports rocket fuels that could zip a missile a mile away from its launch site within one second after ignition.

Company officials say tests have shown the new propellant has the fastest burning rate ever obtained in nonexplosive solid fuels. The Air Force is considering possible uses.

READING FAIR OPENS SUNDAY

READING — Cetlin and Wilson Shows carnival midway, speedway and grandstand attractions, roller-skating and teen-age dancing are expected to add up to fun for all at the Reading Free Fair, opening Sunday for a seven-day run.

The fair, which continues through Saturday, Sept. 19, will be operating for the third straight year with no admission charge at the front gate, an innovation which has resulted in banner attendance since its inception here. There will be no admission charge at the front gate either this Saturday, when the fairgrounds will open for a public preview of the exposition, with most of the midway features and concessionaires slated to be in operation for the benefit of the early birds.

The Joie Chitwood Thrill Show will be the race track feature this Saturday night, followed on Sunday by motorcycle races in the afternoon and the Jack Kochman Hell Drivers in the evening.

Cetlin and Wilson Shows "World on Parade" again will be the midway headliner, with more than 50 rides, shows and exhibits for young and old. The sensational simulated ski-lift—the Skyliner—will be back at the fair, with C&W slated to introduce another ride, the Trabant, this year.

Fair officials are expecting abounding entertainment in a week-long series of race track and grandstand stage events ranging from motorcycle and stock car races to a mammoth destruction derby and an evening of lighthearted fun featuring the Catharine Behney Dancers, direct from the Atlantic City Steel Pier and Miss America Pageant. The Behney troupe will give two shows Monday evening for the benefit of the Reading Police Athletic League.

ADVERTISE IN THE TIMES

GETS HEARING ON CONFESSION

BLOOMSBURG, Pa. (AP) — Frank Earl Senk, under a death sentence in the slaying of a 13-year-old girl, has been granted a hearing, tentatively set for October 20, on whether his 1962 confession was voluntary.

Senk was convicted of murdering Jane Mary Benfield, of Centralia, Pa., in July, 1961.

Judge C. W. Kreisher, who Wednesday set the tentative date, presided over Senk's trial in 1962. At that time Judge Kreisher, after conducting a hearing in the absence of a jury on the issue of the voluntariness of Senk's confession, allowed it into evidence.

Defense Attorney Gailey C. Keller told Judge Kreisher Wednesday that Senk had agreed to allow a decision on the basis of the record made at the 1962 hearing and a press release issued by former State Police Commissioner Frank G. McCartney shortly after Senk's arrest in 1962.

CHARTER LIONS AT TANEYTOWN ARE HONORED

TANEYTOWN — The Taneytown Lions Club honored charter members at the 18th charter night observance held Tuesday night at the Holiday Inn, Gettysburg. Approximately 100 Lions and guests were present.

The Rev. Dr. Nevin E. Smith, pastor for the past 24 years of Emmanuel United Church of Christ, Hanover, was guest speaker.

President Thomas H. Smith opened the occasion with patriotic observances. The invocation was offered by the Rev. Edmund Welker, pastor of Benjamin (Krider's) United Church of Christ, Westminster.

DR. SMITH SPEAKS

Greetings to commemorate the 18th anniversary were extended to President Smith. Dr. Frank O. Wargny, program chairman, presented Merwyn C. Fuss, who introduced the speaker, Dr. Smith.

The Rev. Dr. Smith expressed appreciation on the invitation to share in the anniversary occasion. He paid tribute to the service clubs in their contributions to the community and best of all their service to people, which is a lasting contribution to the world.

President Smith said the club was chartered in July, 1945 at Taneytown Inn and closed its charter in August with 22 members. The roster now carries 44 members. Ommert J. Hoke was the charter president. A short memorial tribute was paid the late Merle Ohler an active charter member.

CHARTER MEMBERS

Charter members recognized were Murray M. Baumgardner, Curtis G. Bowers, Harry B. Dougherty, Charles W. Eckard, Theodore F. Fair, Robert W. Feeser, Merwyn C. Fuss, Delmar E. Riffle, Thomas H. Tracey and Wilbert N. Hess, and near charter members, the Rev. Edmund Welker, Norman Sauble, Singleton Remsburg, Kenneth Shorb and Raymond Perry.

Perfect attendance was recognized for Curtis Brown, Harry Doughery Sr., Charles Eckard, Robert Feeser, Wilbert Hess, Delmar Riffle, the Rev. Edmund Weiker, Singleton Remsburg and Raymond Perry.

BAND ENTERTAINS

Guests introduced by Wargny were A. Lavern Fogle, cabinet secretary-treasurer and Mrs. Fogle; Walter Zimmerman, public relations chairman and Mrs. Zimmerman; Paul A. Lowman, deputy district governor.

Lion John T. Hottinger introduced the entertainment for the evening, the Little German Band of Frederick. They played for singing and dancing.

Serving on the charter night committee were Lions Wargny, Fuss and Hottinger.

Authorize Sale Of $50 Million Bonds

HARRISBURG (AP)—A syndicate headed by Drexel and Co. of New York was authoriz edby the General State Authority Wednesday to sell its newest $50 million bond issue.

Drexel submitted the lowest interest bid of 3.35004 per cent, just shading the offer of the Chase Manhattan Bank.

The bid on the current bond issue compares to a 3.24 per cent rate on the previous $50 million issue.

Chase Manhattan submitted a bid of 3.3503 per cent.

Money from the bond issue will be used to continue Pennsylvania's capital improvement and building program. The net interest cost on the Drexel bid will total $27,400,588.

TV NETWORKS PROMISE NEW SERIES SUNDAY

By CYNTHIA LOWRY
AP Television-Radio Writer

HOLLYWOOD (AP) — Network television is poised on the threshold of its new season which officially starts Sunday. With all the carefully planted rumors about surprise hits, it is interesting to look back a year — at the supposed to-be-hits of only 12 months ago.

There was, first, "100 Grand," which ABC fondly believed would restore the old-fashioned, big-money quiz show to its former glory. It was the first disaster of the season, slipping away after a couple of dreary performances — to be replaced by "Laughs for Sale" which didn't last much longer.

Then there was NBC's "Harry's Girls," that limped along, dodging Jack Paar's fire, until it was replaced with "That Was the Week That Was."

CBS tasted its share of ashes, too, with "Tell It to the Camera."

CONTRACT SERIES

Other programs would have disappeared earlier, had not the network contracted for a minimum number of shows — ABC's "Jaimie McPheeters," "Channing," and the Edie Adams-Sid Caesar series of short specials.

Then there was the flashiest failure of the season, CBS' "Judy Garland Show."

The season lies ahead, and the experts are busy — sight unseen in many cases — handicapping the various new entries. One expert, an advertising agency program analyst writing in the trade magazine, "Television," points out that in many cases it is not how good a show is but where it is located that spells its success or failure.

SUCCESS FORECAST

The analyst, James H. Cornell, predicts that, for still another year the two top programs will be CBS' "Beverly Hillbillies" and NBC's "Bonanza." The only new show that he expects to climb into the Nielsen top 10 show ratings is CBS' "Cara Williams Show," which just happens to follow "Beverly Hillbillies" and the top rated "Dick Van Dyke Show" on Wednesday nights.

Cornell also expects that only about one out of three of the new shows will be counted a success — about par for a normal season.

CLOTURE VOTE TODAY SEEMS TO BE DOOMED

By ERNEST B. VACCARO

WASHINGTON (AP) — A move to shut off debate in the Senate battle over the Supreme Court's legislative reapportionment decision appeared crtain of defeat today.

Republican Leader Everett M. Dirksen of Illinois and 16 other senators are trying to end debate on Dirksen's proposal to delay for at least a year federal court orders carrying out the high tribunal's ruling that both houses of state legislatures be apportioned on a population basis.

President Johnson, meanwhile, was reported backing a compromise that states it is the "sense of Congress" that legislative reapportionment be delayed. This would not have the force of Dirksen's proposal.

STUMBLING BLOCK

The controversy is one of the chief stumbling blocks to adjournment of Congress. Dirksen seeks to attach his proposal to the $3.3-billion foreign-aid authorization bill to prevent any possibility of a presidential veto.

The cloture vote — which requires two-thirds approval from those senators voting — is expected to fall short. It is aimed at a group of senators who have been trying to talk Dirksen's rider to death.

Sen. George D. Aiken, R-Vt., a supporter of the cloture petition, predicted it would muster "over 50 votes and less than 60." Sixty-seven would be required to invoke cloture if all the 100 senators vote.

DELAY REAPPORTIONMENT

Dirksen's rider would delay for a year or more court-ordered reapportionment of state legislatures "in the absence of highly unusual circumstances."

While opponents of the rider appeared to have enough votes to defeat cloture, Dirksen said he is confident he can muster a majority to defeat any subsequent motion to table and thus kill his rider and clear the way for passage of the foreign-aid bill.

Dirksen's aim is to buy time until legislatures can ac ton a constitutional amendment preserving their present apportionment procedures.

Drought Effects Are Intensified

HARRISBURG (AP)—Drought conditions were intensified in Pennsylvania last week as temperatures ranged one to three degrees above normal and rainfall was negligible, according to the Federal State Crop Reporting Service.

The service in its weekly crop survey said that 10 of 18 weather stations in the state recorded a trace to a third of an inch of rain. Seven reported no rain at all.

In the Harrisburg area, localized storms produced 1.73 inches of rainfall, the service reported.

Crop development has been normal in western counties, where solid moisture has been adequate.

Team Searches For Fallen Meteorite

SEQUOIA NATIONAL PARK, Calif. (AP) — A scientific team spent another fruitless day in their search for a meteorite which blazed across the sky Sept. 3, before crashing to earth in a remote region of Sequoia National Park.

The team of Griffith Park Observatory staff members, headed by Ronald Oriti, is racing the clock, hoping to find some fragments of the celestial body before minerals and water contaminate them.

PITCHING — Mickey Lolich, Detroit, pitched a five-hitter in the Tigers' 4-0 victory over the New York Yankees, posting his third straight shutout and seventh consecutive triumph to bring his record to 16-7.

CUT PASTURE LAND GRANT

WASHINGTON (AP) — A $17 million grant program designed to encourage feeder livestock operations has been stripped from the $1 billion Appalachia measure with the consent of the bill's floor manager.

Sen. Jennings Randolph, D-W. Va., agreed Wednesday to an amendment knocking out the proposal, after it came under heavy attack from western cattle state senators.

He said it might have been possible to save the provision in the Senate but it would have led to trouble in the House.

Under the proposal, the Secretary of Agriculture would have been authorized to make grants to landowners in the 11-state region to assist in the improvement and development of pastureland for livestock.

Sen. Lee Metcalf, D-Mont., one of the sponsors of the amendment against the program, pointed out that recent surplus production and falling prices had caused considerable trouble to the beef cattle industry.

The Appalachia measure, part of President Johnson's antipoverty program, has two main parts: A broad highway program for the region and a stepped-up series of federal grants and training programs.

GRIFFITH IN LONDON

LONDON (AP) — Welterweight champion Emile Griffith of New York arrived in London by plane Wednesday night to prepare for his Sept. 22 title defense against British champion Brian Curvis.

One Killed As Car Hits Bridge Railing

GLADWYNE, Pa. (AP) — A Norristown youth was killed and another man injured today when their car hit a railing on the Hollow Road Bridge of the Schuylkill Expressway.

Police said the dead youth was Howard Bowher, 18, of Norristown, a passenger in a car driven by William H. Hodges, of Bridgeport, Pa.

Hodges was taken to Lankenau Hospital where his condition was listed as not serious.

In Memoriam D

ANGELL: In loving memory of our dear father, Walter M. Angell, who passed away two years ago today, September 10, 1962.
We do not need a special day
to bring you to our mind.
The days we do not think of you
are very hard to find.
Loving thoughts of one so dear
often bring a silent tear.
He lives with us in memory
still,
Not just today, but always will
Beautiful memories cherished
forever
Of the happy days we spent
together.

TSHOMBE WILL MISS GOAL HE SET LAST JULY

By LYNN HEINZERLING

LONDON (AP) — Moise Tshombe is not going to make his deadline for showing the world a new Congo in three months.

The flamboyant, fast-talking secessionist leader from Katanga took office as premier in Leopoldville July 10 with the brash promise to reform Africa's problem child.

With one month to go, Tshombe and the world are still faced with the same old Congo — sullen, rebellious and dangerous.

NEW INGREDIENT

Tshombe has added one new and refreshing ingredient to the Congolese stew, a political leader who is constantly on the move and who acts. His stated objectives for the Congo — national reconciliation, prosperity and peace — are beyond reproach.

The Congolese central government has not seen a leader with his energy and dash since the unhappy days of the late Premier Patrice Lumumba.

But Tshombe is being defeated by the same enemies that have frustrated the Congo's leaders from the beginning of independence four years ago — tribal hatreds, political immaturity, corruption and apathy.

FORMIDABLE FOES

With or without the assistance of the Organization of African Unity, these are formidable foes. Most of Africa's leaders are fighting the same enemies at home with varying success.

Tshombe, now dedicated to a unified Congo, is at present facing rebellions in Kwilu, North Katanga, Kivu and Oriental provinces. Stanleyville, one of the country's most important cities, is in rebel hands.

Red Chinese diplomats and agents openly are supporting the rebels with money and advice on guerrilla tactics. They have been operating through rebel headquarters established in Brazzaville and Bujumbura with the complacent assent of the Congo's neighbors, the Congo Republic and Burundi.

U. S. CRITICIZED

African nationalist leaders have criticized the United States for supporting Tshombe's central government after opposing him when he was trying to take Katanga out of the Congo. A small number of U.S. transport planes and trucks have been placed at the disposal of the Congolese national army.

Washington says there has been no reversal of U.S. policy in the Congo. From the first day of independence, Washington has worked and spent its money for a united Congo, strong and prosperous enough to fill a strategic area in the heart of Africa.

INTERTRIBAL MAYHEM

What is going on in the Congolese provinces is not war in the accepted sense. It is a kind of intertribal mayhem which has been practiced in the Congo for centuries.

It has a particularly menacing significance now because it is being deliberately provoked by political dissidents supported by Chinese Communists.

The real losers are the patient and backward people of the Congo. They have been waiting four years for the bloodshed to cease and the independent Congo to produce the prosperity and peace promised by their leaders.

Delay Report On Police Brutality

HARRISBURG (AP)—A special governor's commission investigating charges of police brutality in Chester racial demonstrations has delayed submitting its final report to the end of this month.

Gov. Scranton had requested that the report be ready by Sept. 1, but Thomas W. Pomeroy Jr., commission chairman, told the governor in a letter Wednesday, "that the intensity of the investigation made it necessary to postpone that deadline."

Pomeroy said the commission has held five all-day sessions and has interviewed 26 witnesses.

4 New Projects Approved By GSA

HARRISBURG (AP) — The General State Authority Wednesday approved the following new projects at its monthly meeting here:

Construction of a marina at Neshaminy State Park, $568,500.

Planning and design of commuting student center at Kutztown State College, $25,375.

Planning and design of commuting student center at Lock Haven State College, $25,791.

Planning and design of library alterations at Millersville State College, $11,200.

Restoration of Cornwall Furnace Museum at Cornwall, Lebanon County, $50,000.

FLASHY FINISH

LITTLE ROCK (AP) — Morris Stevens put a spectacular finish on Arkansas' drive for the Eastern Division championship in Pacific Coast League by pitching a no-hit game as the Travelers defeated Dallas 3-0 Wednesday night. Only one Dallas player reached base, on an error.

5,000 TO HEAR LBJ TONIGHT AT HARRISBURG

HARRISBURG (AP) — President Johnson brings his campaign for election to a full term into Pennsylvania tonight with a speech before an estimated 5,000 Democrats at the State Farm Show Building.

The $100-a-plate party fund raising dinner officially will kickoff the statewide campaign in which the top race will be fought for a U.S. Senate seat now held by Republican Hugh Scott.

Genevieve Blatt, who narrowly won the Democratic nomination for the Senate, will be called on to introduce the president in his appearances both inside and outside the building.

PROGRAM AT 9

The formal program inside will begin about 9 p.m. with speeches by the president and top party officials being carried on a statewide radio and television network between 9:30 and 10 p.m. The broadcast will cost the Democrats about $25,000.

The presidential party is expected to arrive from Washington by helicopter about 8 p.m. Johnson first will address a crowd outside the building, then attend a reception of the President's Club, composed of persons who have contributed $1,000 or more to the campaign.

Mrs. Lady Bird Johnson plans to meet the president at the Farm Show Building after flying here from New York City. Her commercial flight is scheduled to arrive at 8:50 p.m. at the Harrisburg-York State Airport.

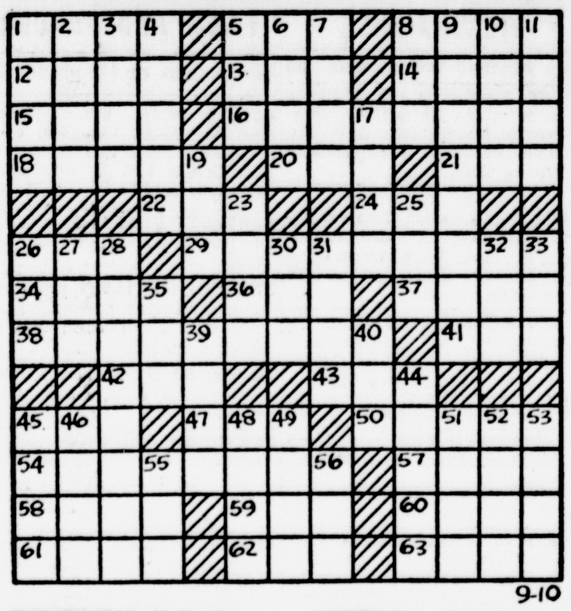

LEADER AND LAWRENCE

Other speakers at the dinner will include former Govs. George M. Leader and David L. Lawrence.

Eighty young ladies, wearing "LBJ" hats, will usher the guests to the long rows of tables in the massive main exhibition hall, which is costing the party upward of $2,500 for the night.

The president will return to Washington immediately following his address.

ASKS STUDY OF CANAL ROUTES

By JOSEPH R. COYNE

WASHINGTON (AP) — Rep. Daniel J. Flood, D-Pa., called today for appointment of a high-level presidential commission to study all possible routes for a new canal between the Atlantic and Pacific Oceans.

"This is not a job for boys," Flood said in referring to a resolution recently passed by Congress to set up a five-man commission to study a future sea-level canal in Central America.

This proposed study, Flood said, would be limited to Panama and only one type of canal —sea level.

"Every possible route should be examined and every type of canal should be examined," Flood said in an interview. "... If it's as important as they say it is; if we need a new canal; let's do it right."

Flood, one of the severest critics of the administration on Panama policy, was one of 23 House members who voted against the resolution when it passed the House last week.

He said it would merely add another report to the five already on file in the State Department.

SIGNS CONTRACT

NEW YORK (AP) — Veteran goalie Jacques Plante and rookie Rod Seiling, acquired in two of the biggest National Hockey League trades of the past decade, have signed their 1964-65 contracts, the New York Rangers said Wednesday.

Dattoli Named As New State Director

HARRISBURG (AP) —Dr. John A. Dattoli of Camp Hill is the new director of the division of behavior problems and drug control in the Department of Health.

Dattoli was named to the $17,839-a-year post Wednesday. The position had been vacant since February, 1963.

Dattoli until June 9 was chief of the plant health services in the Division of Occupational Health. He resigned to become chief of the District of Columbia Health Department's bureau of special services.

In his new post he will head the state's drug, narcotics, and alcoholism control programs, in addition to a section dealing with the behavior patterns of motorists.

FAMILY DINNER

Easy-to-prepare stew that uses an economical meat.

Phyl's Lamb Neck stew with Potatoes and Vegetables
Hot French Bread
Fruit Salad

PHYL'S LAMB NECK STEW

3 pounds (about) lamb neck slices
1 tabldspoon butter or margarine
1 small onion, diced
3 ribs celery, diced
1 teaspoon each ground allspice, curry powder and vegetable bouquet squce
1 can (1 pound 12 ounces) whole white potatoes
1 cna(1 pound) mixed vegetables
Salt and pepper
2 tablespoons chili sauce

Cut meat away from bones, removing all fat. In a large skillet brown the meat in the hot butter. Add the onion, celery, allspice, curry powder and vegetable bouquet sauce; drain the potatoes and add the potato liquid. Mix well and bring to a boil; cover tightly and simmer about 1 hour. Add drained potatoes; simmer until meat is very tender — 40 to 50 minutes. About 20 minutes before meat is done, add mixed vegetables (with their small amount of liquid), salt and pepper to taste and the chili sauce. Makes 6 servings.

FAMIL YLUNCH

No extra sugar is added to this fruit sauce.

Egg Chive Salad Rolls
Cake Squares Raspberry Sauce

RASPBERRY SAUCE

2 teaspoons corn starch
½ cup cold water
1 package (10 ounces) frozen raspberries
1 tablespoon lemon juice

In a small saucepan gradually stir the cold water into the corn starch, keeping smooth. Stir in thawed raspberries with their juice. Cook and stir constantly over low heat until slightly thickened and clear. Remove from heat; stir in lemon juice. Makes 1½ cups.

COFFEE BREAK

One of our favorite inventions!
Chocolate Vein Cake
Coffee

CHOCOLATE VEIN CAKE

1 cup sifted flour
½ teaspoon baking soda
½ teaspoon salt
¼ cup butter
½ cup sugar
½ teaspoon vanilla
1 large egg
½ cup commercial sour cream
⅓ cup finely chopped pecans
⅓ cup sweet chocolate - flavored beverage mix

Sift together the flour, baking soda and salt. Cream butter, sugar and vanilla; beat in egg thoroughly. Stir in sifted dry ingredients in 4 additions, alternately with sour cream, just until smooth. Spread about half (a little less than 1 cup) of the batter over the bottom of a buttered 8-inch size glass pie plate; sprinkle with the pecans mixed with the chocolate mix. Spoon over the remaining batter, spreading lightly with a small spatula. (It doesn't matter if a little of the chocolate-nut mixtures blends with the batter). Bake in a moderate (350 degrees) oven until browned and top springs back lightly when touched — 35 to 40 minutes; make sure center of cake is baked through. Cool in pie plate on wire rack; cut in wedges and serve warm.

FRIDAY FARE

This sauce may seem thick but you'll find it's just right when this nippy tuna disk is served.

Deviled Tuna Green Salad

DEVILED TUNA

2 cans (6½ or 7 ounces each) tuna in vegetable oil
¼ cup flour
1 cup milk
1 teaspoon minced chives
½ teaspoon each salt and dry mustard
1 teaspoon Worcestershire sauce
¼ teaspoon tabasco sauce
2 slices bread, crumbed fine and mixed with melted butter
Paprika

Drain tuna; measure 4 tablespoons of oil into a saucepan; stir in flour, then milk. Stir in chives, salt, mustard, Worcestershire and tabasco. Cook and stir constantly until thickened and boiling. Stir in drained tuna. Spoon into four scallop shells. Sprinkle with buttered crumbs and paprika. Bake in a hot (400 degrees) oven 15 minites. Makes 4 hearty servings.

Grapefruit Honey Sherbet

GRAPEFRUIT HONEY SHERBET

2 eggs
½ cup each sugar and honey
2 cups buttermilk
1 can (6 ounces) frozen grapefruit juice concentrate thawed

In a large bowl, beat the eggs until lemon colored. Gradually beat in sugar, then honey. Stir in buttermilk and undiluted grapefruit concentrate until blended. Pour into a metal pan; place in freezer. Freeze until almost firm — about 1 hour. Turn into large mixer bowl; break up into small pieces and beat smooth. Return to freezer pan or serving dishes and freeze until firm — about 3 hours. Makes 1 quart.

TOMATO AND BEAN SPROUT SALAD

6 medium tomatoes
1 can (1 pound) bean sprouts
French dressing and romaine

Wash tomatoes; cut a slice from stem end of each; scoop out seeds. Cut a thin slice from each bottom, if necessary, to have stand straight. Drain bean sprouts; mix with French dressing to taste; stuff into tomatoes. Serve with romaine and extra dressing. Makes 6 servings.

Suspects Proved Guilty Either Way

WEST LIBERTY, Ky. (AP) Two men pleaded innocent to charges of possessing a moonshine still, told Judge Joe Freytag and the jury that they stumbled on the still while squirrel hunting and produced a dog to prove it. While the jury was out reaching an innocent verdict, Game Warden Billy Collins took out warrants charging the pair with squirrel hunting out of season. They pleaded guilty and paid $25 fines.

ITALIANS LOVE MRS. KENNEDY, AWAIT RETURN

By GERALD MILLER

RAVELLO, Italy (AP) — Jacqueline Kennedy has become a legend for Ravello. And other Americans who visit this little mountaintop town above the gulf of Salerno find themselves drawn into the warm circle of affection and respect Ravello has for her.

Ever since Mrs. Kennedy spent her summer vacation here in 1962 other travelers from the United States seem to experience a special kind of cordial reception here as well.

The memory of Mrs. Kennedy's stay is everywhere. The rented villa where shw stayed with her daughter, Caroline, and her sister and brother-in-law, Princess and Prince Stanislaus Radziwill, is now referred to as "The Kennedy Villa." And this despite the fact that Italy's own late king, Victor Enmanual III, used to live there.

PICTURES EVERYWHERE

There are pictures of Mrs. Kennedy in Ravello stores and shops.

In one of the little cafes on the tiny, peaceful central square a picture of Mrs. Kennedy with her husband, the late President, has a special place of honor.

The picture shows her and John Kennedy in Washington with the Washington Monument in the background.

Under the picture is a handwritten note in, Italian to the owner of the cafe signed by Mrs. Kennedy. It expresses her thanks "for the most delicious sweets in the world."

The people of Ravello remember Jacqueline Kennedy vividly. Their regard for her has been deepened by the death of hr husuband. Ravello had hoped to see her come back for another vacation sometime with him.

FRIENDLINESS AND MORE

Americans who visit Ravello now are often struck by the show of friendliness and kindness that seems to go far beyond the town's normal cordiality.

A recent visitor, Mrs. William H. Hoover of Kansas City, had a chance to experience this.

She was traveling with her daughter Penelope and they stopped their car in the square to ask the first passerby for directions to the villa where Mrs. Kennedy had stayed.

He offered to take the wheel himself and drive them there. When they arrived he spoke to the caretaker and the visitors were shown through the villa from top to bottom.

Before they left Ravello, their guide took them to the local winecellar where a famous Ravello wine is bottled. There they were presented with a carton of wine as a gift "for our American friends."

"I've traveled a lot," said Mrs. Hoover afterward, "but I've never ever had an experience like that. Mrs. Kennedy must have made a wonderful impression. How nice a world it would be if everyone were that kind."

MOTHER LISTS GLUTEN - FREE DIET FOR CHILD

By MARGARET WILSON

ROCK HILL, S.C. (AP) — Imagine a birthday party without cake and ice cream, a school lunchbox without a sandwich or spaghetti and meatballs without the spaghetti.

For 8-year-old Laurie Carpenter the "doing without" takes no imagination. It is a necessity. She is a celiac victim, allergic to gluten in wheat, rye and barley.

"It sounded so simple at first," says her mother Mrs. Carolyn Carpenter. "Just avoid foods containing gluten."

In the five years since the Carpenter family first learned of Laurie's allergy, Mrs. Carpenter has had the "monumental task" of finding recipes for food substitutes her daughter could digest.

"It hit me one day when I sat down and realized she could not have a sandwich," Mrs. Carpenter says.

COOKBOOK ONE RESULT

"Luncheon With Laurie," a cookbook filled with wheat-free rye-free and barley-free recipes, is one result.

Mrs. Carpenter says some collections of wheat-free recipes ar available but her cookbook probably is the first of its kind. It includes shopping tips based on personal experience.

"I found wheat additives in several foods that you wouldn't expect — commercial ice cream, mayonnaise and some rice cereals," she says. "Of course, flour and some hot dogs and sausages are out."

Her biggest challenge is Laurie's lunchbox. It has a casserole in a wide-mouth thermos bottle, a tossed salad and meringue cookies.

Laurie's cookies — baked without flour — have become a special treat for neighbor children and also for Laurie's own two sisters and one brother.

Mrs. Carpenter says her daughter "has just been wonderful about watching her diet and refusing offers of food from friends or strangers.

"It's embarrassing to her to get sick," Mrs. Carpenter explains. About a year ago, Laurie ate half a candy bar at school and was violently ill.

"There has never been a flood of tears over not being able to eat something someone els has," Mrs. Carpenter adds.

Th Carpenters believe "the hardest part" for Laurie is still to come. "She'll be different at a time when she will want to be like the other girls."

Mrs. Carpenter's saving grace has been that cooking always has been her hobby. "I do love to cook . . . thank goodness," she says.

Witty Hostess Rebukes Grumbler

NEW YORK (AP)—A hostess at the Tampa-St. Petersburg exhibit in the Florida Pavilion at the New York World's Fair proved to be quick with an answer.

A gruff-looking visitor growled at her, "I wouldn't be caught dead in Florida."

She replied, "You should, sir. We have some beautiful cemeteries."

SCHOOLS IN DEEP SOUTH INTEGRATING

By THE ASSOCIATED PRESS

Public school desegregation spread quietly into some of the smaller cities of the Deep South this week in what one civil rights leader called a turning point for the area.

Union Springs, Ala., a rural-oriented town southeast of Montgomery, faced the test today, when Negroes begin their studies with white classmates.

The community was expected to take the court-ordered integration in stride just as did Montgomery and Gadsden, Ala., Prince Edward County, Va., and Albany, Ga.

INTEGRATION IN ALBANY

Nine more Negroes planned to join 21 others in desegregated schools in Albany, a south Georgia city where hundreds of Negroes were jailed for street demonstrations in 1961-63.

Columbus, Ga., also began desegregation Tuesday, admitting two Negroes to a white school under court order. Every major Georgia city now has begun desegregation.

The pattern of nonviolence was described as "the turning point for the Deep South" by Constance Baker Motley of New York, the NAACP legal defense fund attorney who fought dozens of courtroom battles over desegregation.

"I don't recall any similar year of widespread peaceful compliance since the 1954 Supreme Court decision," she said in New York.

4 WHITES PICKET

At Montgomery, eight Negro [illegible] two white high schools and an elementary school. Four white men picketed Robert E. Lee High for a time but there were no incidents.

In Gadsden, a tense scene of demonstrations last year, three schools accepted 15 Negroes without incident. Only a few spectators were on hand and School Supt. I. J. Browder said the citizens "want to abide by the law."

Prince Edward County, Va., reopened its public schools but only seven white children were among the 1,400 Negroes. The schools were shut five years ago to avoid integration.

PRIVATE SYSTEM

The remainder of the county's white school-age children, 1,200 of them, remained in the private segregated system set up after the public schools were closed in mid-1959.

At Houston, Tex., 1,005 Negro pupils enrolled in 18 desegregated elementary schools.

At Canton, Miss., 13 Negro pupils were turned away when they attempted to enter the white Canton Junior-Senior High School. The city schools are not under any federal court order to desegregate.

ETHEL ENNIS NEW STAR IN JAZZ WORLD

By KATHIE DIBELL

BALTIMORE (AP) — An exciting singer named Ethel Ennis is hoping to rival the late Billie Holliday as Baltimore's leading contribution to the world of jazz.

Miss Ennis until recently was relatively unknown, except to a few connoisseurs of American jazz, and her loyal local following.

Then in July, Miss Ennis appeared at the Newport Jazz Festival with such stars as Louis Armstrong and Dave Brubeck.

SINGING 14 YEARS

One critic said she was "the individual star of the festival," and "a singer of extraordinary polish and finesse."

After 14 years on the small club circuit, the 31-year-old Negro vocalist was discovered.

Almost immediately she was booked at outstanding clubs in Chicago and New York. She was asked to appear on television shows. New record albums were cut for release later this year.

Variously described as a second Ella Fitzgerald, Sarah Vaughn or Peggy Lee, Miss Ennis tags herself a "progressive pop singer."

PREFERS BALLADS

"I hate to sing any song exactly as it's written. That's progressive. But I don't want to sing too far out so that people don't understand it," she said recently at the West Baltimore club where she has worked off and on for the past nine years.

She says she never consciously copied any singer's style.

Although jazz is her forte, Miss Ennis also likes what she calls the better rock 'n' roll numbers. "The ones that used to be called rhythm and blues, but since the whites are doing it, we call it rock 'n' roll."

"I prefer the ballads, the torchy things, the ones every day people feel."

STARTED ON PIANO

The daughter of a Baltimore baker, Miss Ennis started her musical career with piano lessons when she was 7.

"I hated it. I always wanted to be a ballerina. But my grandparents said I'd be dancing with the devil. Now I'm singing with him," she said.

Her first professional jobs were as a pianist.

"I never thought of singing in a club, only in church. Then one night they asked me to sing. I was well received and decided to hang up a shingle as a singer."

She is no stranger to the big bands. In 1958, Miss Ennis toured Europe with Benny Goodman's orchestra. The tour included appearances at the Brussels World's Fair.

REJECT RAISE IN PENSION OF COAL MINERS

MIAMI BEACH, Fla. (AP)— There will be no increase in the current $75 monthly pension of the nation's soft coal miners until the depleted retirement fund can be rebuilt.

Bituminous-field workers attending the quadrennial convention of the United Mine Workers of America were told this Tuesday by vice president R. O. Lewis.

Lewis answered spirited demands for restoration of a $25 monthly reduction in the regular $100 pension invoked several years ago when coal production decreased.

PAY ROYALTIES

The pension fund is fed by a 40 cents a ton royalty paid by coal operators. A return to the full pension would cost $19.5 million a year.

Lewis said a pension fund surplus, created by increased production, was not at the stage where pensions could be boosted. He said the best increase that could be paid would amount to $14 a year per pensioner.

On the convention floor, local unions sponsored 152 resolutions demanding the higher pension. Some delegates rose to insist that the action be taken before the Sept. 15 close of the meeting.

Anthracite or hard-coal workers, were not affected by the decrease. They get pensions of $30 a month based on a 70-cent royalty.

JOHNSON TO SPEAK

The convention set in motion an endorsement of President Johnson. But this was halted when President W. A. (Tony) Boyle announced that the president had been invited to address the convention personally when he arrives in Miami Beach next week to address the International Association of Machinists.

Boyle himself received a unanimous endorsement in his campaign for election to the union presidency in December.

Delegates praised Boyle as a "fiery and dynamic leader." He faces opposition from Steve Kochis of Bobtown, Pa., a newcomer to union politics.

Private Dreams Are "Late Show"

WILLOUGHBY, Ohio (AP) — People produce their own late, late show, David W. Talbott of East Ohio Gas Co. told Willoughby Hills Lions Club members.

"You are the producer, director and totally responsible for a dream," the speaker said. "And a dream is a late show without any commercials."

DO YOU WANT A $234 TAX HIKE?

The House passed a bill, the Senate loaded it and the House now has it again. It slices $117 off your annual paycheck and costs your employer another $117 for each worker.

But you can stop it – IF YOU ACT NOW!

Part of this bill is a "payroll robber." That part is called "medicare." It is an amendment which was slapped on a bill whose original purpose was to increase cash benefits for those persons receiving Social Security. More cash benefits are needed. But "medicare" should *not* be a part of the Social Security System.

So-called "medicare" isn't even needed because we already have Health Care for the Aged (the Kerr-Mills Law). Under this law, Pennsylvanians who are 65 and over and who need health care are getting it. This plan has the full support of your physician because it helps those persons who need help. More than one out of every five hospital patients who are 65 and over receives help from this working plan.

Some Senators, for unconcealed political purposes, nailed a so-called "medicare" amendment on an otherwise good bill. They would tag inadequate services onto a system designed to provide cash—not services. And this could endanger the whole Social Security System and jeopardize the cash benefits.

The Bill as it now stands—cash benefits plus unneeded "medicare"—soon would clip every salary in your family up to $117 a year and cost every employer another $117 for each worker. This could mean extra mortgage payments, car payments, or insurance premiums—or $117 less in your pocket to pay the necessary expenses of running your home. This ill-conceived legislation would impose a flat 5.2% tax on every worker earning $107.69 per week or more and another 5.2% tax to be paid by the employer.

Under the proposed "medicare"-loaded bill, the $50,000-a-year executive wouldn't have to pay any more than the worker making $108 a week —maybe you?

And what would this election year "medicare" amendment provide? Coverage of less than one-fourth of the health care costs of persons 65 and over—whether or not such coverage is needed.

The state's existing Health Care for the Aged Program provides more help than the slapped-on "medicare" amendment would, and costs less than one-sixth as much.

Then why pass something that we don't need and is going to cost you more hard-earned dollars?

WHAT CAN YOU DO?

Write to your Congressman. ● Tell him you don't want any form of unnecessary "medicare" slapped on the Social Security System. ● Tell him you don't want your Social Security tax increased to finance a politically inspired "medicare" scheme. ● Tell him that you don't want your pay cut $117. Write, call or telegraph your Congressman at: House Office Building, Washington 25, D. C.

DEMOCRATS LEADING ON REGISTRATION

PHILADELPHIA (AP)—Democrats in Pennsylvania appear to have registered more new voters than Republicans as the state-wide registration drive enters its last days.

A check of most major counties showed that in some areas Democrats have increased a registration-edge they usually held. In other areas where Republicans are traditionally dominant, Democrats have either reversed the trend by pulling ahead or matching GOP registrations.

As of Nov. 5, 1963, Democrats in Pennsylvania numbered 2,739,416, compared to 2,656,403 Republicans. In 1962 there were 2,896,099 Democrats and 2,700,164 Republicans.

MADE LARGE GAINS

In the 1960 presidential election, there were 2,805,202 Democrats and 2,700,164 Republicans.

In the 1960 presidential election, there were 2,805,202 Democrats and 2,802,237 Republicans.

Democrats have made large gains in the state's most populous counties, Philadelphia and Allegheny (Pittsburgh).

3 TO 1 EDGE

In Philadelphia, Democrats, from May 4 to Sept. 5, held a three to one edge over Republicans in new registrants, compared to the figures for a year ago. As of last Saturday new Democratic registrations in Philadelphia unofficially totaled 91,174, while Republicans gathered 28,755 new voters In the registration period before last year's mayoral election, Democrats had picked up 57,226 to 26,724 for Republicans.

Registrations end Sept. 15.

There were 591,989 Democrats eligible to vote in the mayoral election, compared to 369,626 Republicans.

In Allegheny County, the registration trend has been heavily Democratic, beyond that in any of the last four presidential elections. Figures since last April showed 24,360 new Democratic registrations compared to 9,991 for the Republicans.

New York's Shea Stadium, new home of the baseball Mets and the football Jets, will have room for 60,000 for football games.

WASHINGTON (AP) — There's a new breed of speechwriters at work.

Just read the speeches by President Johnson and Sen. Barry Goldwater.

They're not like those in 1960 by Sen. John F. Kennedy and Vice President Richard M. Nixon.

Johnson has become a one-sentence-to-a-paragraph man, with one idea to a sentence.

TIME TO DIGEST

After each sentence he looks around till the audience digests it.

Take his Labor Day speech in Detroit:

"This is a great day in an historic place.

"Here, and today, we begin to move toward new years of achievement for America.

"Sixteen years ago an American president came here and promised that America would 'enter a new period of hope.'

"You gave him support and he gave you that hope."

Goldwater goes for short sentences, too, but often bunches them in one paragraph.

TRIES FOR GRANDEUR

He tries to give them a roll, a grandeur, with high-sounding abstract words like peace,

Here are some from his campaign opener Sept. 3:

"We mean something far different from the opposition party. We mean:

"Peace through preparedness.

"Peace through freedom.

"Purpose through constitutional order.

"These are the themes we shall make resound across this great land of ours, and across an anxious, troubled and listening world."

A KENNEDY EXAMPLE

Kennedy relied on fairly short sentences, but not as terse as Johnson's, and usually packaged them in a paragraph.

Here's Kennedy making a Labor Day speech in Detroit in the 1960 campaign:

"I am taking my case to the American people in the next two months because I believe that the American people should decide which direction this country is going to go. The issue is before you and I am confident that in November you will make a choice for progress, not for standing still."

Kennedy's instinct for clarity and brevity was so good he made up that part of his speech after his prepared speech had been released to the press.

NIXON SHORTCOMING

The prepared one wasn't that simple, that quick:

"I am taking my case to the American people because that is where it belongs — because that is where there will be no threat of veto or parliamentary obstruction — and because that is where we can always place our confidence."

Because Nixon lacked Kennedy's sense of composition, he didn't get across as easily as Kennedy, and maybe that's one of the things that hurt him.

MAY GET SLEEPY

His sentences were often too stretched, as one of his first 1960 speeches shows:

"I call upon all the people here, whether you are Republicans or Democrats or independents, to hear what I have to say, to hear me on the issues, and then to make your decision — not on the basis of the party label, even though you happen to be a member of my party — but on the basis of whether you think what I stand for is best for America."

The trouble with Johnson's bang-bang-bang is that he may make people hard of hearing.

And Goldwater may put them to sleep if he keeps playing that peace-liberty-freedom record over and over, as he says he will.

ASKS SUPPORT IN INVASION

UNITED NATIONS, N.Y. (AP) — Malaysia sought Western support today for a Security Council condemnation of Indonesia for landing paratroopers on her soil. Any such action was expected to run into a Soviet veto.

The 11-nation council was to meet this afternoon to hear Malaysia's charges that Indonesia committed aggression with an air drop near the Malay peninsula town of Labis last Wednesday.

Dispatches from Labis estimated that 50 paratroopers were landed. Five have been killed, 11 captured, and 700 to 800 British Gurkha troops are combing the countryside for the remainder, said to have split up into twos and threes.

Informed sources said Malaysia wants the council to condemn Indonesia and call upon President Sukarno's regime to refrain from any such action in the future.

In its request for a council meeting, Malaysia charged that the dropping of paratroopers constituted "blatant and inexcusable aggression" which threatened peace in Southeast Asia.

Milwaukee Bowler To Coach U.S. Teams

MILWAUKEE (AP) — George Chicovsky of Pontiac, Mich., will coach the United States men's and women's teams in the Federation Internationale des Quilleurs American Zone ten-pin tournament set for November in Caracas, Venezuela.

Chicovsky competed with the 300 Bowl team that won the regular division team title in the 1964 ABC tournament at Oakland, Calif. Due to his professional status he will be ineligible to compete.

Nowadays the car is just a status symbol; all it really does is enable you to let it stand in a traffic jam while the empty trains go by.

'GRANNIE' STAR IS IRENE RYAN, CLUB VETERAN

By CYNTHIA LOWRY
AP Television-Radio Writer

HOLLYWOOD (AP) — A sleek beige sports car, with red leather bucket seats, stick shift and wire wheels, drew smoothly up to the entrance of the hoel. Out stepped a slim woman with blonde hair, discreet make-up, wearing a chic blue knit dress and high-heeled shoes.

Neither the face nor the figure seemed familiar, but there came a familar voice: "I'm sure sorry to be late, but we're on location in the hills today and I raced back to dab some water on this pore ole face." It was Grannie, the peppery old lady from the Ozark hills who refuses to be influenced by the sharp civilized ways of Beverly Hills.

CHILD STAR

Irene Ryan, who created the crotchety character in "Beverly Hillbillies," is a veteran professional actress who has been in show business since she won a San Francisco amateur contest at the age of 11. Her experience includes vaudeville, radio, motion pictures, night clubs, but it wasn't until she popped up in the corn-fed CBS comedy series which exploded into a hit that she tasted the sweets of real success.

The series came at a critical moment in her life. A widow, her second marriage had ended unhappily and she was trying to decide whether to return to night clubs. Paul Henning, an old friend, took one look at her slight, slim figure and heard her squeaky voice and decided that, with some drab gray hair, old rags, Army boots and gold-rimmed spects, Grannie Clampett had come to life.

OIL INVESTOR

Since then, it is Irene who has come to life. The Clampett fortune, in the show, came from oil. A bit superstitiously, Irene invested a bit of her salary in an oil well and today she, too, receives a handsome monthly check — not millions, but a nice chunk of spending money.

"It's been a pretty busy summer for me," she said. "We've been out playing the fairs, pleasing the crowds — and making money."

The only real fly in this compulsive performer's ointment is that Irene Ryan looks so totally unlike Grannie that it is literally impossible to recognize her.

"I can go anywhere," she says, just a little bit unhappily.

Maureen O'Sullivan, who left the cast of a Broadway hit to take over the woman's spot on NBC's "Today" show last May, decided that 13 weeks was enough and leaves at the end of next week. Pat Fontaine, who preceded Miss O'Sullivan as the "Today Girl" and established a longevity record in the spot, is reported to be back in St. Louis with her own weather show.

GOLDWATER TO END SPENDING SPREE OF DEMS

BY ARTHUR EDSON

LOS ANGELES (AP) — Sen. Barry Goldwater, in a determined drive to pick up the Western states he sees as his presidential base, promises that if elected he will halt what he calls the "wild spending spree" by the Democrats.

"What will your choice be?" Goldwater asked a roaring crowd in Los Angeles' three-tiered baseball stadium. "More power for Washington? Less power for your home state and your town? More money for wasteful government? Less money for productive, individual uses?

"No. Our choice is progress through freedom!"

LARGEST CROWD

Goldwater had his largest crowd Tuesday night — the scoreboard said 53,120 were in the ball park that can seat 56,000 — and he got a rousing welcome, so rousing he couldn't speak until the message was flashed in big lights in leftfield: "Let's hear Barry."

This is friendly country for a Republican presidential candidate.

In 1960 Richard M. Nixon carried California, Oregon and Washington. Goldwater hopes to win them, too.

His schedule today takes in all three states, with stops in Sacramento, Calif., and Klamath Falls, Ore., before spending the night in Seattle, Wash.

PRIZE STATE

California is the big prize.

It has 40 big electoral votes, and it has special appeal for Goldwater. It was here, in the presidential primaries, that he knocked off Gov. Nelson A. Rockefeller of New York and took a major step toward winning the GOP nomination.

Goldwater's speech, in the stadium where the Dodgers and Angels play their home games, was billed as his California kickoff, and his fans paid $1 apiece to sit in on a show that ran for almost three hours.

PROMISED TAX CUT

Bands played. Movie and television personalities were introduced. Goldwater rode all the way around the stadium in his convertible, while the crowd applauded, before going to the speaker's platform over second base. Hundreds of yellow and gold balloons were released.

The cheers rolled in when Goldwater said:

"I will, as one of my first actions in the White House, ask the Congress to enact a regular and considered program of tax reduction. I will also ask that Congress stop the wild spending spree begun by this administration."

OLD TORTOISES OUTWIT WEARY WEIGHMASTERS

KANSAS CITY, Mo. (AP) — Around $337.50 was involved so William T. A. Cully and three of his assistants at the Swope Park Zoo spent most of Tuesday wrestling about half a ton of tortoises.

The four giant tortoises, native to the northwest coast of Madagascar and believed to be 150 years old, have been a big hit at the Children's Zoo for a week. The city has had them on a trial basis and is inclined to buy them.

The asking price is $2.25 a pound, so the zoo director and his assistants set out to weigh the four tortoises against an animal dealer's claim that they range from 235 to 285 pounds, average 245 pounds, and should bring $2,205 for 980 pounds.

EVADE SCALES

Cully and his men trucked the tortoises to the parking lot at a supermarket and borrowed its platform scale. They tried two tortoises but could get neither of them to stay on the platform long enough to get a reading.

On a big scale at a quarry, the truck was weighed with and without tortoises. The difference was 830 pounds. One of the tortoises was weighed. Result: 160 pounds.

"Something is wrong here," said Cully. "We'll have to figure out another way to do this. We'll get some rope or canvas, take them to a meat-packing house or a scale company, load them up and weigh them. At least then they'll stay put."

Jim Galbraith, one of Cully's crew, was dubious.

"I'll tell you, slinging those things around all afternoon isn't just what I'd call fun," he said.

Uruguay became an independent republic in 1830.

Reds Line Up New Anti-American Bloc In Asia

By RENE-GEORGES INAGAKI
Associated Press Writer

TOKYO (AP) — A new anti-American lineup among two Communist states and two not-so-neutral countries appears to be taking shape in Asia.

Although no written agreements among the four are yet unknown to exist, their increasing closeness already serves Communist China's purpose and hampers United States efforts to achieve stability in Southeast Asia.

The four countries were specifically named by President Sukarno of Indonesia in his August 17 independence speech:

BOASTFUL SPEECH

"I am announcing to the whole world that no evil spirit, no devil, can prevent (North) Korea, (North) Viet Nam, Cambodia and Indonesia from becoming friends and uniting in the march towards a new world without exploitation of man by man."

Cambodian chief of state Prince Norodom Sihanouk's recent visit to Jakarta helped consolidate these ties based on common hatred for their anti-Communist neighbors and the "Free World" in general.

"Cambodia and Indonesia will become a powerful united front in the struggle against imperialism, colonialism, and neo-colonialism," Sihanouk declared at a banquet given by Sukarno.

FAVOR REDS

Both Sihanouk and Sukarno have expressed their support of North Viet Nam by word and deed. Indonesia recently agreed to exchange embassies with North Viet Nam, resulting in a break of relations with South Viet Nam, and Sukarno, commenting on the Tonkin Gulf events, declared:

"We don't hide the fact that our sympathies lie on their (North Vietnamese) side."

Sihanouk has constantly voiced his hostility toward Thailand and South Viet Nam, and warned he will negotiate border problems with North Viet Nam — although the countries have no common border.

Upon return to Cambodia, Prince Sihanouk was quoted as saying that Sukarno promised Indonesia would take action to defend Cambodia in case of aggression against Cambodia.

GET SUPPORT

Indonesia has received full and enthusiastic support from North Viet Nam and North Korea for its "crush Malaysia" campaign. On the other hand, South Viet Nam and South Korea are both friendly to Kuala Lumpur.

Indonesia and North Korea on April 16 agreed to establish formal diplomatic relations and raise their respective consulates-general to embassies.

In a message to Sukarno on that day, North Korean Premier Kim Il Sung said:

"I am convinced that the anti-Malaysia struggle waged by the Indonesian people under your leadership will be greatly conductive to the preservation of peace in Asia and the world."

TRAIN DIVISIONS

A North Korean parliamentary delegation which visited Jakarta in April was reported to have said that two North Korean divisions were being prepared to help Indonesia's "crush Malaysia" campaign.

In May, Indonesia's Sports Minister R. Maladi visited Pyongyang and signed a joint communique to strengthen sports relations.

North Korea has been an important and warm supporter of Sukarno's Games of the New Emerging Forces (GANEFO). A ban on athletes who attended the 1963 Ganefo from the Tokyo Olympics, particularly affecting some promising North Koreans, is being taken as a new affront from the West by Indonesia.

Premier Kim Il Sung was invited to attend Indonesia's August 17 National Day celebrations but was unable to go. A North Korean delegation was sent, however.

Cambodia and North Korea agreed in 1962 to exchange consuls general and to expand trade relations.

North Viet Nam recently sent a National Assembly delegation to Jakarta led by its most pro-Peking member, Trumng Ching. Indonesian government Chief D. N. Paidit told the delegation that Indonesia "will support the people of Viet Nam in opposing American aggressors."

BOYLE'S Grab Bag

NEW YORK (AP) — Everybody should have a hobby. I have what I consider the ideal hobby.

My hobby is taking medicine. It is the greatest sport of the 20th century.

To ski you have to have snow or water. To golf you need landscape. To sail you need a boat and a lake or ocean. To hunt you need a gun and something that will run from you. To fish — well, at least you need a hook and a lot of patience.

But to take medicine all you need is — medicine. There are thousands to choose from, and scores of new ones come on the market each year.

You can make the hobby as expensive or inexpensive as you choose.

AVERAGE AMATEUR

The fellow who wouldn't lend you a dime to keep you from starving is glad to let you sample his medicine.

As a beginning hobbyist, you may try to take any and all kinds of medicine. This is the mark of the overeager amateur. To him there is no difference between a medicine to rid one of tapeworms and a liniment to sooth a sprain.

A true connoisseur learns early to specialize.

You can choose medicines designed to cure or alleviate specific ailments — such as colic, colitis, chromium deficiency, or the common cold.

You can confine yourself to liquid medicines, capsules, pills, pellets, or medicines which fizz when you put them into water.

"WONDER DRUGS"

You can even specialize in medicines of a certain color, several colors, those which have either a picture on the bottle, or those restricted purely to printed matter.

I decided to specialize in wonder drugs. The wonderful thing about many a wonder drug is its aura of romance and mystery.

Even if it turns out only to be another cure for the hiccups, you've had the excitement of daring the new, of being at least a footnote in the long story of medical progress.

Taking medicine as a hobby has a distinct social advantage. It makes you the life of any cocktail party.

People are bored with the conversation of skiers, golfers, sailing enthusiasts and African safari survivors. But they throng around me excitedly when they find out that my hobby is taking wonder drugs.

"What's the one that does you the most good?" they invariably ask.

"Aspirin," I have to admit.

New Hampshire's state motto is "Live Free or Die."

Wants Pasture Improvement Program Eliminated From Johnson's Poverty Plans

WASHINGTON (AP) — Sen. Jack Miller, R Iowa, has served notice he plans to push for elimination of a pasture improvement program in President Johnson's proposal to fight poverty in Appalachia.

Miller said Tuesday that the $17 million program, which envisions new small farm feeder-calf livestock operations, offers no "real future" to small farmers in the 11-state region who don't have enough land for a really self-supporting unit. It is only "prolonging the agony," Miller contended.

Sen. Jennings Randolph, D-W.Va., conceded that the pasture improvement program was one part of the bill that might go by the boards.

2 MAJOR PARTS

"I'm realistic," Randolph said referring to reports of strong opposition to the plan from western and midwestern members.

The measure, last of Johnson's anti-poverty proposals before Congress, has two major parts: a highway program to eliminate isolation that many blame for the region's economic lag, and massive aid to develop Appalachia's resources and provide additional health and education facilities

The initial proposal calls for spending $1,077,200,000, but backers said during testimony before congressional committees that the five-year program would eventually cost $4.2 billion.

OPEN DEBATE

Senate debate on the Appalachia bill opened as senators awaited Thursday's vote on a cloture move by Republican leader Everett M. Dirksen to shut off talk on his proposal to delay reapportionment of state legislatures.

Dirksen offered his plan as an amendment to the $3.3 billion foreign aid authorization bill.

No votes on the Appalachia program were expected today or Thursday.

Backers of the bill have said upgrading the poverty - stricken region of Appalachia would benefit the whole economy of the nation. They have noted almost 12 per cent of federal welfare funds are spent there.

Included in the area is all of West Virginia, plus parts of Alabama, Georgia, Kentucky, Maryland, North Carolina, Ohio Pennsylvania, South Carolina, Tennessee and Virginia.

Of the initial money asked for Appalachia, $840 million would go to construct 2,500 miles of highways and 500 miles of access roads. The remaining $237.2 million would be allocated over a two-year period in this way:

Forty-one million dollars to develop health and related facilities and $28 million to operate them; $5 million for timber development; $17 million pasture development; $21.5 mine restoration; $5 million water resources development; $16 million vocational education; $6 million sewage projects; $90 million to supplement existing federal grant-in-aid programs; $5.5 research and demonstration projects; $2.2 million administration expenses.

The highway program requires $360 million in matching state funds and financial participation is also necessary in many of the other programs.

KHANH NAMES THREE MEN TO HIS CABINET

SAIGON, Viet Nam (AP) — Maj. Gen. Nguyen Khanh appointed a new interior minister, a new mayor of Saigon and a new chief of military security today.

He lifted censorship of the Vietnamese press and released for restoration to military duty five generals held in virtual house arrest at Dalat since he oustd them from government posts last January.

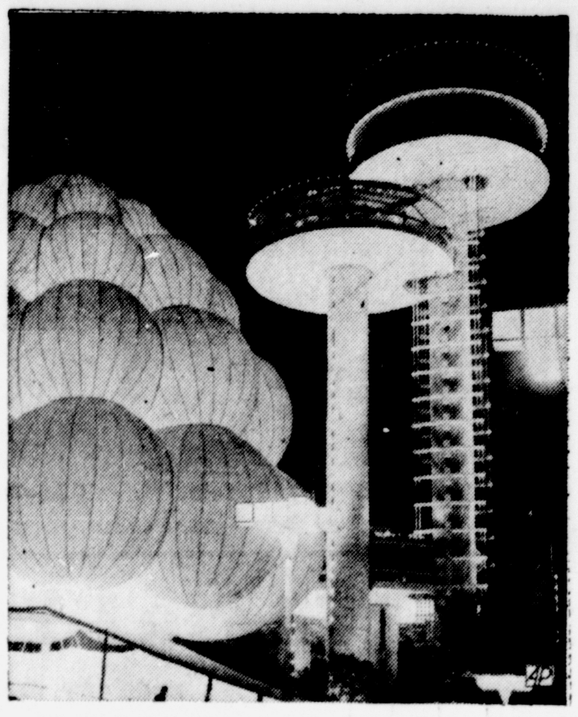

Government sources said the 37-year-old soldier-premier took on the added title of defense minister.

It was one of Khanh's busiest days since student and Buddhist demonstrations started the government crisis last month. He made it clear he still runs South Viet Nam.

The two new ministry appointments appeared aimed at satisfying Buddhist demands made last week for the ouster of seven officers from government jobs. The two men replaced by the new appointments were on the Buddhist blacklist.

Named as the new interior minister for an interim term of two months was Nguyen Luu Vien, replacing Brig. Gen. Lam Van Phat. The new mayor of Saigon, also for two months, will be Tran Van Huong. Brig. Gen. Linh Quang Viet is the new head of the military security agency.

Khanh told a news conference Huong and Viet were dedicated men making a great sacrifice to serve in post for such a short time. He said neither religious faith nor political leaning was a factor in their selection.

Steelworkers Set Children's Style

NEW YORK (AP)—Steelplant workers are setting a fashion style for children without knowing it. Fluorescent orange-colored gloves, worn by safety-minded steelworkers because they can be seen from a mile away, have attracted attention for youngsters. "Steel Facts," published by American Iron and Steel Institute, reports that parents are delighted with the new fashion, because mitten-wearing youngsters can be easily seen by car drivers. Also, if a mitten is lost, it can be quickly spotted.

The bright orange color is the result of mixing a fluorescent pigment with vinyl. In addition to its eye-catching quality, the mitten is waterproof and well-insulated.

Assault Charges May Cost 2 Votes

FORT PIERCE, Fla. (AP)—Campaigning door-to-door for re-election, Constable James A. Powell may have lost a couple of votes.

Powell said he found a bleeding saloonkeeper, armed with two bottles, and the saloonkeeper's wife, brandishing a butcher knife, squared off at each other in their establishment. He charged both with assault.

KEEPS OFFICE DURING RACE

HARRISBURG (AP) — Miss Genevieve Blatt will continue to hold office as secretary of internal affairs during her campaign for the U. S. Senate seat of Republican Hugh Scott.

The State Elections Bureau said Tuesday it would proceed with certifying her nomination on the Democratic ticket in the absence of any specific instructions to the contrary by judicial authority. Her primary election victory is still being contested in the courts by her opponent, Justice Michael A. Musmanno, of the State Supreme Court.

A spokesman said today that Miss Blatt is continuing to give major attention to duties of her office, while campaigning on the side for the Senate seat.

In the event of her election, Miss Blatt would be compelled to surrender her state office upon taking the Senate oath next January.

Her term has until the third Tuesday of 1967 to run. If the office should be vacated, the governor would name a successor to serve until the 1966 general election.

ADVERTISE IN THE TIMES

CASTRO LOSES LAST EMBASSY IN S. AMERICA

MONTEVIDEO, Uruguay (AP)—The last Cuban embassy in South America got closing orders Wednesday.

Uruguay's nine-man governing council voted Tuesday night to break relations with Fidel Castro's government in accordance with the resolution of the Organization of American States.

The council's vote was six in favor and three abstentions.

MEXICO, CANADA

Mexico and Canada will be the only countries in the Western Hemisphere maintaining relations with Cuba. Canada is not a member of the OAS.

The Uruguayan announcement said diplomatic relations were ended "as of this date."

It said direct or indirect commercial exchanges also were ended, "with the exception of foodstuffs, medicine and medical equipment which might be sent to Cuba for humanitarian reasons."

Police reinforcements were sent to foreign embassies and key public service areas to prevent damage by demonstrators. Rain ended a pro-Cuban demonstration in downtown Montevideo.

DECLINES COMMENT

Aldo Rodriguez, charge d'affaires at the Cuban Embassy, declined comment on the government's decision.

The OAS resolution to isolate Cuba was requested by Venezuela, which accused Castro's regime of using terrorism and sabotage in an attempt to overthrow the Venezuelan government. The resolution was adopted July 26 in Washington.

Uruguay opposed the resolution at the Washington meeting but went along with the majority.

Proves He Can Do What His Son Does

PRETORIA, South Africa (AP) —"Anything you can do, I can do better," 64-year-old schoolmaster Freddie van Zyl told his son. Now Freddie has made his first parachute jump to prove it.

His son, Dr. Pierre van Zyl, is a member of the Pretoria Sky-diving Club.

Said van Zyl afterwards: "I wanted to prove that anything my son can do, I can do — perhaps even better. It's been a great challenge to me."

Friends and relatives gathered at the airport to watch his first sky-diving attempt. He baled out at 2,500 feet. There was a loud cheer as his parachute billowed and mushroomed above him.

Nobody was more relieved than his wife when he made a perfect touchdown. She had not been happy about his making the jump. "After all," she said, "I've got only one husband."

Weathervane Has Fish Story

RUSSELLVILLE, Ky. (AP) — Hanging above the courthouse is a large copper weathervane in the shape of a fish.

Visitors are told the bullet hole in the fish was put there by Jesse James when he left town in 1868 after robbing the bank.

But that's a fish story.

After the Civil War, a Union Army soldier passed through here, spotted the fish and drilled it with one shot.

When the new courthouse was built in 1904, officials decided to keep their unique weathervane.

TYPHOON HITS PHILIPPINES

MANILA (AP) — Typhoon Sally lashed the northern Philippines Wednesday with winds up to 200 miles an hour.

The typhoon cut through the Babuyan Channel north of Luzon Island on its way into the South China Sea. There were no immediate reports of damage from the isolated area.

Sally's fringe winds struck south Formosa, but no damage or casualties were reported.

Refugees from Red China reported in the Portuguese mainland colony of Macao that Typhoon Ruby killed more than 20 persons and injured 100 others in Communist country inland from Macao.

The refugees said the storm, which swept Red China's Pearl River delta Saturday, also caused severe flooding in many parts of Kwangtung Province.

Ruby killed 41 persons and injured 300 in the British colony of Hong Kong.

Ancient Chinese made windows out of split oyster shells.

JAYCEES BACK OLYMPIC FUND FOR U. S. TEAM

The Gettysburg Chapter of the Junior Chamber of Commerce at its meeting in the Western Maryland Railway depot, Carlisle St., voted a donation to the Olympic Fund being raised by the U. S. Jaycees and at the same time announced it would forward any contributions for the Olympic fund given the local Jaycees by residents of the area.

Nationally the Junior Chamber is seeking to raise $1,000,000 to help defray the expenses of the U. S. Olympic team. Since the group are amateurs and the government provides no funds for the teams, contributions are sought throughout the nation to permit the U. S. athletes to take part in the international event to be held in Japan.

ANTIQUE SHOW REPORT

Lance Duttry, chairman for the Antique Show, reported 3,015 attendance at the presentation held last month at the Gettysburg High School and said the 32 dealers represented at the show were "well pleased" with the results. He added that it hoped the number of dealers can be increased to 40 by next year.

Rodney Steinour, reporting on the antique show, praised the merchants and people of Gettysburg for their support and said all of the more than 4,000 programs printed for the event had been distributed.

Steinour also reported the cancellation of the Budy Deane hops planned for the remainder of the year. The Baltimore disc jockey, according to Steinour's report, is moving south to a television station there and thus will be unavailable for record hops here. He said the possibility of obtaining another disc jockey for future dances is being explored.

MT. PLEASANT TO PROHIBIT "NUISANCES"

Mt. Pleasant Twp. supervisors, in a legal advertisment appearing today, announced plans to adopt on September 30, an ordinance prohibiting "nuisances" in the township.

A spokesman for the supervisors said the decision to establish such an ordinance came about as a result of the growth of auto junk yards and other accumulations in the area which brought complaints, including a petition signed by 150 township residents. At the August 30 meeting of the supervisors, at which plans for the ordinance were originally outlined, "quite a number" of the township residents were present to urge establishment of a nuisance ordinance.

The meeting September 30 will be held at 7:30 in the evening at the residence of the secretary

3 Students Hurt; Car Is Demolished

Three Gettysburg College students were injured Thursday evening at 6:40 o'clock when their car overturned at the intersection of the Biglerville and Table Rock Rds., three-tenths of a mile north of here.

State police said Elwood Melvin Powell Jr., 19, of King of Prussia, a college student here, was driving south when he lost control of his auto on the curve. The vehicle went off the highway, came back onto the road and then rolled over twice, throwing all three occupants from the vehicle. The 1957 auto was demolished.

The Gettysburg firemen's ambulance removed the three men to the Warner Hospital here. The driver, Powell, suffered severe lacerations of the head and a possible concussion of the brain. David G. Pomfret, a student at the college and a passenger in the car, had lacerations of the head and neck and back injuries. Another passenger in the car and a college student, Will W. Allport, suffered bruises of the left shoulder and forehead.

AAUW Chapter To Welcome Members

New and prospective members of the Gettysburg chapter of the American Association of University Women will be welcomed at a covered dish supper to be held next Wednesday evening at 6:30 o'clock at the Eisenhower Elementary School building.

A program of folk songs will be presented by Edward Baierlein, a Gettysburg College Senior who is well known for his talents in dramatics and music. The chairman of hostesses, Mrs. Harry Pfanz, is in charge of arrangements for the meeting. Mrs. James D. Sheen, president, will preside and Mrs. Paul Peterson, membership chairman, will present a report.

2 SENIORS AT BIGLERVILLE GIVEN HONORS

Jennifer Horick and Deborah Beidler were presented with the Biglerville High School Scholastic award at a special assembly this morning in the school auditorium. The National Honor Society was

in charge of the program.

Miss Horick and Miss Beidler are members of the National Honor Society and participate in leadership posisitions in band, chorus, student council and other extra curricular activities. They are daughters of Mr. and Mrs. Justin Horick, Bendersville, and Mrs. J. W. Beidler, Biglerville, respectively.

The scholastic award was originated by D. B. Hudson, Upper Adams School District superintendent, and is the highest award given for scholarship at Biglerville High School. To be eligible to win the award a student must have earned a minimum of eight A's and two B's in the Sophomore and Junior years. Prior to his presentation of the awards, Mr. Hudson spoke of the history of this award. Prerecorded interviews of some former award winners by Gregory Eisenhart, a Senior Honor Society member, presented the following information about previous winners to the assembly: 1960 winners, Sally Fox, Thiel College; Clara Miller, Penn State; Judy Crum Slonaker, Peace Corps; Lois Funt, Bankers Mutual Insurance Company; 1961 winners, Roger Crum, Gettysburg College; Brenda Bean, Gettysburg; Philip Beidler, Davidson; 1962 winners, Barbara Thomas, Brown, Swope and MacPhail law firm; James Oyler, Lehigh; Richard Guise, Gettysburg; Peggy Fox, Wittenberg; Jeffrey Bosserman, Penn State; 1963 winners, Holly Asquith, Wilson College; Nancy Bowers, Greenville; Carol Crum, West Chester; Carol Houck,

CALF, 20 PIGS BORN AT FAIR; MORE WINNERS ARE LISTED

Twenty-one new arrivals at the South Mountain Fair attracted the attention of the more than 3,000 who visited the exposition near Arendtsville Thursday.

One of the arrivals was "Pet," a heifer born to Anthony Murren's 4-H Guernsey "Sugar" about 5 o'clock Thursday morning. By Thursday evening the calf was exploring the show barn into which she had been born and delighting all of the youngsters and adults who came along, much to the discomfiture of her mother who preferred to have the new arrival near her. A tiny rope halter finally restrained the explorer.

Twenty other new arrivals were piglets in the pens of Lois Griest, New Oxford R. D., with seven in one litter and 13 in the other.

BARBERSHOP SINGING

The York Barbershop Chorus and Quartets, featuring the York-Aires quartet, proved popular Thursday night, with the auditorium filled for the concert by the group. Tonight the Couriers Quartet will present a program of gospel songs from the stage of the auditorium.

Today approximately 400 Future Farmers of America were present at the fairgrounds for the annual competitions held for the agriculture students of the Adams and Franklin County high schools.

Saturday's features will be a horse exhibit by the Adams County 4-H Light Horse and Pony Show and Al Shade's Hootenanny.

"BEST OF SHOW"

Visitors to the fair Thursday were checking the placings in various competitions. Much interest was shown in the art exhibits. A still life by Marienne Engelke, Twin Oaks, was the "best of show." Among winners were: Landscapes, first, Thelma Watson, Chambersburg; second, Mildred McBeth, Biglerville R. D.; third, Charles Boyd, Littlestown; honorable mention, Thomas Brown, Hanover St.; general, Frederic Hughes, Gettysburg R. 2, first and third; Richard Brown, Chambersburg R. D., second; floral, Norma Taylor, Biglerville, first; Mildred McBeth, second; Rebecca Uber, Chambersburg St., third, and honorable mention to Frederic Hughes and Margaret LeGay, South St.

Charles Boyd won first in still life; Thelma Watson, second; Mildred McBeth, third. In portraits, Roger Engelke was first, Charles Boyd second and Frederic Hughes third.

OTHER TOP AWARDS

The apple show was of excellent quality despite the dry weather. The best tray award went to a Golden Delicious entry of Davie Pitzer; the best plate award went to the entry of Paul Pitzer.

Dr. C. A. Sloat's "Winter Fun" was the "the best print of show" at the photography exhibit which

New "Pet" At The Fair

"Sugar" gained a "Pet" at the South Montain Fair Thursday, and so 4-H member Anthony Murren, Hanover R. 4, will have two calves to take home although he brought only one to the fair. The proud mother, "Sugar," is shown held by Thomas Murren, father of Anthony. Anthony is shown holding the ribbons "Sugar" won in the 4-H dairy calf competition. Her new heifer calf, whom Tony named "Pet," was born Thursday morning. (Times photo)

LOCAL STORE REMODELED

Comments on the attractiveness of the store were frequent Thursday at the grand-opening of the remodeled Coffman-Fisher Store on Lincoln Square.

George Coffman, Baltimore, president of the chain, visited the store during the day to view the new arrangements and praised Frank Sapp, supervisor of the Gettysburg and Westminster stores and other officials on the choice of colors for the repainting and the "open" display of goods now possible in the store.

White walls, a golden ceiling, orange trim, mahogany panelling closing off the rear of the store, and ironwork openings to the windows, plus new indirect lighting and removal of a small dividing area, made the store seem much larger and permitted more open displays of merchandise. New dressing rooms were available for the convenience of women who wish to try on clothes.

A number of new lines of merchandise are available since the remodeling. Stressed in the new store are an enlarged dress department and an enlarged lingerie department. The Coffman-Fisher store here, was established in 1933.

ILLUSTRATED TALK ON FARMS IS GIVEN CLUB

The Gettysburg Business and Professional Women's Club members, who for the last several years have gone annually to assist the Gettysburg Young Farmers in their annual Farm-City Day, Thursday night had the farm brought to them.

Lyndale Brandon and John Schwartz, of the Young Farmers, presented a talk illustrated by slides on farming to the B. and P at its dinner session in the YWCA. They explained that this year the Young Farmers, rather than have visitation to a farm, decided to show slides and speak on farming to various local organizations.

The slides shown by Schwartz, covered a number of activities on the farm. Brandon, the speaker, said that "a farmer must keep abreast with continuous changes in modern farming and must depend on continuously larger yelds in poultry, dairy products, orchards and grains in order to be financially successful. To increase farm production the farmer must invest in costly equipment, and keep up with researchers in farm production." The slides illustrated use of contour farming, which Brandon noted not only prevented erosion but increased production, illustrated spraying of fruit trees, now 10 times between April and August, illustrated newer methods of handling chickens and showed all of the equipment from electric milkers to bulk tank coolers used in dairy farming. Due to three successive summers with very little rain, use of irrigation is now increasing in the county and proving successful, Brandon said.

County Pastoral Group To Meet

The first meeting of the Adams County Pastoral Fellowship will be held next Monday morning at the Presbyterian Church. Coffee will be served at 9:30 with the meeting starting at 10 o'clock.

A discussion on the CROP program, the Christian Rural Overseas Program, will be held. Ivan Fry, northeast area CROP director who is stationed at the Church World Service Center, New Windsor, Md., will speak about the program and will show a filmstrip.

A discussion will be held on future programs and the Reformation Day service.

VETS TO MEET

The Gettysburg Barracks of the Veterans of World War I will meet Monday evening at 8 o'clock at the VFW home, E. Middle St. Commander Frank Meriken said a nominating committee will be appointed and a number of awards presented at the meeting.

STOCK NAMED ASC CHAIRMAN FOR 2ND TERM

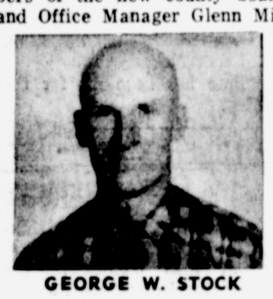

George W. Stock, New Oxford R. 2, was re-elected chairman of the Adams County Agricultural Stablization and Conservation Committee Thursday afternoon at the annual convention of the chairmen of the county's community ASC committees at the ASC office in the Adams Electric Cooperative building.

Mr. Stock was named to his second term. He had also served part of the term of Myles Starner, who resigned because of a change in employment during his period in office.

J. Walter Kugler, Fairfield R. 2, was elected vice chairman, succeeding Stewart Walter, New Oxford R. 1, who was named as the regular member of the county committee for the coming year. George Pecher, Fairfield R. 2, who had been a regular member this year, was elected as first alternate for the next year. Russell Durboraw, Gettysburg R. 1 was renamed as second alternate.

The present board serves until October 1, with the new board assuming its duties on October 5. Members of the board indicated that they plan to continue the practice of meeting every other Monday morning at 9:30 o'clock in the ASC office. By law the new board at its first meeting in October has to establish meeting times, elect an office manager, determine place of location of the office and other matters pertaining to the operation during the coming year.

According to discussion at Thursday's session, the members of the new county board and Office Manager Glenn Mil-

Concert Dinner Here September 21

The membership committee of the Community Concert Association, formerly of Gettysburg Concert Association, has distributed work kits to 50 men and women volunteers throughout Adams County who will obtain season and memberships for three concerts to be presented in October, November and March. Rev. W. R. Sammel and Lloyd V. Weidner are cochairmen. Mrs. Wildemar Zagars is secretary and Mrs. Edwin B. Freed is treasurer.

The annual campaign dinner will be held Monday evening, September 21, at 6 o'clock in the Hotel Gettysburg dining room. The 26-member board of directors and all volunteer workers will attend.

The dinner will launch the membership drive, which will continue through the week with headquarters in the Hotel Gettysburg lobby under the chairmanship of Mrs. Harold Dunkelberger.

ALUMNI HONOR 23 FRESHMEN AT BANQUET

Twenty-three local students who will enter Gettysburg College this year as freshmen were honored Thursday evening by the Adams County Alumni Club at the annual banquet in the Lamp Post Tea Room. A total of 70 students, parents and alumni attended the affair.

Eugene Haas, college football coach, predicted that, "barring serious injuries, Gettysburg College should have the best football record in recent years." The team was plagued with injuries last year, and Haas says he is hopeful that the team will not be hampered with similar setbacks this year.

Miss Kathryn J. Pyle, Gettysburg R. 1, a sophomore at the college, welcomed the incoming students and described campus dress, customs, social organizations, initiation practices, and the honor system used by the college.

Dr. and Mrs. C. A. Hanson were introduced as special guests.

David Bushman was elected president to succeed Robert Weaner. Other officers named were David Houck, vice president; Louise Collins, secretary; James Hayes, treasurer; Weaner and Jack Bream, executive committee, and Mayor William G. Weaver was elected to the Alumni Council.

The treasurer's report showed total assets of $813, of which $300 is on loan.

SENTENCE DEFERRED

Clarence Floyd Varner, Orrtanna, entering a plea of guilty to a charge of driving under the influence following his arrest in Shippensburg on August 22, was granted a deferment Thursday until the December term of Cumberland County court by Judge Robert Lee Jacobs.

ENTERS INSTITUTE

Walter W. Geiman Jr., son of Mr. and Mrs. Walter W. Geiman Sr., Gettysburg R. 4, has entered the Williamsport Technical Institute for a 2½-year course in architectural drafing. He is a 1963 graduate of Gettysburg High School.

THIEVES WALK OFF WITH $300, CASH REGISTER

A thief or thieves made away with the cash register at the Dale Arnold Shell service station on Buford Ave. Thursday evening about 7 o'clock. The register contained approximately $300.

Borough police said they have not been able to find so far anyone in the neighborhood who saw anyone carrying the cash register from the station.

Marks on the glass under the register indicated, police said, that whoever took it was able to pick it straight up, without sliding it along the glass.

OWNER WORKING NEARBY

The burglar or burglars must have carried the cash register for some distance in broad daylight, police surmise.

Arnold was working on a car two bays from the aoffice, but did not hear any sounds that attracted his attention to the office during the brief period during which the burglary must have occurred. His first notice that anything was amiss came when he returned to the office of the station and found the cash register had disappeared.

The burglars apparently did not drive into the area around the service station, as there was no sound of a car, nor did the bell ring which occurs when a car drives onto the service station property.

OTHERS ROBBED NEARBY

Residents of the area said they heard a car start and drive away

ROCK CHAPEL'S HOMECOMING SUNDAY AT 2

(See Photo on Page 3)

The annual Home-coming service at Rock Chapel, one of the oldest churches in this area and the oldest Methodist Church in the county, will be held Sunday afternoon at 2 o'clock with the Rev. O. B. Poulson, Camp Hill, as the speaker.

The Rev. Mr. Poulson, who years ago conducted a series of revival meetings in the old stone church west of the Harrisburg Rd. about three and a half miles south of York Springs, served as a pastor in the Central Pennsylvania Methodist Conference from 1909 to 1950.

Since his retirement from the active ministry he has been active as a supply and in the cause of temperance throughout the state.

SPECIAL MUSIC

The old chapel is a part of the York Springs charge but regular services have not been conducted there for many years.

The service on Sunday will be conducted by the present pastor of the York Springs charge, the Rev. W. William Kennard, and will include congregational singing and special music to be provided by a men's chorus from St. Matthew's Lutheran Church of Hanover. Mrs. Merle Millhimes will serve as organist.

There will be the usual roll cal lof visitors and a financial report will be presented by Rachel Gochenour, treasurer and for a number of years a member of the chapel. An offering will be received for the repair and upkeep of this Methodist shrine.

The public is invited to attend.

Florida, Stunned By Two Hurricanes, Looks With Fear To Onrushing Third

By F. T. MACFEELY

JACKSONVILLE, Fla. (AP) — Florida, staggered by the one-two punch of hurricanes Cleo and Dora, looked with apprehension today at Hurricane Ethel, spinning toward it from the Atlantic.

Although it was too early to tell where Ethel would go, her center was whipping along the same path taken by Dora.

Dora, meanwhile, slashed through the Florida panhandle while a top-level inspection team planned to survey the vast sweep of destruction she inflicted on Jacksonville and St. Augustine, Fla., and Brunswick, Ga.

The team was sent by President Johnson who declared all sections of Georgia and Florida battered by Dora a major disaster area.

TREMENDOUS LOSS

Preliminary estimates put damage in the tens of millions of dollars.

Dora lost her strength during a rainy trek across northern Florida and was downgraded to a tropical storm with peak winds estimated at 60 miles per hour. Dora was expected to continue moving west, with perhaps a slight turn to the north, and gradually wear herself out.

Gales lashed the state capital of Tallahassee and other parts of thinly populated northern Florida for hours during the night, but little damage was reported other than minor flooding.

3 DAYS AWAY

Highest winds recorded inland were less than 50 m.p.h.

Ethel, a small storm with a 300-mile spread of gales and peak winds of 95 m.p.h., churned westward from a spot about 800 miles east of Palm Beach.

"It's a good three days away, even if it should maintain its

State Democrats Chant For Johnson At Dinner In Harrisburg Thursday

By JACK LYNCH
Associated Press Writer

HARRISBURG (AP) — President Johnson fired up Pennsylvania Democrats Thursday night with a speech that had them chanting happily in response to key phrases.

Johnson, grinning broadly, delivered sharp barbs against his Republican opponent, Sen. Barry Goldwater of Arizona.

Goldwater has said he offers "a choice, not an echo."

Five thousand sweltering shirt-sleeved diners, who paid $100 a head to swell the state party's election year chest, filled the huge farm show exhibition hall with laughter and applause as Johnson, condemning extremism in a departure from his text, declared:

"LOVERS, NOT HATERS"

"We are a nation of lovers and not a nation of haters."

Johnson drew another long round of applause with:

"Your leaders tell me that nearly every county of this great state of Pennsylvania has made registration gains. The edge is the kind of edge that we like—3 to 1.

"I want to conclude by reminding you that you still have three more days to register."

Democrats apparently felt the $25,000 cost of carrying the president's speech in a half-hour of live television over a network of seven Pennsylvania stations was well worth the expense.

HUGS MISS BLATT

The president called Miss Genevieve Blatt, candidate for U.S. Senator, to the rostrum, gave her a mighty one-armed hug and urged her election over Republican Sen. Hugh Scott.

Johnson also pleased party leaders by calling them up one by one and raising their arms high in the boxer's symbol of victory.

They included Sen. Joseph S. Clark, former Gov. David L.

BULLETINS

WASHINGTON (AP)—President Johnson will fly to Florida and Georgia this afternoon to inspect hurricane disaster areas.

The White House made the announcement barely an hour before Johnson's scheduled departure for Jacksonville, Fla. and Brunswick, Ga.

HAVANA (AP)—Prime Minister Fidel Castro angrily denounced Thursday night the defeat of the Communist-backed candidate in Chile's presidential election and again proclaimed "the armed revolutionary fight" is unavoidable.

In a two-hour speech at the University of Havana, Castro echoed the supporters of Chilean Marxist Salvador Allende, saying his defeat last week has been brought about by "lies, fear and money."

DEMOCRATIC PLATFORM FOR PA. IS ADOPTED

HARRISBURG (AP) — Civil rights, unemployment compensation and legislative reapportionment are among the major planks in the Democratic state platform for 1964.

The 113-member Democratic State Committee approved the 12-point document Thursday, pledging to move the state forward, but rejecting "the doctrine of fear, the appeal of extremism and the call of hate."

The committee met just a few hours before the arrival of President Johnson to help Pennsylvania Democrats kick off their 1964 campaign at a $100-a-plate fund raising dinner.

"DAYS OF PERIL"

"We believe in these days of peril, the Democratic Party offers the voters of Pennsylvania clear choice," the platform stated in its preamble. "the Democratic Party stands for responsible, moderate government."

One of the key planks calls for an "immediate and exhaustive study" of the changes made by the Scranton Administration in Pennsylvania's unemployment compensation laws.

"A Democratic legislature will press for the enactment by Congress of a uniform unemployment compensation law with nationwide standards," the plank read.

CONTROVERSIAL ISSUE

Democrats also pledged to enact what they call "a fair apportionment of the state legislature" along the guidelines set down by the U. S. Supreme Court of "one man, one vote."

Unemployment compensation and reapportionment are two of the most controversial issues in Pennsylvania at this time.

Democrats feel the reapportionment acts passed by the Republican - controlled legislature were unfair and unconstitutional.

OTHER PLEDGES

In the field of civil rights, the Democrats said they would honor their historical commitment "to the ideal that every person in our society, regardless of race, religion, or sex is entitled to the full opportunities of our society."

Other specific pledges promised advances in education and public welfare, revision of Pennsylvania's constitution, endorsement of President Johnson's "War on Poverty," and a more efficient traffic safety program "so that every citizen of our Commonwealth will again feel safe on our highways."

of the board, Louis W. Wagaman, Gettysburg R. 5. The spokesman for the supervisor said they also plan to consider at the September 30 session, the issuance of permits for auto graveyards and other junk yards at a fee of not more than $200 per permit. A building ordinance will also be discussed at the meeting, according to present plans.

PROHIBITS DUMPING

The ordinance, scheduled to be adopted September 30, is headed: "An ordinance to prohibit nuisances, including, but not limited to, accumulations of garbage and rubbish, and the storage of abandoned or junked automobiles, on private or public property, and the carrying on of any offensive manufacture or business, and to remove any nuisance or dangerous structure on public or private grounds after notice to the owner to do so, and in his default, to collect the cost of such removal, together with such penalty as may be prescribed by ordinance, from the owner by summary proceedings."

The ordinance itself prohibits dumping or accumulating of "garbage, refuse, rubbish or junk, on any land, pond or stream; prohibits auto junk yards, prohibits the carrying on of "any offensive manufacture or business," prohibits "any dangerous structure or excavation," provides 15-day notice to anyone in violation, and if the nuisance is not abated, provides that the township can "abate or remove the same" and collect the costs from the owner plus a $10 penalty. The ordinance also provides a fine "not in excess of $300" and in default of payment, jail for not more than 30 days, for each separate offense. According to the ordinance "each day's continuance of a violation of any of the provisions of this ordinance shall constitute a separate offense."

DRIVER DOZES, HURT IN CRASH

A 28-year-old Littlestown man is a patient at the Hanover General Hospital where he is being held for observation after complaining of abdominal pains suffered when his westbound coupe crashed into a parked car on Frederick St., Hanover, early Thursday.

Walter E. Rentzel, 152 Lumber St., Littlestown, was treated for abrasions of the arms and body after he was conveyed to the hospital in the Penn Twp. ambulance about 3:15 a.m.

The motorist told investigators he fell asleep while operating his auto. Township police reported that his auto rammed into a car owned by John E. Wonder, Hanover.

The force of the impact drove the parked auto into a telephone pole careening off it and traveling 223 feet across the roadway before coming to a halt township investigators said.

The utility pole, owned by the United Telephone Co. of Pennsylvania, received about $125 damage, police said.

The Rentzel coupe had about $450 damage and the Wonder sedan about $400 damage, according to investigators.

Girl, Companion May Face Charges

A 15-year-old Frederick County girl missing since Saturday has been found and may face charges along with her 30-year-old male companion, Maryland state police report.

Virginia Kolb, Mountaindale, and Richard H. Christ, Emmitsburg R. 2, were picked up by police Wednesday at 2:20 p.m. at his home on Old Frederick Rd., south of Emmitsburg.

The girl's mother, Mrs. John Rice, called police Monday to report her daughter had not returned from a picnic Saturday evening at Mountaindale. A 13-state police alert was sent out and eventually led to Christ's home.

"NO SECRETS"

If there be any secrets that . . . you want to keep from me . . . pray let your hidden thoughts take wing . . . and set your secrets free . . . because I want so much to share . . . your joy and sorrow too . . . and be a part of everything . . . that is a part of you . . . perhaps by telling me about . . . the thing that's on your mind . . . you'll know a deep contentment and . . . real comfort you will find . . . it matters not what it's about . . . I will not reprimand . . . instead I'll try my very best . . . to show I understand . . . so open up your heart to me . . . and have no fear or shame . . . then after you uncover all . . . my dear I'll do the same.

Other features of the program over which Ann Ernst, Senior Honor Society president, presided included group singing special music by a girls' trio composed of Linda Naugle, Louise Lawver and Ann Ernst and a saxophone solo by Gregory Eisenhart. Amy Shetter accompanied both groups. Roger Crum, honor society vice president, listed the qualifications for honor society membership and Rosemary Whelan, AFS Exchange student, spoke briefly after being formally introduced to the student body by Charles L. Yost, high school principal.

Herbert Lady, sponsor and advisor of the Biglerville National Honor Society, worked with the officers of the organization to plan the program.

Hagerstown Meet To Open Sept. 21

The Hagerstown Race Course will open an 18-day fall meeting Monday, September 21, as thoroughbred racing on the Maryland half-mile circuit moves to this plant, continuing through October 10.

Post time has been set at 1:30 p.m. for the first race. In addition to the regular daily double, Hagerstown will again offer the popular twin double on the fifth through eighth races.

For the second straight year Hagerstown will operate without nearby competition and will feature the only thoroughbred racing within a wide area.

Hershey Offers G. Miller Band

HERSHEY, Pa. — The Glenn Miller Band directed by Ray McKinley, a smash hit at a recent appearance at Hershey Park's Starlight Ballroom, has been rebooked for another appearance, by popular demand, at the famous dance spot Saturday, September 12, according to an announcement made today by Stanley M. Carpenter, assistant general manager of Hershey Park.

Carpenter said that numerous requests from fans who missed the great band during its earlier appearance prompted the return of the McKinley-led musicians.

G. I.'s throughout the entire European Theatre of operations during World War II will never forget the wonderful touches of Americana that were brought to them by the music of Glenn Miller and his Army Air Force Band. It was an outfit filled with some of the country's greatest musicians, and when Miller disappeared over the English Channel, these men selected as their new leader Ray McKinley, a close friend of Glenn.

rural mail carrier, operating Orrtanna R. 1 from January 24, 1903, until March 28, 1935. He served as a school director in the township for 20 years, and was a fruitgrower.

A son of the late Joshua and Hannah (Miller) Cease, he was a member of the Orrtanna Methodist Church. He was the last member of his family. His wife, the former Martha M. Biesecker, died some time ago.

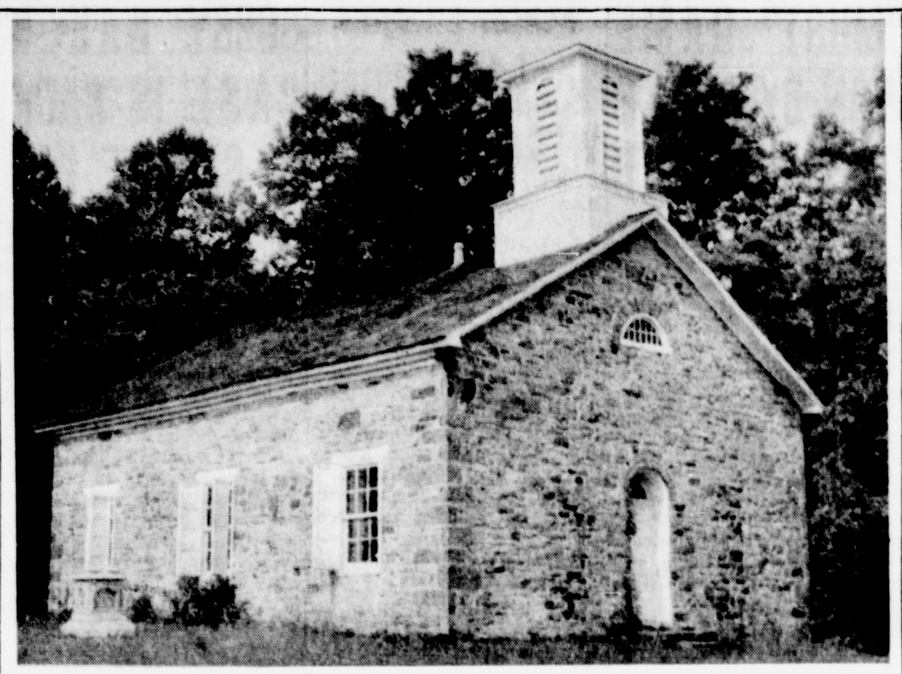

Surviving are four children: Mrs. Dorsey Herring, Orrtanna; Byron Cease, Orrtanna; Mrs. Warren Boyer, Gettysburg R. 6; Mrs. Martha Harbaugh, Orrtanna; 13 grandchildren and 22 great-grandchildren.

ENROLLS AT STRAYER

Douglas C. Bream, son of Mrs. Betty L. Bream, 145 Seminary Ave., will enter Strayer Junior College, Washington, D.C., September 28. He has been accepted for the business administration program and will work for his Associate in Arts degree. He is a June graduate of Patton Masonic School.

ENROLLS AT TABOR

Dwight Fadenrecht, York Springs R. 2, left Sunday for Hillsboro, Kans., where he will enroll in the Freshman class at Tabor College. He is a graduate of Bermudian Springs High School and is the son of Mr. and Mrs. Benny Fadenrecht.

Historic Rock Chapel, the oldest Methodist Church in Adams County, will be the scene of annual Homecoming services Sunday afternoon at 2 o'clock. The speaker will be the Rev. O. B. Poulson, retired Methodist pastor who years ago conducted revival services in the old chapel, a mile and a half west of the Harrisburg Rd. and three miles south of York Springs.

Three of the about 30 county 4-H Light Horse and Pony Club members who will put on the horse exhibition at the South Mountain Fair from 1 to 3 Saturday afternoon are shown as they appeared as the county team in district competition. Left to right are Nancy Heltzel, Terri Baltzley and Carla Weaver. Saturday's program at the fair is designed to be a "fun" program rather than a regular horse show with the youngsters competing in various games on horseback and presenting drill team maneuvers as well as more customary demonstrations of horse riding skill.

included this year regular presentations of 100 of the 135 slides entered in the competition. Exhibit officials said all of the 135 slides entered were worthy of exhibition but the projector used to show the slides is designed to hold only 100 slides. Gene Albright, Arendtsville, won first and second place in the slide division of the photography competition. Third place went to Larry Kinneman, Hanover. Honorable mentions went to Larry Dillon, Paul Allen Jr., Larry Kinneman and Dr. Sloat.

In the prints division of the photography show Dr. Sloat's "best of show" entry took first place in pictorials, with Maurice Stoops, Buford Ave., second; Joseph Kendlehart, W. Middle St., third, and honorable mention to Dr. F. N. Hewetson, Gettysburg R. 6. In portraits Larry Kinneman, Hanover, was first; Maurice Stoops, second; Dr. Frederick Tilberg, E. Broadway, third, and honorable mention went to entries of Larry Kinneman, David Garfinkle, Joseph Kendlehart and Dr. Sloat.

Says Cambodia Supporting Reds

SAIGON, South Viet Nam (AP) — South Viet Nam formally charged today that neighboring Cambodia is fighting in open support of the Communist Viet Cong against forces of the Saigon government.

The Foreign Ministry made the charge in a communique warning that Viet Nam "holds the Cambodian government responsible for the grave consequences which may follow."

The communique was an extract of notes sent to the U.N. Security Council and the Japanese Embassy, which has been handling relations between Cambodia and South Viet Nam since they broke diplomatic ties last year.

present course," said chief forecaster Gordon Dunn. "We're not making any predictions at this point."

Although power was still largely out, Jacksonville, St. Augustine and Brunswick pitched into a monumental repair and cleanup job.

MANY RETURN HOME

More than 30,000 persons who spent two nights on the hard floors of churches, schools and armories in Georgia, Florida and South Carolina returned to their homes.

Some had no homes left Fourteen houses north of St. Augustine were demolished. The huge tides and driving waves cut the land from under them and they washed away.

However considering Dora's massive reach, structural damage was relatively light.

The worst destruction was caused by flood waters. They ran waist deep in the streets of St. Augustine during high tide.

Florida's valuable citrus crop, which escaped with little wind damage, was menaced by the torrential rains. Standing water can rot the roots of young trees within a few days.

TONS OF LITTER

Tons of leaves, limbs, shingles, signs, awnings, antennas, tiles, glass, wires, poles and trees littered streets.

Majestic old oaks that lined the streets of St. Augustine for decades lay on their sides. Palms were scattered like toothpicks.

Damage to the roads in Duval County, which is metropolitan Jacksonville, was estimated at $5 milllon. Stretches of U.S. A1-A, the highway that parallels the Atlantic all the way down the coast, was under water. In places it was ripped away.

Dora gave Jacksonville and St. Augustine their worst beatings from a hurricane in this century.

It was the worst in 20 years for Brunswick, a resort city 60 miles north of here. The pounding sea and 85 m.p.h. winds collapsed several homes and damaged a handful of motels.

Thousands returned to their beach and island homes in South Carolina, where damage was slight.

TWO ARE CHARGED

Grant E. Bigham Jr., Orrtanna R. 1, has been charged before Justice of the Peace Roy E. Metz, Virginia Mills, with permitting an unlicensed driver to operate his car. His daughter, Pansy, is charged before the same justice with driving her father's car without a license. Ten-day notices have been sent. Bigham's name appeared incorrectly in a notice of the charge on Thursday.

Local Banker Talks To Numismatists

Bruce Maclay, vice president of the Gettysburg National Bank, was the speaker for the September meeting of the Gettysburg Numismatic Society Thursday evening at the West St. branch of the Gettysburg National. He talked about the coin shortage and steps being taken by the U.S. government to overcome it.

President E. Ward Russell, Silver Spring, Md., presided at the meeting which followed by trading and selling of rare coins.

SEEK OLYMPIC FUNDS TONIGHT AT BOLT GAME

Members of the Littlestown Junior Chamber of Commerce will be raising money for the United States Olympic Committee tonight at the first Littlestown High School football game.

Members of the civic organization will be asking for donations from the huge crowd expected at tonight's game to support the U.S. Olympic team.

The Jaycees will take the collection at half-time with the assistance of the Littlestown High School Band majorettes.

The Littlestown drive for the Olympic Fund coincides with a nationwide U.S. Jaycee program attempting to raise $1,-000,000 for the fund.

The Keystone state hopes to raise $200,000 for the Olympic Fund. The Littlestown Jaycees are striving to raise about $200.

In addition to the collection tonight, the Jaycees have requested that local Littlestown industry also make a donation to the program.

source library can become the greatest source of information in town on all or any subject.

• • •

Until the new children's wing was added last spring, the Adams County Public Library was unable to make all of its material available at all times to the public, but the new reference room provides room for several study tables, study carrels long each wall for individual study, atlas, globe, card catalogues for all indexes and a vertical file for pamphlets, maps and other unbound materials.

• • •

In addition to the bound volumes, the library has 125 periodicals, including three daily newspapers, for public use. Twelve new periodicals added this year include Architectural Record, Craft Horizons, the U.S. Dept. of State Bulletin, Ebony, International Conciliation, Missiles and Rockets, Monthly Labor Review, Recreation, Sky and Telescope, U.N. Monthly Chronicle and the Yale Review.

The reference library is most important to the young student, supplementing his text and classroom instruction with deeper topical information. And, according to Mrs. Mary S. Wilson, librarian, use of the reference room has increased immeasurably in the past few years. She anticipates that with the opening of school there will be greater demands for this service than ever before.

The Adams County Public Library is scheduled to receive $5,000 of the $32,000 goal of the United Fund campaign.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTEEN YEARS AGO

More than 2,000 persons jammed the sidewalks of Fairfield Monday for the annual Labor Day parade of the Adams County Firemen.

* * *

Shirley May France abandoned her attempt to swim the English Channel and gave up less than six miles from the English coast. She had been in icy waters for 10½ hours. The plucky 17-year-old girl from Somerset, Mass., covered approximately 30 miles of swimming in her efforts to cross the 19-mile wide Channel from Cape Gris Nez, France to Dover, England.

* * *

Firemen at the parade in Fairfield Monday afternoon were suddenly faced with a real fire alarm and will go down in history as responding to the "best covered" fire in the county. Present for the parade, six fire companies sped in the direction of the L. V. Plank farm along Tract Rd., when they realized an alarm had been turned in. However, when they arrived at the scene of the fire they found that a small fire in a few feed bags had been extinguished prior to their arrival.

* * *

Gettysburg councilmen Tuesday evening promptly and firmly turned thumbs down on one-way streets for the borough and chose to permit parking on only one side of streets to relieve traffic congestions on narrow streets. Council approved the purchase of a fogging machine for use in the war against mosquitoes at a price of $1,400 less than the amount budgeted for the program.

* * *

Displays at the South Mt. Fair, which opened this morning, are valued at more than $400,000 according to fair authorities, and commercial displays are valued at an additional $50,000. One of the novel exhibits this year is a plastic automobile shown by H. and H. Machine Shop, Gettysburg. The model was manufactured by the Pontiac Division of General Motors at a cost of $35,000 and has been exhibited at the World's Fair and Smithsonian Institution, Washington, D. C.

* * *

Arthur M. Gordon, Upper Adams social studies teacher, has been re-elected president of the Adams County Branch of the PSEA for the fourth term. Elections were held at the 93rd annual Adams County Institut in the high schoool here.

* * *

A tree next to the curb on the property of Thomas J. Winebrenner, on the west side of Baltimore St. and Steinwehr Ave., will be removed by borough highway employes with the consent of the owner. Removal of the tree will permit widening of the street at the turn to remove a traffic hazard.

* * *

The Adams County commissioners have received a petition from borough council requesting that Sunday movies in Gettysburg be placed before voters in the November election. The petition contained 801 names.

* * *

Plans for a memorial to the men and women who served in World War II were discussed at a meeting of the VFW and a committee was appointed to consider erection of a community hall, a youth program or a community park. The memorial would be a community affair sponsored by the VFW, the American Legion, Lions Club, firemen and other groups.

A Daytona Beach, Fla., woman was fined for failing to halt at a stop sign, causing a collision in which one person was injured and damage totaled $700 to an automobile and a tractor-trailer. The accident occurred near York Springs.

Today's Talk

WITH WHOM YOU EAT

It was Epicurus who once said that, "A mean should not so much respect what he eateth as with whom he eateth."

Certainly nothing is more pleasurable to have about you at the eating table than those of companionable ability. Merely to eat — and often too rapidly — was never intended as the highest art. Eating becomes an art only as you are accompanied in it by those whose companionship is happily agreeable and stimulating.

I have always disliked eating alone, and who doesn't? Good talk, as Dr. Johnson once remarked, is the supremest of delights. And good talk at the eating table is difficult to match at any other place. The modern banquet table is a curse! There is rarely dispensed either good talk or good food!

The mind has a great deal to do with digestion. Happy and friendly talk, with one or more congenial friends, adds a glow to digestion and gives a natural stimulation to both mind and body.

It is just as important to choose the place where you eat. An eating place, however, cannot be made too attractive. Hotel men have told me the most popular eating rooms are those with low ceilings. They are warner and less lonely.

But of all places to eat, none can compare with the home, its jollity and its intimate companionship. And at no other place does food taste so good!

It is a wise plan first to select the one with whom you wish to dine, then to decide upon the place. But always try and fit the place to the friend. Then you will both dine fabulously! The simplicity of the bill of fare will not matter.

Great and enduring friendships have been cemented over the dining table. Public places should bear this in mind and remember that service and courtesy are fully as important as the food furnished.

PROGRESS

The old wise man put by his book
And said: "As far as I can see,
Adventure ends right here for me!
Beyond my day I cannot look.
Some younger man when I have gone
Into the dark must journey on.

"This is not all there is to know,
With time some clearer eye shall find
The paths to which I now am blind.
I've gone as far as I can go.
This marks the end of my career,
Now someone else may start from here.

"And so for him who waits behind
I leave the sum of all I've learned,
The bits of knowledge proved and earned
All catalogued for him to find.
He'll start from here to build and plan
With facts not known when I began.

"As I the benefit received
Of all who cleared the paths for me,
So he who follows me shall be
Of all my anxious doubts relieved.
Thus so much farther may he go
To learn what I can't stay to know."

"MUST" GAME WON BY PHILS ON 5-HITTER

PHILADELPHIA (AP) — It was a game the Philadelphia Phillies had to win, or their National League lead would have been trimmed to just four games by the onrushing St. Louis Cardinals.

Chris short was picked as the man to do it.

"It had to be one of my big gest games, with them closing in on us," the Phillies pitcher said after the game. He had cut the Cards down with a sixhit ter and rubbed it in by getting himself two hits in a 51 victory.

"But I wasn't any more nervous than usual before the start of the game," Short said.

THREW NO CURVES

"When I started warming up, I knew I had a real good fast ball. So I used it mainly—that and my slider I didn't throw any curves," he said.

Short allowed three hits and a walk in the first two innings, then only three more safeties and no walks for the rest of the game.

Short struck out a season high of 12 as he recorded his 16th win. He also lined a triple to right, bringing in a pair of runs in the Phils' big fiverun second inning.

LAUD ALLEN'S PLAY

Short and the rest of the Phil lies gave much credit for the big victory to a pivotal fielding play in the second inning by third baseman Richie Allen.

The Cards had scored one and had men on second and third, when julian Javier hit a hard smash down the third base line. Allen went to his righ tand threw out the fast runner from deep behind third, while the runners held.

Short got out of the inning and was never threatened again.

"If it had gone through," said Cards Manager Johnny Keane, "it would have beaten them."

BAD NEWS ON THOMAS

"It was the pivotal play of the game," said his counterpart on the Phillies, Gene Mauch.

The Phils came back with five runs in their half of the sec ond, combining two costly Cardinal errors, Short's triple and Johnny Callison's 26th homer of the season.

The only sour note of the day for the Phillies was the news that Frank Thomas, who broke his right thumb last Tuesday, would not even be able to pinch hit. He had a permanent cast put on the hand Thursday and did not make the trip to San Francisco with the club.

BOBBY BAKER CASE IS BACK IN SENATE LAP

By JOHN CHADWICK

WASHINGTON (AP) — The Senate Rules Committee had politically charged Bobby Baker case back in its lap today over Republican protests that "another whitewash" had been decreed by Democratic leaders.

The latest flareup of partisan wrangling over the Baker case was sparked by rival proposals for investigating an alleged $35,000 political payoff by Mathew McCloskey, Philadelphia contractor and former ambassador to Ireland.

The Democratic leadership won adoption of a resolution directing the Rules Committee to reopen the Baker probe and to give "particular emphasis" to the payoff charge leveled by Sen. John J. Williams, R-Del.

WILLIAMS LED DRIVE

Williams led an unsuccessful GOP drive to have the investigation handled either by the Senate Government Operations Committee or a recently authorized bipartisan committee on standards and ethics.

The first of these proposals was beaten, 50-37, on an almost straight party-line vote, and the second by a 45-38 tally. Then the Senate voted 75-3 to turn the investigation over to the Rules Committee.

Two months ago, amid Republican cries of whitewash, the committee closed out its investigation into the outside financial and business dealings of Baker, former secretary to the Senate's Democratic majority. The committee submitted a report finding him "guilty of many gross improprieties."

INVOKED FIFTH

When questioned about how he built up a claimed fortune of over $2 million while in his $19,600-a-year Senate post, Baker invoked 5th Amendment protection against possible self-incrimination and refused to testify.

The case burst into the headlines anew last week when Williams made his payoff charge in a Senate speech.

He said that McCloskey had made a $35,000 overpayment to Don B. Reynolds, a local insurance agent with whom Baker was associated, on a performance bond for building the District of Columbia stadium.

Williams quoted Reynolds as telling him that $25,000 of this was channeled through Baker to the Kennedy-Johnson campaign fund in 1960.

Burton, Taylor To Aid Hemophilia

NEW YORK (AP) — A foundation to further research into hemophilia has been set up by actor Richard Burton and his wife, Elizabeth Taylor.

The couple intend to raise funds through personal appearance engagements. Burton explains his interest stems from lifelong susceptibility of himself, in slight measure, and of his brothers, in greater degree, to the ailment.

Hemophilia is a disorder characterized by inability of the blood to clot rapidly after even a minor cut. In performance of "Hamlet," Burton says, any minor nick that he gets while duelling onstage takes five days to heal, compared with overnight for his actor opponent.

Birds Romp Over Senators Despite AL's First Triple Play; Yanks, Chisox Winners

By HAL BOCK
Associated Press Sports Writer

The bases are loaded and your best hitter is up. He bangs into a triple play, but you don't worry. A run scores on the play and that sort of thing happens only to winners.

As long as Hank Bauer's Baltimore Orioles are winners, he can take the triple plays in stride. Especially if they produce runs. That's what happened in the midst of Baltimore's 12-5 victory over Washington Thursday night.

The Orioles had scored eight runs in the fourth inning and looked to be ready for some more in the fifth when Jerry Adair, Luis Aparicio and Boog Powell opened with consecutive singles loading the bases. Brooks Robinson, who had seven straight hits was the batter.

FIRST OF SEASON

Robinson bounced to Senator shortstop John Kennedy and Adair scored as Kennedy flipped to Don Blasingame, who relayed to Joe Cunningham to complete the seemingly routine double play. But when Aparicio tried to score too, Cunningham's throw to catcher Mike Brumley caught Aparicio and produced the American League's first triple play of the season. Four triple plays had been previously recorded in the National League.

The victory kept the Orioles one game in front of Chicago, which went 10 innings before nipping Minnesota 3-2, and 1½ up on third place New York, which used home run power to drop Detroit 5-2. In the only other American League game played, Cleveland edged Boston 5-4.

Robinson had a big night except for the triple play. He rapped three singles and a double in the 17-hit Oriole attack, scoring two runs and knocking in two.

HOMER FOR BOWERS

Sam Bowens contributed a three-run homer in the Orioles' big inning and also had a run-scoring double. Milt Pappas parlayed the heavy support into his 15th victory and seventh in a row.

Ron Hansen rifled his 17th homer of the season off loser Jim Kaat in the 10th inning for Chicago's victory over Minnesota. Hansen's shot came on a 3-0 pitch.

Sox starter Joel Horlen and Kaat had dueled through eight innings before Horlen left for a hitter. Hoyt Wilhelm finished up and won it for Chicago.

31ST FOR STUART

Elston Howard crashed a three-run homer and that was all Al Downing needed for his 12th victory as the Yankees kept pace. Joe Pepitone also homered for New York.

Downing limited the Tigers to five hits, one of them Al Kaline's 14th homer.

Pitcher Sonny Siebert and rookie Chico Salmon ripped home runs for the Indians and Don McMahon's tight relief protected the victory over the Red Sox. Dick Stuart belted his 31st homer and Tony Conigliaro got his 21st, both with a man on for Boston.

THURSDAY'S STARS
By THE ASSOCIATED PRESS

PITCHING — Bob Purkey, Cincinnati, pitched a five-hitter for his 10th victory against eight defeats as the Reds blanked Pittsburgh 3-0.

BATTING — Brooks Robinson, Baltimore, drilled three singles and a double, driving in two runs, as the Orioles walloped Washington 12-5.

Fred Goudy was America's foremost type designer.

PACKERS WILL FACE BEARS IN 1ST BIG GAME

Associated Press Sports Writer

Paul Hornung will start playing for keeps Sunday and the Green Bay Packers will make the Chicago Bears pay up for last year's indignities in the most important game of the weekend openers in pro football.

Forget the pre-season exhibition game between the two ancient rivals, won by the Packers 21-7, this is for real. Vince Lombardi and his crew will be all whipped up for a rugged battle with that savage Bear defense.

The Bears started on their way to the title last year by upsetting the Packers in another opening day game, 10-3, but not this time.

CARDS VS. DALLAS

The National Football League has one Saturday night opener when the highly regarded St. Louis Cardinals play in the Cotton Bowl at Dallas against the pass-minded Cowboys.

Sunday action in the NFL finds the New York Giants, who beat only Philadelphia in the exhibition season, starting the defense of their Eastern Conference title against the same Eagles at Franklin Field in Philadelphia.

The Washington Redskins will be at home to Cleveland's flashy offense. Baltimore will be at Minnesota to give the Vikings, 5-0 in exhibitions, a stern threat. Detroit opens at San Francisco and Los Angeles at Pittsburgh.

AFL SCHEDULE

The American Football League, buoyed by forthcoming new television money, starts its fifth season with two Saturday night games and two Sunday. The defending champion San Diego Chargers will be at home to Houston in one Saturday game and the New York Jets, the surprise of the exhibition season, play their first game at new Shea Stadium home against Denver. In the Sunday games Kansas City will be at Buffalo and Boston at Oakland.

Here's the way it looks from here for the opener (all games Sunday unless otherwise noted):

NFL

St. Louis 21, Dallas 13 (Saturday night) — Cards' Charley Johnson throws too many bombs for the Cowboy defense. Dallas still trying to get organized on offense.

Green Bay 17, Chicago 7 — Hornung and Co. control the ball against the Bears. George Halas still having problems with attack. Winner of this should go on to Western title.

Cleveland 24, Washington 20 — Browns' new air arm, with Paul Warfield added to receiving corps, balances Jim Brown's ground punch. Sonny Jurgensen, Bobby Mitchell and Charley Taylor will make it close. Chance for an upset.

Baltimore 21, Minnesota 17 — Johnny Unitas is on the beam and has a new runner, Tony Lorick, to help cotrol the ball.

New York 28, Philadelphia 17 — Y. A. Tittle finally swings into action for a full day. Eagles tougher on defense but still experimenting.

Los Angeles 21, Pittsburgh 17 — A toughie. Rams have been erratic on attack with rookie Bill Munson doing best job. Steelers have shown little punch and defense not up to par.

Detroit 21, San Francisco 7 — Terry Barr and Gail Cogdill to pick on 49ers deep defense while big rush line gives John Brodie and Georgie Mira a tough day.

AFL

San Diego 35, Houston 21 (Saturday night) — Chargers ready to start rolling again with Keith Lincoln and Co. taking dead aim at experimenting Oilers.

New York 21, Denver 17 — Jets primed for top-flight effort in bow at new stadium, with Dick Wood in best form of career. Jets might run it up.

Buffalo 17, Kansas City 14 — Bills reverse earlier exhibition score by containing Abner Haynes. Buffalo's home jinx and pass defense chinks give Chiefs big chance but this should be Buffalo's year.

Oakland 21, Boston 7 — Al Davis' "Poor Little Raiders" are red hot again and Patriots haven't even won an exhibition game.

A total of 218,948 fans turned out in Los Angeles when the Dodgers played a four-game series against the San Francisco Giants late last summer. Three games were at night, the final on a Sunday.

OLYMPIC ACES GET BIG TEST OVER WEEKEND

By BOB MYERS
Associated Press Sports Writer

LOS ANGELES (AP) — The grand climax won't come until America's best goes into the 1964 Olympic Games at Tokyo in mid - October. But the showdown for positions on the U.S. track and field team is set for Saturday and Sunday.

The site is Los Angeles' Memorial Coliseum, where 140 or more of the top athletes in the nation go into action in the final trials.

Los Angeles currently is experiencing its almost annual September heat wave, and it is possible that on the sunken floor of the big stadium the temperature will be around 100 degrees.

Decathlon events start at 1:30 P.M., PDT, Saturday, 2:00 P.M. Sunday, with competition for the main squad scheduled to begin at 4 p.m. each day.

WINNERS HEALTHY

All of the winners in the semi-final trials held last month in New York are here, and apparently healthy.

Each automatically qualified for the team, and barring a major let-down here, are Tokyo-bound.

Attention thus centers on the second and third place finishers who also will make up the team.

This field includes eight athletes who hold, share or have pending world records.

They are Fred Hansen and John Pennel, pole vault; Dallas Long, shot-put; Al Oerter, discus; Bob Hayes, 100-yard dash; Henry Carr, 200 meters; Ralph Boston, broad jump, and Hal Connolly, hammer throw.

Two of this distinguished group, Hayes and Hansen, have yet to qualify. Hayes missed the New York trials because of injuries, and Hansen, who has a record 17-4 vault, simply missed out at New York.

A little giant among all the giants is a 5-foot-5, 12 - pound Gerry Lindgren, 18 - year - old high school kid from Spokane, running in Saturday's 10,000 meters.

Parochial Grid League To Open

The seven - member Parochial School Football League will open its season this weekend with six of the teams scheduled for games. All contests will be played at Delone High School, McSherrystown.

St. Francis Xavier School of Gettysburg will meet Sacred Heart of Conewago Sunday afternoon at 2 o'clock.

Other games scheduled this weekend include: Saturday, St. Joseph's, Hanover, vs. St. Vincent's, Hanover, at 7 p.m.; Sunday, Annunciation of McSherrystown vs. St. Joseph's, Bonneauville, at 1 p.m.

Paradise draws bye for the first weekend, meeting St. Joseph's, Hanover, September 19 at 7 p.m.

3 Youths Killed When Car Upsets

GLOUCESTER, N.J. (AP) — Three youths were killed and a fourth injured today when their car hit a pole and upset on Route 130 near here, police reported.

Dead were Larry Teschko, 19, of Gloucester City, Thomas Buck, 23, and James DelFidio, 22, both believed from Philadelphia.

Injured in the accident was Ronald Brennan, also of Gloucester City.

Knowledge advances by steps and not by leaps.

Student Bowling Program To Open

The American Junior Bowling program will get underway Saturday at Edgewood Lanes, Emmitsburg Rd., with registration.

All students attending Gettysburg schools must register at the lanes if they wish to be placed on teams. Students 13 years of age and older should report from 9 to 11:30 a.m. and students from eight years through 12 will register from 12:30 to 3 p.m.

A free practice game may be rolled by all desiring to be placed on teams. The season will open the following week with transportation to and from the lanes being furnished.

Additional information concerning the recreation program may be secured by calling either Edgewood Lanes or the Recreation Dept. office.

HS GRIDIRONS OPEN SEASON THIS EVENING

HARRISBURG (AP) — The scholastic competition that has helped to produce, in Gov. Scranton's words, "the finest football players in America" opens the 1964 season with a full slate of games tonight.

Gone are many of the 1963 all stars who contributed to Pennsylvania's 12-6 victory over Texas in the seventh annual Big 33 game.

Gone are Harvey Colston, of Middletown, the state's leading scorer in 1963; Bob Bazylak, the McKeesport quarterback who passed for 2,067 yards and 20 touchdowns in completing 132 of 245 passes last fall. Gone is Butler fullback Bill Rettig, named the outstanding player of the Western Pennsylvania Interscholastic Athletic League in 1963.

NEW NAMES, NEW GAMES

But there are new names waiting to be honored. And there are the outstanding interstate rivalries, such as Altoona against Massillion, Ohio, on Oct. 24, and Farrell against Salem, Ohio, on Oct. 2.

Waynesboro and Chambersburg will travel south to engage such teams as North Hagerstown, Westminster, Martinsburg and Boonsboro in Maryland and West Virginia. At the opposite end of the state, Sayre and Athens will meet several New York State opponents.

Tonight the defending WPIAL-Class AA champion, West Mifflin North, opens against Class A rival Duquesne. Cedar Cliff, a threat to the three-year reign of Harrisburg in the Central Penn Conference, meets powerful Central Dauphin in a non-league game. Blakely, the 1963 Eastern Penn Conference champion, confronts Lakeland.

Most of the Philadelphia area schools open next weekend.

AKRON MATCH ON SATURDAY

AKRON, Ohio (AP)—Almost everything has arrived for the World Series of Golf except the money — and it is on the way air mail special delivery.

The winners of golf's four major titles — Arnold Palmer, Ken Venturi, Tony Lema and Bobby Nichols — will square off in the 36-hole television special Saturday and Sunday at the Firestone Country Club course.

They began drifting into town Thursday and were scheduled to play their first practice round today. The last six holes of the practice round will be on camera in a dry run for the television show Saturday and Sunday.

Walter Schwimmer, a Chicago television producer who devised this World Series two years ago, also arrived, but he forgot to bring the money.

First prize is $50,000 and second $15,000. Others console themselves with $5,000 each.

M'KINLEY AND ROY EMERSON TO MEET NEXT

FOREST HILLS, N.Y. (AP) — For the third straight year Chuck McKinley is within two steps of the National Tennis Championship, and this time he thinks he may go all the way.

"I feel that I've been improving with every match," the thick-legged acrobat from San Antonio, Tex., said today. "I am very optimistic about my chances of winning the title."

McKinley, the nation's No. 1 ranked player but fourth seeded in this tournament, entered the semifinals Thursday by beating left-handed Roger Taylor of England 13-11, 9-7, 6-1.

His opponent Saturday is an old rival, Roy Emerson of Australia.

ANOTHER DATE LATER

They have another date later this month in the Davis Cup Challenge Round at Cleveland. Emerson advanced Thursday with a 13-11, 8-6, 6-2 triumph over fellow Australian Tony Roche.

McKinley and Dennis Ralston of Bakersfield, Calif., wrested the Cup from the Aussies last year but they figure to have a tough time keeping it from an improved Australian team in Cleveland Sept. 25-27.

The No. 2 Aussie, Fred Stolle, played Ralston, America's other singles player, in the quarter-final today at the West Side Club. The winner must take on the survivor of the match between Britain's Mike Sangster and defending champion Rafael Osuna of Mexico.

CAROL HANKS WINS

Carol Hanks, a scrappy St. Louis miss, knocked out the second seeded player, No. 6 Ann Haydon Jones of England, 7-5, 2-6, 8-6, and went into the semifinals against defending champion Maria Bueno of Brazil, a 6-4, 6-1 victor over Robyn Ebbern of Australia.

The other two quarter-final tests today matched a quartet of Americans, making possible an All-American final Sunday. Third-seeded Billie Jean Moffitt of Long Beach, Calif., plays Nancy Richey of Dallas, No. 5. Karen Hantze Susman of San Diego, No. 11, faces Carole Caldwell Graebner of Santa Monica, Calif., No. 9.

FAMILY GROUP WINS $172,726 AT ROOSEVELT

WESTBURY, N.Y. (AP) — Robert Froner, his wife of four months, his in-laws and two friends drove out to Roosevelt Raceway in a 1956 Oldsmobile Thursday night.

They could have used a Brink's Truck to get back to their Brooklyn home.

Froner, a 22-year-old architectural draftsman who was trying his hand at the Twin Double for only the second time, rode off with the biggest payoff in TD history — $172,726.80.

The youngster, who has been married only four months, said he had taken his father-in-law's advice betting the last two races after the 4-1 combination had left him with 42 live tickets after the first half of the twin.

"We wheeled six horses in the eighth race and seven in the ninth," he said. "I was standing by the escalator in the last race and when they headed into the stretch and I knew that Roslyn J. was in front, I just prayed."

COLLEGE BOY BY NIGHT

Froner, his wife Mary, his in-laws, Mr. and Mrs. Gaspari Iaci and Mr. and Mrs. Dominick Cardile, all of Brooklyn, had bet on War Haven $19.70, in the sixth race and The Operator, $8.40, in the seventh. Their mammoth victory was completed when Don Roberto, $75.80, won the eighth and Roslyn J., $17, took the ninth. The winning numbers were 4-1-8-8.

The winner works days and attends college at night. He said the group had visited Roosevelt many times before but had bet the Twin Double for the first time Monday night and lost.

Schoolboys Open Grid Seasons This Evening

Scholastic football bows in today with four area teams scheduled for opening games.

Gettysburg High travels to Westminster to meet the Owls, Tri-State League champions last year who compiled an overall 9-0-1 record. Westminster, with a lighter team than usual, expects another fine season and is confident of winning its 11th straight over a Warrior team. Game time is 8:30.

In other games this evening, both starting at 8 o'clock, York Suburban plays at Littlestown in a York County League game, while Delone Catholic meets Chambersburg on the latter's field.

This afternoon at 3 o'clock Biglerville meets St. Francis Prep at Spring Grove.

Bermudian Springs hosts Northern Saturday at 2 p.m. on the new field near York Springs.

FOR SHOW, NOT GO

WALTON, Ky. (AP) — Volunteer firemen in Walton want it known they're up to date even if they bought a 1918 firetruck.

The old vehicle was overhauled and dolled up for parades and the like.

Don Skakle's North Carolina tennis teams have lost only two of their 42 matches in the last two years.

Chris Short Pitches And Bats Phils To Victory As Giants And Cincinnati Win

By MURRAY CHASS
Associated Press Sports Writer

"I feel I'm a better pitcher than the batter is a hitter," says Chris Short.

The Philadelphia ace proved his point again Thursday but this time went one step further.

He showed he was a better hitter than all of the St. Louis batters combined by driving home the first two runs in the National League-leading Phillies' 5-1 victory over the Cardinals.

HAS DOZEN STRIKEOUTS

Short, in fact, belted two hits — a key triple and a single — in four times at bat.

The 26-year-old hurler came to the plate in the second inning with runners at first and third and one out. He promptly lashed a triple to the right field bullpen, bringing in Tony Taylor and Ruben Amaro with the first two runs of a five-run outburst.

Short's pitching, meanwhile, didn't suffer. He held the Cardinals to six hits while striking out 12 and walking one.

HIS 16TH WIN

The victory was his 16th — he has seven losses — tying him with Jim Bunning as the team's winningest pitcher. The southpaw's earned run average — 1.89 — is second only to Sandy Koufax' 1.74 among NL pitchers.

Short's over-all performance was particularly vital because the victory boosted the Phillies' lead to six games over St. Lous, Cincinnati and San Francisco.

A defeat would have moved the Cardinals to within four games of the top with the Phillies facing an important three-game series starting in San Francisco tonight. No one has been as close as four games behind Philadelphia since Aug. 15.

REDS BLANK BUCS

The Reds blanked Pittsburgh 3-0 Friday night while the Giants knocked off Los Angeles 5-1. Milwaukee nipped New York 7-7 and Chicago edged Houston 4-3 in National League afternoon games.

CARD ERRORS HELP

Johnny Callison's two-run homer climaxed the Phillies' early, but winning, rally, which was aided by errors by Ken Boyer and Dick Groat. The Cardinals scored their lone run in the second on a walk to Boyer, a single by Charley James and Bill White's double.

Bob Purkey, 10-8, pitched a five-hitter against the Pirates. The Reds scored all of their runs in the sixth inning. Bob Friend hit Pete Rose with a pitch, then gave up singles to Vada Pinson, Frank Robinson and Deron Johnson for two rus. The last run came across on a force play.

Billy Pierce, making his first start of the season, allowed six hits before needing relief help from Jim Duffalo in the eighth inning. Pierce, 3-0, singled across the last Giant run in the seventh. Jim Hart cracked his 27 homer, a two-run blast, in San Francisco's first inning.

JACKSON WINS 19TH

Larry Jackson became the majors' second 19-game winner, scattering eight hits before needing relief help from Lindy McDaniel in the ninth inning.

The Colts rocked Jackso, who has lost 10 times, for three runs in the sixth, but the Cubs rallied for three runs in their half of the inning. Ernie Banks doubled across two runs and later scored on a wild pitch by reliever Hal Woodeshick.

The Braves snapped a 4-4 tie against the Mets in the eighth inning on Lee Maye's fourth straight hit, a single, and Rico Carty's 17th homer. Felipe Alou doubled home what turned out to be the winning run in the ninth.

PANTHERS AND UCLA BATTLE ON SATURDAY

By ED SCHUYLER

PITTSBURGH (AP) — Pittsburgh's Panthers, one of the nation's powers in 1963, meets UCLA, hoping to rebound from a poor season last year, in the first major game of the 1964 college football program Saturday.

A crowd of between 35,000 and 40,000 is expected at Pitt Stadium for the national television game over the NBC network. Kickoff time is noon, EST.

Only a scattering of games are on the card this week. Trinty University of San Antonio is at Houston Saturday night, British Columbia plays Montana at Missoula, and there are several other minor tussles.

Eight of the nation's top teams of 1963 headed by No. 1 Texas, swing into action the following weekend, along with many other major squads. The season goes full blast the week after.

RANKED FOURTH

Pittsburgh posted a 9-1 record, its best since 1937, and ranked fourth in the nation last year. UCLA had a 2-8 record, including a 20-0 loss to Pitt. The Panthers hold a 4-2 series edge over the Bruins.

The weather forecast predicted rain and temperatures in the 70s.

Rain could blunt the attack of both teams, since each is armed with good passers.

Larry Zeno and Stevel Sindell will do the passing for UCLA, while all-around threat Fred Mazurek, beginning his final season, will do most of the throwing for the favored Panthers.

He will be backed up, as he was last season, by Ken Lucas.

Zeno and Sindell will have for targets seven of the team's eight best receivers in 1963. They are headed by Kurt Altenberg, who grabbed 24 passes last year.

GREG RUTH ON U. S. MAT TEAM

ANNAPOLIS, Md. (AP) — Greg Ruth of Bethlehem, Pa., the only American to win a medal in the World Wrestling Championships last year, earned a place Wednesday night on the U.S. Olympic freestyle wrestling team.

The Oklahoma University junior, who finished third in the 1963 world event, edged James Burke of the San Francisco Olympic Club twice in the 154-pound class by 3-2 majority decisions.

Richard Wilson of Toledo, Ohio, captured the first berth on the Greco-Roman style team, taking two decisions from Richard Sanders of Portland, Ore.

Wilson has represented the U.S. twice in the Olympics. In 1956, he became the first American to win a match in Greco-Roman Olympic wrestling, a style in which the United States began competition that year.

In the only other freestyle competition, Russ Camilleri of San Francisco defeated Leonard Kauffman of Lebanon, Ore., 5-2. Kauffman won an earlier match, and the two will meet again Thursday, with the winner going against Charles Tribble of San Bernardino, Calif., in the finals of the 171.5 pound class.

Sermon For The Week

By REV. JOHN Z. MARTIN
Pastor
New Oxford
United Church of Christ

"BEARING BURDENS"

"Bear one another's burdens, and so fulfill the law of Christ." (Galatians 6:2)

Have you ever known anyone who had no burdens to carry? Probably not. Although these may vary greatly, virtually everyone has some. There may be unnecessary burdens which result from our own poor judgment. Some others may be completely beyond our control. Also, many persons choose voluntary burdens.

How much constructive work has been done by these thoughtful and concerned people who have believed in doing more than pulling their own weight! Actually, when you think about these voluntary burdens, it seems that persons who have no burdens to bear are missing most of life.

Paul, the Apostle, went so far as to imply that by bearing one another's burdens, Christians in Galatia would fulfill the law of Christ. Apparently, some in the fellowship had fallen below the standard of good Christian living. Paul was challenging stronger members of the fellowship to share in the restoration of these persons. He remembered the old basic principles which Jesus emphasized and upon which the Christian life operates, "You shall love your neighbor as yourself."

How happy are those who have learned this basic law of life. Daily work is likely to be most interesting, meaningful and rewarding to persons who are conscious of thereby helping people to live better. Our social life can be most enriching when we concentrate on enriching others.

ERNEST KRAPE SPEAKS FOR JUNIOR WOMEN

Ernest Krape, near Gettysburg, was guest speaker at the first fall meeting of the Junior Woman's Club of Littlestown held on Wednesday in the social hall of the Eagles home, W. King St.

The noted area artist addressed the club on the subject "What Is A Painting?" He stated that "a painting is what the artist sees and what the viewer sees" and gave a history of painting. Mr. Krape displayed several of his works and showed slides of his paintings. He was introduced by Mrs. Lois Feeser, chairman of the fine arts committee, in charge of the evening's program. Works of the following local artists were displayed: C. Herman Boyd, Mrs. Emory C. Gitt, Mrs. Dean W. Bankert, Thomas Stavely and Mrs. Robert B. Hensel, Lancaster, the former JoAnn Wehler of town.

The newly-installed officers presided for the session which opened with the Pledge to the Flag and the Junior Woman's Club pledge. Mrs. J. Scott Zanger welcomed the members and the following guests in attendance: Mrs. J. Everett Feeser, Mrs. Emory Gitt, Mrs. Betty Louey, Mrs. Dean Shorb and Mrs. Robert C. Lyon. A letter of thanks was read from Carol Sheely for her club-sponsored trip to camp this summer.

REPORTS GIVEN

Reports were heard from the following: Mrs. Robert K. Boyd, secretary, a summary of the summer executive board meetings; Mrs. C. Robert Orndorff, assistant secretary, gave a list of recommendations for the club; Mrs. A. Richard Geisler, chairman of the membership committee, in charge of applications for the current membership drive; Mrs. Bernard G. Kebil, finance committee chairman, read the proposed 1964-65 budget, which was approved; Mrs. Donald C. Feeser reported for ways and means; Mrs. Robert W. Hall reported on the summer dance and block parties; Mrs. Herbert J. Sell for the stand at summer carnivals.

The club will conduct the annual cerebral palsy drive in the community Tuesday evening in a 53-minute march. The drive will begin at 6 p.m. with the tolling of church bells. It was decided to contribute to the county court fund. A collection will be received at the next meeting for a donation to the Pennsylvania Association for Retarded Children for research.

Mrs. Zanger announced the following meetings and reservations to attend should be made with her: South Central District meeting in Chambersburg at the YMCA Wednesday, September 23, and registrations are $2.50 and must be made by September 18; Monday, October 5, the Adams County Federation of Women's Clubs meeting at the Holiday Inn, Gettysburg; Wednesday, October 7, Middle Atlantic Conference at Carry Hill Inn, Cherry Hill, N. J., registration for the workshop and luncheon is $4.50 and must be made by September 27.

GUEST SPEAKER

The members brought old magazines for the Magazine Friendship Project for overseas shipment. The project is in charge of the education committee, Mrs. Richard N. Greenholt, chairman.

During the social hour, refreshments were served by the fine arts committee, consisting of Mrs. Lois Feeser, Mrs. Clyde W. Crouse, Mrs. Gary L. Mummert, Mrs. Earl A. Rebert, Mrs. Mark Redding, Mrs. Donald Cook, Mrs. Jack E. Rebert and Mrs. Donald Feeser.

The Rev. Donald H. Treese, pastor of the Gettysburg Methodist Church, will be guest speaker on the subject "Mentally Retarded Children" at the next meeting of the club on Wednesday, October 14. The hostesses will be the education committee, consisting of Mrs. Richard Greenholt, Mrs. Richard E. Barnes, Mrs. Francis I. Gerrick, Mrs. William Grove, Mrs. Kent E. Daum, Mrs. Albert J. Bair, Mrs. Harold Study and Mrs. Richard A. Little Jr.

MAY NOT BE TRAVEL DAY FOR SERIES

By TED SMITS
Associated Press Sports Editor

NEW YORK (AP) — The 1964 World Series will be unique in at least one respect, and possibly in two.

There will be no travel day if only Eastern or only Midwestern teams are involved, breaking the pattern of recent years, and refuting, says Commissioner Ford Frick, the contention that the travel day was inserted in the Series program just to assure a Sunday television game.

Thus, if the Series is between the Philadelphia Phillies of the National League, and the Baltimore Orioles or New York Yankees of the American League, the Series will s5art Wednesday, Oct. 7, in the Phillies' park for two games, and move immediately to the American League park for the next three games.

COULD END SATURDAY

If one team were to win four straight in the best four-out-of-seven the Series could end on Saturday. If the Series is between the Chicago White Sox and the Cincinnati Reds or St. Louis Cardinals there also will be no open day.

Representatives of the three closely bunched American League teams — White Sox, Yankees, and Orioles — met in Frick's offive Thursday with the four National League contenders, the front-running Phillies, plus the Reds, Cardinals, and San Francisco Giants.

These facts were fixed:

The Series will open Oct. 7 in the National League park for the first two games, followed by three in the American League park, then two more if needed in the National League park; Ticket prices will be $12 per game for box seats, $8 for reserved, $4 for unreserved and standing room, and $2 for bleachers, in all cases tax included; all games start at 1 p.m., local time; there would be a travel day between changes except in the situations listed.

COULD BE PLAYOI . :

The second way this Series could be unique is this:

The American League race is so close there could even by a three-way tie for first. In that case there would be a round-robin elimination, teams dropping out after losing two games.

This could run six days. Even if this could be started on Monday, Oct. 5, the day after the regular season closes, and there were no weather delays, it could run through Oct. 10.

Then there would be an open day, and the Series would start Oct. 12.

If it is just a two-way tie in either league, the winner would be settled by a best two-out-of-three playoff.

Mrs. Goldwater Is Given Copper Key

GREAT FALLS, Mont. (AP) — Mayor Marian Erdmann presented Mrs. Barry Goldwater with a copper key to the city of Great Falls Thursday and said — in a friendly rib at Billings, Mont. — "We do not ask to have it returned."

Billings officials presented Mrs. Lyndon B. Johnson with a key to the city last month and Mayor Willard Frazer's efforts to have it returned gained nationwide attention. Frazer later told the First Lady she could keep it but she sent it back anyway.

CLAIMS STATE GOP LEADERS ARE LAGGING

PITTSBURGH (AP)—A top Pittsburgh Republican spokesman says Pennsylvania GOP leaders aren't giving their full support to Republican presidential nominee Barry Goldwater—and as a result—he may lose the state.

Paul W. Hugus, former Allegheny County GOP chairman and a pre-convention support of the Arizona senator, also said Thursday that campaign help offered by original Goldwater supporters is being ignored in the state.

Hugus said, "Apparently nobody on the state or county level wants any help from the mass of original Goldwater people.

"HAVE BEEN VETOED"

"I am certain that most of the original Goldwater people have been vetoed in Harrisburg or Washington," he said. "If Goldwater wins he will have to win despite the loss of Allegheny County and Pennsylvania if things go the way they are going."

Much of what Hugus said was echoed by Blair F. Gunther, minority Republican county commissioner who was one of four Pennsylvania delegates who voted for Goldwater at the GOP national convention.

Gunther said state Republican Chairman Craig W. Truax and Gov. William W. Scranton are playing "both sides of the coin." Scranton opposed Goldwater for the presidential nomination.

"HALF-HEARTED EFFORT"

The commissioner said Harrisburg is "half-hearted on behalf of Goldwater."

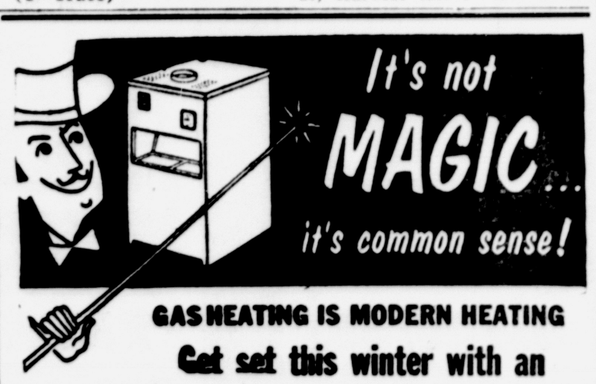

"Anyone seeking proof of the slow down in the Goldwater effort by Harrisburg has only to scrutinize the current registration figures. A check of the area where Republican state payrollers are in abundance will show a half-hearted effort to get out the vote," Gunther said.

Gunther said Truax and Scranton are ready to take credit if Goldwater wins or to place the blame on Goldwater if he loses the election in the state or nation.

Corn Bake Is Held By Sports Group

A corn bake preceded the September business meeting of the Littlestown Fish and Game Association on Wednesday evening at the Fish and Game Farm, near town. The committee in charge included Robert Nester, Kenneth Shanebrook and G. Richard Knipple.

President Shanebrook presided and announced that members are asked to assist with work at the club farm each Wednesday at 6 p.m. Permission was granted to the Littlestown High School Class of 1936 to have a reunion on the association grounds on September 20. A membership drive is in progress and dues for the remainder of the year will be $5. The archery committee will sponsor a 28-target all deer shoot on Sunday. Reports were given by Secretary Knipple and Treasurer Kenneth Bortner.

It is planned to have special entertainment at the next meeting on Wednesday, October 14, at 8 p.m. Refreshments will be served by Edward H. Leister and Richard A. Little Jr.

Boy Scout Troop 84 held its first meeting of the season at the Community Center on Wednesday evening. Preliminary plans were made for the fall Appalachian Trail hike on Saturday and Sunday, September 26 and 27. Details will be announced later. Supervising the session was Scoutmaster Edgar A. Wolfe and assistants, Victor L. Reynolds and Robert Hahn. The troop will meet again next Wednesday at 7 p.m. in the Scout room.

Legion Auxiliary Conducts Election

Mrs. James W. Fager was elected president of the Ladies' Auxiliary to Ocker-Snyder Post No. 321, American Legion, at the first fall meeting held on Wednesday evening at the post home, E. King St. Others elected to office follow: First vice president, Norman R. Sentz; second vice president, Mrs. Robert W. Gouker; secretary, Mrs. Wilbur E. Mackley; treasurer, Mrs. F. J. Will; chaplain, Miss Beulah Wintrode; historian, Mrs. Ivan D. Rickrode; sergeant-at-arms, Mrs. John Bair. The new officers will be installed at the October meeting.

The Spanish moss draping trees and fences in the American South is not a parasite but an epiphyte, or air plant, that gets no nourishment from its host. The mosslike plant is related to the pineapple.

VOTE $250 TO BUILDING FUND

The Ladies' Aid Society of St. Luke's Lutheran Church voted a contribution of $250 to the church building fund and planned several fall activities at the September meeting held on Wednesday evening at the church, near White Hall.

An oyster supper will be served to the public on Saturday, October 3. Serving will begin at 4 p.m. in the church social hall.

Cancer dressings will be made in conjunction with the next meeting on Wednesday, Oct. 14 at 8 p.m. in the church. Iembers are asked to bring scissors and white material, such as old sheets, to make the dressings which will be given to the Red Cross. The October hostesses will be Mrs. Francis Dayhoff, Miss Judy Appler, Mrs. John Harmon and Mrs. Clair Snyder.

The annual Halloween party for members and friends of the congregation will be held on Tuesday, Oct. 27, at 7 p.m. Costume prizes will be awarded, games will be played and refreshments will be available. Plans for the event will be completed at the next meeting of the society.

The business period was in charge of Mrs. John H. Hartlaub, president. Reports were heard from Mrs. William L. Bensel Jr., secretary, and Mrs. Garland Leatherman, treasurer.

The opening program consisted of group singing, accompanied by Mrs. Larry Crouse; Scripture and prayer, Mrs. Augustus Kuhn; meditation, Mrs. Elwood Breighner, Mrs. Claude Flickinger and Mrs. Percell L. Worley; vocal duet, "What a Friend," Pamela and Connie Breighner, accompanied by the former; reading, "The Bible in School," Mrs. Flickinger.

Refreshments were served to the 24 members in attendance during the social hour by Mrs. Kuhn, Mrs. Breighner, Mrs. Flickinger and Mrs. Worley.

1st Fall Meeting Of PTA Tuesday

The Littlestown Jointure Parent-Teacher Association will hold its first fall meeting on Tuesday at 8 p.m. in the general purpose room of the Rolling Acres Elementary School.

War In S. Viet Nam Can End If Communists Are Convinced They Back Losing Aggression

By JOHN M. HIGHTOWER

WASHINGTON (AP) —Top U.S. officials say they believe it may become possible to negotiate an end to the war in South Viet Nam, but only after Red China and North Viet Nam are convinced they are backing a losing aggression.

Whether the anti-Communist fighting will have to be expanded beyond the borders of South Viet Nam before that result is achieved is one of the questions left open following the consultations here this week of Ambassador Maxwell D. Taylor with President Johnson and other U.S. policy makers.

TAYLOR SEES VICTORY

Taylor, who left Washington Thursday night to return to Saigon, said he is sure the South Vietnamese struggle "will end victoriously from our point of view."

But he declined to speculate on when it would end and he said this is not the tme to talk about negotiations.

When asked if there had been any discussion in the conferences this week about an armistice with the Reds, Taylor replied "absolutely not."

The sessions confirmed two immediate major objectives in South Vietnamese policy.

STATE REGIME

The most important of these purposes, according to reports coming out of the sessions at the White House and State Department, is the formation of a stable South Vietnamese government in Saigon as quickly as possible.

Taylor is understood to have reported to President Johnson and others here that U.S.-backed Premier Nguyen Khanh has come to be regarded even by his political foes in Saigon as an almost indispensable man at the moment.

Taylor feels he is the one man who has broad support among major elements of the Vietnamese population, including politically powerful Buddhists, the Catholics and the military.

GUERRILLA CLEAN-UP

The other objective on which a start is expected in the immediate future is a clean-up of Communist guerrilla forces in the four provinces immediately around Saigon.

Officials said Taylor had received assurances from Premier Khanh that he intended to go forward with the operation without delay, even during the government reorganization.

In discussing the larger and long-range aspects of the South Vietnamese conflict, officials said, Taylor expressed the view that it would not be won by military means alone.

President To Have WhaleOf Memento

VANCOUVER, B.C. (AP) — When President Johnson comes to Vancouver next Wednesday he may receive a whale of a memento.

Alderman Aeneas Bell-Irving said Thursday he hoped the President would pay a visit to Moby Doll, the city's 2½-ton killer whale. But if he can't, Bell-Irving thinks the City Council should present the President with a silver miniature.

Moby Doll was captured not far from here earlier in the summer and appears to be thriving in her new home — a sea pen at an old wharf.

COMPROMISE EXPECTED ON DIRKSEN MOVE

By ERNEST B. VACCARO

WASHINGTON (AP) — Supporters claimed today chances were better than even that the Senate would adopt a compromise solution in its fight over legislative reapportionment.

The compromise, reportedly backed by President Johnson, would declare that it is the "sense of Congress" that court-ordered reapportionment of state legislatures be delayed.

The compromise lacks the force of a proposal by Republican Leader Everett M. Dirksen, which would delay for at least one year enforcement of the Supreme Court's ruling that both houses of state legislatures be apportioned according to population.

MAJOR BARRIER

Dirksen's proposal is a major barrier to early adjournment of Congress.

A vote on the compromise is scheduled for next Tuesday after two test votes Thursday. In the key action, the Senate voted 49 to 38 against tabling — and thus killing — Dirksen's proposal, which has been offered as a rider to the pending $3.3-billion foreign aid authorization bill

Opponents of the Dirksen rider said it would require a shift of only six votes to adopt the compromise, which is being backed by Assistant Senate Democratic Leader Hubert H. Humphrey, Johnson's running mate in the Nov. 3 presidential election.

50-50 CHANCE

The compromise was offered by Sens. Jacob K. Javits, R-N.Y., and Eugene J. McCarthy, D-Minn. Javits told newsmen "the chances are 50-50 or better" that the Senate will adopt it. Other supporters agreed the odds are "better than even."

The compromise is the Senate's pending business as a substitute for Dirksen's rider, which would delay reapportionment in the absence of highly unusual circumstances. Dirksen's rider was designed to give legislators a chance to nullify the Supreme Court's ruling with a constitutional amendment.

DEATHS

BRITAIN SENDS FOUR WARSHIPS TO SINGAPORE

SINGAPORE (AP) — Britain dispatched four warships from the Mediterranean to Singapore today to bolster its Far East Fleet guarding Malaysia against Indonesia.

A Royal Navy spokesman said the two frigates and two destroyers should arrive within a week. He said they were ordered here "obviously due to the deteriorating situation in Southeast Asia."

The order to strengthen the sea force followed the airlift to Singapore Thursday of a 500-man antiaircraft regiment from British forces in Germany.

The British Defense Ministry also disclosed that four Vulcan bombers, three Canberra photo-reconnaissance planes and two long-range sea patrol Shackletons had been moved to Aden as part of the buildup. Apparently they were being brought closer to Singapore for quicker transfer if needed.

DEFENSE PLEDGE

Britain is pledged to defend the year-old Malaysian Federation of Malaya, Singapore, North Borneo and Sarawak which Indonesia has vowed to destroy.

Indonesia, which has landed troops and dropped paratroopers on the Malayan Peninsula in recent weeks, claims the federation is a device to preserve British rule in Southeast Asia.

The United States urged the U.N. Security Council Thursday to call on Indonesia to stop armed attacks on Malaysia and establish conditions for negotiation of their differences.

Bucks Co. To Get Community College

HARRISBURG (AP) — Bucks County will be the site of Pennsylvania's third community college.

The State Board of Education Thursday approved a proposal for the new college which plans to open its doors in September of 1965 to about 350 students.

The college will be financed equally by the state, the county and student tuition under Pennsylvania's 1963 Community College Act.

A site for the two-year institution has not been selected, but county officials indicated it will be located in the Wrightstown-Newtown area, southeast of Doylestown.

Motorist Accepts Tollkeeper's Offer

SHEPHERDSVILLE, Ky. (AP) — An ancient auto wheezed to a stop at one of the toll plazas on the Kentucky Turnpike.

The elderly driver couldn't roll down the window but finally managed to pound open the door which all but fell off.

"Fifty cents," said the toll-taker.

"Sold," the motorist yelled out.

TO EVALUATE QUALITY OF PA. TEACHING

HARRISBURG (AP) — The State Board of Education is planning to hire the Educational Testing Service of Princeton, N. J., to assist in efforts evaluating the quality of teaching in Pennsylvania schools.

"A carefully selected variety of educational measuring instruments will be tried out thisyear in a representative body of Commonwealth schools," the board said Thursday in approving the move.

The study will be made under a $166,500 appropriation from the legislature. The New Jersey firm's fee has not been determined.

The board also voted to hire Dr. Ralph R. Fields of Columbia University to conduct a study of a comprehensive plan for community colleges.

Frank Hawkins, board member, was named to head a committee to study possible recommendations the board can make to the 1965 legislature in the administrative structure of the Commonwealth's 14 state colleges.

Tired Clerk Pampers Worrisome Patron

LOUISVILLE, Ky. (AP) — The woman spent nearly an hour trying on everything in the dress shop but didn't seem interested in buying.

"Why is it," she snapped, "I never get what I ask for in this shop?"

The weary clerk smiled and replied: "Perhaps, it's because we're too polite."

Johnson And Goldwater Name Panel Of Experts

By HARRY KELLY

WASHINGTON (AP) — President Johnson and Sen. Barry Goldwater, seeming to hit on the same idea at the same time, have mustered some all-star reinforcements for the campaign battles ahead over foreign policy.

The President announced at his news conference Wednesday "the formation of a panel of distinguished citizens who will consult with the president during the coming months on major international problems facing the United States."

Goldwater, his Republican foe, was also turning out a speech in Seattle naming a seven-man team headed by former Vice President Richard M. Nixon to confer with free world leaders in "a serious and historically significant attempt to regroup freedom's badly scattered forces while there is still time."

"YEARS OF MISTAKE"

"We do not intend to rubber-stamp four years of mistake, retreat and weakness in world affairs," Goldwater declared.

On his part, Johnson made no reference to politics or the campaign and included both Democrats and Republicans on his panel — many of whom have had powerful roles in shaping American policy since World War II.

OTHERS NAMED

Johnson said the consultants would include former Secretary of State Dean Acheson; Arthur Dean, former disarmament negotiator; John Cowles, president of the Minneapolis Star and Tribune; attorney Morris Leibman; Gen. Omar Bradley; James Wadsworth, a former disarmament negotiator; Arthur Larson, former chief of the U.S. Information Agency; James Perkins, president of Cornell University; Robert Lovett, former defense secretary; George Kistiakowsky, former White House science adviser;

Roswell Gilpatric, former deputy secretary of defense; Paul Hoffman, former foreign aid administrator; Eugene Black, former head of the World Bank; John McCloy, who has often negotiated for the United States with the Soviet Union; Allen Dulles, former director of the Central Intelligence Agency, and Teodoro Moscoso, former coordinator for the Alliance for Progress.

Goldwater, declaring the Johnson foreign policy adds up to "defeat, disaster, retreat, chaos, confusion," named these men in addition to Nixon to his task force:

Gen. Lucius D. Clay, former commander of U.S. forces in Europe and the late President John F. Kennedy's troubleshooter during the Berlin crisis; Herbert Hoover Jr., former undersecretary of state; Sen. Bourke B. Hickenlooper of Iowa, ranking GOP member of the Senate Foreign Relations Committee; Rep. Melvin R. Laird of Wisconsin, chairman of the 1964 GOP platform committee; Adolph W. Schmidt, financial and foundation executive, and Gerhart Niemeyer, Notre Dame political science professor.

Supports Johnson For Presidency

PORTLAND, Ore. (AP) — The Portland Reporter, Oregon's third largest newspaper, announced Wednesday its support of President Johnson in the November election.

The Reporter, "an independent home-owned newspaper," began publishing daily in February 1961. It was started by striking employes from Portland's other two newspapers, the Oregonian and the Journal.

Reds Ask Elderly To Return To Work

VIENNA (AP) — Czechoslovakia's Communist government has appealed to pensioners to give up retirement and return to their jobs because of an acute labor shortage.

Radio Prague announced that pensioners could return to manuaul work for 120 days a year without losing their pensions.

Failure to attract more young people to farming jobs has aggravated the labor problem.

NIGHTSTICK EMPLOYED TO QUELL RIOTS

By RALEIGH ALLSBROOK
Associated Press Writer

NEW YORK (AP)—The police nightstick, traditional sign of authority, again proved itself in the recent Negro rioting and looting in Northern cities.

In the majority of cases, police used it as their chief weapon when words and a display of force failed to quell troublemakers.

The only two cities where police also discharged their pistols into the air to any extent were New York and Jersey City, N. J., two of the first hit in the current outbreak.

New York police fired thousands of rounds over rioters' heads last July. A police official at the time said it was felt this would be the most effective means of meeting the trouble and "we have been proved right."

1 KILLED

One man was killed and about 20 wounded in the New York disorders. Police said most of them were looters, who failed to halt when so ordered.

Two men suffered minor wounds in Jersey City when they were hit by what police described as stray bullets. Police there were told to use whatever means necessary to stop the disorders.

Nightsticks also were used in both cities, and New York employed buses to rush reinforcements and seal off trouble areas.

In Rochester, N. Y., the second city hit by the rioting, police wielded nightsticks from time to time and called in firemen with hoses. There was little pistol firing.

BUSING BRINGS ON PROTESTS

CORNWELLS HEIGHTS, Pa. (AP) — A group of Bensalem Township parents protesting busing of 180 first grade pupils, kept their children out of school Wednesday.

Reynolds Yannessa, chairman of the Bensalem Group of Organized Parents, said only 80 of the 180 pupils attended the Trevose elementary school in Bucks County.

Robert Shafer, township school superintendent, said that "possibly 30 children" didn't attend classes.

The parents are protesting the busing of pupils from Avondale and Nottingham Village to Trevose Elementary. They contend the children should be assigned classes at the Rush and Faust schools so they can walk.

The township school board said it decided on the busing so it can group children by their "learning ability." Children in grades two through six attend the Faust and Rush schools. All first graders are at Trevose.

Shafer said school authorities will take no action to get the children back to classes because the state code does not require a child be sent to school until the age of eight.

Agriculture Dept. In New Office

HARRISBURG (AP)—The Agricultural Department Thursday began moving into its new $2.9 million building across from the Farm Show Building in the north section of the city.

Leland H. Bull, secretary of agriculture, said the Bureau of Foods and Chemistry and the Bureau of Plant Industry would be the first to occupy the four-story brick structure.

Other bureaus of the department will move in at a later date, Bull said. The main offices of the department will remain in the south office building near the capitol for the time being.

ADVERTISE IN THE TIMES

People In The News

NEW YORK (AP) — Mrs. Lyndon B. Johnson and her elder daughter, Lynda Bird, 20, went shopping in New York City and saw a Broadway musical Wednesday.

They saw "What Makes Sammy Run?" and went backstage to congratulate the cast.

SAN DIEGO, Calif. (AP) — The Navy sprang a surprise on one of its admirals. Vice Adm. Paul D. Stroop was aboard the attack carrier Oriskany at San Diego, Calif., for what he thought was a routine address by Undersecretary of the Navy Paul B. Fay Jr.

Then Fay told the 1,500 Navy officers that he was using the occasion to present Stroop the Distinguished Service Medal for his performance as the first chief of the Bureau of Naval Weapons. Stroop was chief of the bureau from 1959 to 1962.

VATICAN CITY (AP) — Pope Paul VI noted the 150th anniversary of the restoration of the Society of Jesus Wednesday saying the Roman Catholic Church continues to need "courageous soldiers" to carry its message.

European Kings forced Pope Clemente XIV to suppress the order in 1773, claiming the Jesuits disturbed public order.

Pope Pius VII restored the society in 1814.

Migrant Worker Is Stabbed To Death

WEATHERLY, Pa. (AP)—Police are questioning fellow workmen today in the stabbing death of Clarence King, 26, a migrant farm laborer from West Palm Beach, Fla.

King was stabbed in the chest with a butcher knife Wednesday, police reported.

He had been working on the farm of William Gregory, R. 2, Weatherly, in Carbon County, where he and some 45 other migrant workers had been picking tomatoes for the past two weeks.

U. S. Defector In Army Custody

HEIDELBERG, Germany (AP) — An American soldier who asked for political asylum in Czechoslovakia in 1959 is in U.S. Army custody, Army European headquarters announced Thursday.

He is Spec. 5 John B. Witt, who went to the Communist country in November 1959 and lived there until February 1961. Then he went to Austria and asked for political asylum there.

Army officials learned Tuesday that Witt planned to reenter Germany to surrender and he was taken into custody in Mettenwald, Germany.

His wife, Mattie Louise, lives at Springfield, Tenn.

Lack Of Rain, Parching Winds Cost U.S. Farmers Millions In Damage To Crop Harvests

By DAN McNULTY

CHICAGO (AP) — The rains that never came have cost American farmers from New England to the Rockies millions of dollars in damaged crops this summer.

An Associated Press survey shows that they stand to lose millions more because drought conditions still prevail in many sections of the country.

Compounding the farmers' woes has been scorching temperatures that left fields parched.

DISASTER AREAS

Rural counties in some agricultural states have been declared federal disaster areas, with farmers obtaining emergency loans.

The dry spell has also forced some communities to ration or curtail the use of water by the general public.

Here is a rundown of the situation in affected states:

Kentucky — Drought blamed for estimated cut of 50 million pounds in burley tobacco output, the state's major cash crop.

New Mexico — 15 of 32 counties receiving some kind of drought disaster aid. Water reported in short supply at state reservoirs.

FIVE-MONTH DROUGHT

New York — Drought has lasted five months in some eastern and central upstate counties, resulting in dried-up pastures, stunted grain crops and a scarcity of hay. Many communities have restrictions on use of water and dairymen are asking for a revision of the federal milkprice formula to cover increased feed costs.

Indiana — Serious forest fires threaten in the southern part of state unless substantial rain falls in the next 10 days. But little crop loss anticipated, although rivers and creeks in northwest Indiana are at lowest levels in a decade.

Colorado — Five eastern counties asking disaster relief. Wheat crop hit hardest.

Missouri — Relief from recent rains but corn crop throughout state already damaged and pastures in poor shape.

INQUIRER AND DAILY NEWS GO FOR JOHNSON

PHILADELPHIA (AP) — The Philadelphia Inquirer and the Philadelphia Daily News in today's editions, endorsed Democrat Lyndon Johnson for President.

The two newspapers are owned by Walter Annenberg. Both list themselves as independent politically.

It is the first time that the morning Inquirer has ever endorsed a Democrat for president. In 1960 it supported Republican Richard M. Nixon over John F. Kennedy.

BARRY A "DISASTER"

The News, an afternoon tabloid, supported Nixon four years ago. In 1956, when Matthew McCloskey owned the newspaper, the News endorsed Democrat Adlai Stevenson.

The Inquirer said "Lyndon Johnson's qualifications as president have been demonstrated where they count most, in the presidency itself. His record in that office is his highest recommendation for election to a full term." It also said:

"This newspaper is convinced that it would be disastrous for this nation, disastrous for the two-party system, and disastrous for world peace, to have Barry Goldwater in the White House."

BG MARCHING BACKWARDS

The News editorial, headlined "let's march forward with President Johnson," said in part, "the assassination of youthful, brilliant, inspiring President John F. Kennedy became Lyndon Johnson's crucible — and he tested out as being worthy of the presidency in time of tension and trial, tribulation and turmoil." It added:

"The candidate from Arizona claims to be 'in the mainstream of Republican thinking'—but on this we do not agree. . . . Sen. Goldwater impresses us as a man determined to march backward into the past.

"We believe Americans prefer to march forward into the future."

CUMMINGS IS DURABLE STAR ON TV

By CYNTHIA LOWRY
AP TV-Radio Writer

HOLLYWOOD (AP) — Robert Cummings is a television star of considerable distinction.

He has survived, with no visible scars, involvement in three situation comedy series and has now embarked on his fourth. He is also one of a finite group of actors who permits the inclusion of his birth year (1910) in his official biography — and whose extraordinarily youthful appearance permits him to be cast as a youthful, susceptible bachelor.

Cummings this season emerges as a bachelor psychiatrist who accidentally becomes the uncomfortable custodian of a gorgeous robot named Rhoda whose plastic exterior and computer-innards were made for space experiments. The CBS series is called "My Living Doll," and the actor seems fascinated more by the problems facing his co-star, Julie Newmar, than by his own part.

MOST DIFFICULT ROLE

Miss Newman, the robot, was playing a scene in which she is flirting brazenly with a male visitor because her computer has inadvertently been "programmed" with some romance magazines.

"This is probably the most difficult role ever played by an actress," Cummings commented as we watched. "The character — if that's what you call it — she plays has no thoughts, no emotions, no desires, no ethics, no social conscience. It is very difficult because she cannot instigate anything and she cannot feel anything. She must divorce herself completely from her ego — which is the hardest thing in the world to do."

BEGINS 13TH SEASON

"I've Got a Secret," will start its 13th season Monday night on CBS combining a farewell program for Garry Moore, who is leaving after all these years, with a greeting program for Steve Allen, who takes over the host's job. The switch-over program actually was tapd some time back, since Moore and his wife sailed last week for England on the first leg of a year-long round-the-world trip.

"Hollywood Palace," ABC's Saturday night variety show, will start its second season Sept. 19 with an innovation — a hostess. Debbie Reynolds will be the first woman to handle the introductions of the acts.

WEEKEND HIGHLIGHTS

Recommended weekend viewing:

Saturday — Olympic Games trials, ABC, 9:30-10:30 p.m. (Eastern Daylight Time); "Miss America Pageant," CBS, 10 to conclusion, finals, live from Atlantic City.

Sunday — "Wide World of Entertainment," ABC, 9-10 p.m., variety special with Bing Crosby as host, kicking off the network's new season; "The Rogues," NBC, 10-11, premiere program of new comedy-adventure series starring Charles Boyer, David Niven and Gig Young.

Win Another Round In Fight On Movie

LOS ANGELES (AP) — Actress Elizabeth Taylor and her former husband, singer Eddie Fisher, have won another round in their court battle to force 20th Century-Fox films to account for revenues from the film "Cleopatra."

For the second time, Federal Judge Thurmond Clarke turned down the studio's attempt Thursday to have the suit dismissed. He refused the first dismissal request May 24.

Tops in the Angus division of the Adams County baby beef competition at the South Mountain Fair were Donald Bair, Littlestown R. 2 (left), and David Lott, Gettysburg R. 4. Bair won the champion showman award and his steer won the reserve Angus championship. Lott won the champion Angus honors and the reserve grand championship of the baby beef show.

Joan Bare, Hanover R. D., is shown with her entry in the Adams County Baby Beef competition at the South Mountain Fair after winning first place in the junior fitting competion and the reserve title in the overall competition.

Plan Hearing On Riot Probe Move

PHILADELPHIA (AP) — City Council's committee on public safety will hold a public hearing next Tuesday on a resolution seeking an investigation of Negro riots in North Philadelphia the weekend of Aug. 28.

The resolution, offered Thursday by Republican Councilman David Silver, called for the creation of a special bipartison council investigating committee.

Council President Paul D'Ortona referred the resolution to the Public Safety Committee—of which he is chairman—and scheduled the public hearing for next Tuesday.

Mayor James H. J. Tate said he would welcome the investigation.

ARKANSAS CITY, Kan. (AP) — Mr. and Mrs. Harry Lewis of Arkansas City, whose birth dates are one day apart, celebrated their 84th birthdays together by taking their first airplane ride — a trip over the city.

SAYS SUPREME COURT THREAT TO U. S. SYSTEM

By ARTHUR EDSON

CHICAGO (AP) — Sen. Barry Goldwater said today that the Supreme Court, by not using judicial restraint, threatens our present system of government.

In a speech prepared for delivery to the American Political Science Assn., the Republican presidential candidate said:

"I weigh my words carefully when I say that — of all three branches of government — today's Supreme Court is the least faithful to the constitutional tradition of a limited government, and to the principle of legitimacy in the exercise of power."

RAPS PRAYER CASE

Twice Thursday Goldwater criticized the court's decision on reapportionment of state legislatures. Today he was again critical of that decision, as well of its verdict in the school prayer case.

He cited these to illustrate his contention the court is moving into areas he doesn't think it should be in.

"I do not doubt for one minute that law must keep up with the changing times," Goldwater said. "But the job of keeping the law up to date should be in the hands of the legislatures, the Congress, and the common law courts, not just in the hands of the nine appointed justices of the Supreme Court."

CHANGED PURPOSE

Goldwater said today's court operates differently from those in the past.

"Until recent years," he said, "the Supreme Court itself has exercised judicial restraint with respect to acts of Congress with which it disagreed but which were founded on legitimate exercise of legislative power.

"But not the Supreme Court of today!"

The U.S. Office of Education estimates that nearly a million youths drop out of elementary and secondary schools each year.

4 INJURED IN PLANE CRASH AT LEHIGHTON

LEHIGHTON, Pa. (AP)—The Federal Aviation Agency today is investigating a crash of a twin-engine Aztec plane at the Lehighton Airport.

Four of the six plane passengers were injured in the crash, Thursday, none seriously.

Ronald Koehler, 21, of Norristown, Pa., the pilot of the plane, was taking his fiancee and members of her family to the Lehighton Fair. The accident occurred as he attempted to land on the airport's grass runway.

TWO UNHURT

Koehler, his fiancee, Charlotte Wolfe, 17, of Plymouth Meeting, Pa., her mother, Daisey Wolfe, 54, and Charlotte's sister, Mrs. Faye Schezkler, 37, of King of Prussia, Pa., were injured. Mrs. Wolfe's husband, Charles, 59, and son, Clarence, 14, escaped injury.

Charlotte Wolfe and Mrs. Schezkler, who both suffered back injuries, are reported in fair condition in GnadenHuetten Hospital. Mrs. Wolfe and Koehler were released after being treated for minor injuries.
fair condition in Gnaden-Huetten

OVERSHOT RUNWAY

An FAA spokesman said that Koehler, after overshooting the runway, turned the throttle off to avoid hitting homes in the area. The plane struck the ground off the runway with its front nose landing gear and it skidded about 200 feet onto N. Ninth St. It then hit the curb along the east side of the street and flipped over on its back.

A large crowd of fairgoers watched as the plane finally came to a halt about 50 feet from a house.

The craft, valued at $43,000, was demolished.

TALL GIRLS MAKING HIT AT PAGEANT

By TOM SEPPY

ATLANTIC CITY, N.J. (AP) —Tall girls are in style at the Miss America pageant, especially when they're in swim suits.

The 10 judges have chosen two towering beauties as winners in the first two nights of the preliminary swim suit competitions.

Miss West Virginia, Ella Kessel, won top honors Thursday night in the swim suit. She stands 5-foot-10½ in her stocking feet and is the tallest contestant. Her measurements are 37-25-37.

Winner of the swim suit division Tuesday, first night of competition, was Miss California, Sherri Lee Raap, who is 5-9 and has measurements of 38-24-36.

Thursday night the judges chose Miss North Dakota, Karen Kopseng, as the winner of the talent division after she sang the aria "Un Del Di" from "Madame Butterfly."

She joined Miss Minnesota, Barbara Hasselberg, who had taken the first night's talent competition with her interpretations of three hula dances.

Each of the four girls has assured herself of a $1,000 scholarship though winning the preliminary events does not guarantee a place in the semifinals.

FINAL NIGHT

Tonight is the final night of the preliminary competitions.

Points are earned by the contestants in swim suit, talent and evening gown competition. Those points will be used by the judges to select the 10 semi-finalists.

From the 10 a successor to the reigning queen, Donna Axum of El Dorado, Ark., will be chosen Saturday night.

PICKS GIANTS AND PACKERS TO WIN IN NFL

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP) — Paul Hornung will lead Green Bay to the Western Conference title and Y.A. Tittle's magic will make it four straight for New York in the East, setting up another Packer-Giant showdown for the National Football League title Dec. 27 at Yankee Stadium.

The Packers are generally being picked to dethrone the Chicago Bears in the West, with Baltimore and possibly Detroit and Minnesota challenging.

The East looks like a wide open scramble among New York, St. Louis and Cleveland, with Washington a long-shot possibility. Despite the Giants' sad 1-4 record in the exhibition games and player shake-ups of earthquake proportions, Allie Sherman still has the old Bald Eagle and a flock of nifty pass catchers.

CARDINALS SOUNDEST

St. Louis is the soundest club in the East but they still have to prove themselves under championship fire and may be a bit thin in defense. Cleveland has added passing strength with rookie flanker Paul Warfield to complement Jim Brown's running, but something always seems to go wrong. With Sonny Jurgensen, rookie Charley Taylor and veteran Sam Huff in the lineup, Washington is highly respected.

Here's the way it looks from here before the opening gun:

WESTERN CONFERENCE

1. Green Bay
2. Chicago
3. Baltimore
4. Detroit
5. Minnesota
6. Los Angeles
7. San Francisco

EASTERN CONFERENCE

1. New York
2. St. Louis
3. Cleveland
4. Washington
5. Pittsburgh
6. Dallas
7. Philadelphia

Paul Hornung's return after a year's suspension for betting on games and the driving ambition of Coach Vince Lombardi to make up for last year's defeats by the Bears should be enough to tip the scales in favor of Green Bay. Big strides in this race will be taken in the first three with Packers playing Chicago, Baltimore and Detroit on successive weekends.

COLT DEFENSIVE AGING

Despite the Bears' troubles in the exhibition games with a spluttering offense, George Halas has that same alert defensive unit that won the league championship last December. The Bears won't blast anybody off the field but they'll be in there.

Tony Lorick looked so good against the Steelers that it is tempting to pick Baltimore higher than third. Johnny Unitas has some fine targets but the defense is showing its age.

With Alex Karras, like Hornung back from a year's suspension, Detroit's formidable defensive unit is intact but a year older. Much depends on Milt Plum's arm.

OTHERS RATED

Minnesota, with a perfect 5-0 exhibition record, looks tough with Bill Brown and Tommy Mason approximating Green Bay's ground punch of Hornung and Jim Taylor.

Los Angeles should beat out San Francisco for sixth place. That Ram front four on defense can give anybody fits.

Tittle and the pass-catching corps give the edge to the Giants in the East although Sherman still has no running game and needs settling on defense and pass protection.

BROWNS IMPROVED

The Cards have a fine passer in Charley Johnson, brilliant receivers in Sonny Randle and Bobby Joe Conrad and a big punch in Prentice Gautt and Joe Childress. If they can stop the big running teams like Cleveland and Pittsburgh they can win.

Cleveland has improved but must face both Green Bay and Detroit from the other conference. Those small pass defense men still will have trouble.

Washington has come up with an exciting runner in Taylor, plus an experienced quarterback, Jurgensen, and more catching skill in Angelo Coia. Huff must help the defense all season for that leaky pass cover has killed the Skins for years.

SEE WILD ONES

Pittsburgh has been slow coming around but it has a stiff punch in John Henry Johnson and some tough muscle men up front.

Dallas should have the wildest games in the league with Tommy McDonald and Buddy Dial catching and nobody to stop the other side. Joe Kuharich's rebuilding program at Philadelphia is coming along nicely but don't expect too much the first year.

There are 50 species of whales in North American waters.

A Lovelier You

GRACE IN REPOSE. The ability to sit still is an art. You become acutely aware of this when you are with a fuss-budget.

She's the one who fusses with her hair, jumps up to straighten a picture, fiddles with the tableware or shuffles the papers on her desk . . . when all she could be doing is sitting in repose to talk or to listen.

To peg such characters as merely rude is to be charitable. Fidgeting has a more damaging significance. It is really a cover-up for lack of self-possession. The ruse, of course, only spotlights the inadequacy and fools no one.

Being unsure of yourself is among the more unfortunate traits. It makes you uncomfortable and makes others uncomfortable for you. Nobody's at ease.

Obviously a poised approach is greatly to be desired. And, like all the charm qualities, it can be cultivated. It increases miraculously when you train yourself to appear poised. The first step could be to root out flaws in your appearance that cause secret dissatisfactions. A woman, knowing that she looks presentable, has no need to fidget on that score.

Increasing your range of interests and your ability to express your ideas are other important building blocks in the confidence structure. When you have something to say and can say it well, poise flowers and mannerisms die on the vine.

To open a door on increased poise and popularity, send for our booklet, WINNING MANNERS. Topics included are introductions, invitations, table manners, the charming hostess, you—the guest, dating manners, formal dances, travel tips and tipping, small points, like when to wear a hat or check your coat. For your copy, write to Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing 25 cents in coin and a long, self-addressed stamped envelope.

RUSK SCORES GOP NOMINEE

WASHINGTON (AP) — Secretary of State Dean Rusk said Thursday that foreign policy statements made by Sen. Barry Goldwater refelect a "basic lack of understanding" of the responsibilities of the U.S. president in dealing with questions of war and peace.

Rusk made that assertion at a news conference when asked about the Republican presidential nominee's assertions that the American people should look for some great international crisis before the November election.

Sarcastically, Rusk said th Democratic National Committee had not arranged for Indonesia to drop parachutists into Malaysia, nor did it cause rebel forces in the Congo to take over Stanleyville.

He went on to say that a statement such as that which the questioner had attributed to Goldwater seemed to him to reflect a basic lack of understanding of the responsibilities of the president for dealing with questions of war and peace.

MANAGER OF EAGLES QUITS

PHILADELPHIA (AP) — Vince McNally, general manager of the National Football League Philadelphia Eagles for the past 16 years, has resigned from his post.

The 56-year-old McNally resigned Thursday "only because I have an opportunity so promising that I want to be free to explore it."

McNally was in the third year of a five-year contract and it was learned the Eagles paid him in full for the remaining years and honored an additional five-year clause calling for half pay.

NO SUCCESSOR

It was estimated his leaving cost the Eagles $125,000.

No successor has been named and none is contemplated, the club said.

However, since Jerry Wolman purchased the team eight months ago, most of the duties of general manager had been turned over to Coach Joe Kuharich.

McNally played football at Notre Dame under the late Knute Rockne. He was an assistant coach at St. Mary's, Villanova and Holy Cross.

He was talent scout for a number of National Football League clubs before joining the Eagles in 1949 as general manager.

Parents Drug Tots For Border Flight

BERLIN (AP) — Two East Berlin couples and their 11 children escaped to West Berlin during the night hidden in a refrigerator truck beneath meat.

The children were drugged with sleeping pills to prevent them from making any noise while border guards were inspecting the truck.

West Berlin police said the children ranged in age from 1 to 11 years. They were taken to a refugee camp to join their parents after a checkup.

GRIDDER LEAVES SCHOOL

RENO (AP)—Chuck Widel, of Glassport, Pa., the Far Western Conference's leading rusher last fall, quit the University of Neva da football team and left school Thursday.

UNEXPECTED LITERATURE

Dag Hammarskjold's Diary Is No Diary It Is Mysticism, Often In Blank Verse

PRINCE HAMLET, with an assist from Shakespeare, is known in literature and history as the Melancholy Dane. Dag Hammarskjold, without the aid of anyone, is likely to be known as the Somber Swede.

The personality of Hammarskjold will be as controversial as that of Hamlet. Deep and lasting death-broodings were a dominant quality of both.

His recently published, so-called diary is the source of all this impending concern with the true inner-man that was Dag Hammarskjold. There is some reason to believe he rewrote many of the periodic entries after he became world famous as secretary general of the United Nations.

Moreover, he intended that it be published. With the diary, he gave a letter to Lief Belfrage, Sweden's permanent under-secretary for foreign affairs, says that, "these entries provide the only true profile" that could be drawn or written of him.

Instead of creating a cleanly cut profile, they have confused the picture.

The periodic jottings are not a statesman's journal. In lieu of the conventional daily entries concerning people met, duties performed and impressions of men and events as of the time and place that most diarists in high positions have left, Hammarskjold has merely grouped his emotions by years and expressed them in poetry, or in snatches of philosophical prose.

Indeed, the translators found it impossible to present poetically in English some of his random verses. In such cases they have sought to capture his idea in simple prose.

In the Scandinavian countries, where the book was first published, they could read it just as Hammarskjold wrote it. It is there that controversy is highest.

Though all foreign language poetry loses or gains in the translation, dependent upon the poetic skill of the translator, the English edition, under the title "Markings" (Knof, $4.95), is indispensable to all Americans who are interested in the man and his great work. It is first published in America this week.

Hammerskjold reveals himself to be a highly contemplative mystic whom the tide of events denied a monastery but always thrust him into the role of an activist. Lord Acton would have classified him as one of "The unsymmetrical natures" to whom "religion is a necessary condition of successful work . . . ."

But in actual practice his religion does not appear to have been one of rituals, dogmas and creeds. He outrightly concedes influence by the great medieval mystics who in "singleness of mind" and "inwardness" had been able "to say yes to every demand which the need of their neighbors made them face, and to say yes also to every fate life had in store for them . . . "

Or, as he writes in 1953, in one of his poetic fragments:

"Night is drawing nigh —"
For all that has been—
Thanks!
To all that shall be — Yes!

Like Hamlet, Hammarskjold will always be associated with blank verse. In but one or two instances does he adopt a rhyming pattern. Touches of humor are rare. When one does occur it is more philosophical than funny:

When he saw them all flee
The skunk decided
He was the King of Beasts.

ONLY A POET can translate poetry. Hammarskjold's poetic comidences to his so-called diary required team-work. W. H. Auden was the poet. Leif Sjoberg served as the linguist. Mr. Auden gives the latter warm praise for such complete knowledge of both languages that he was able "to give me a list of alternative words to choose among when the original Swedish word has overtones that are not exactly matchable in English." Moreover, he did not try "to do my part of the job."

This leaves Mr. Auden as the target for any critical bouquets or brickbats that may be thrown at the poetic quality of the translation.

Since the claque of poetry began proclaiming Ezra Pound as a great American poet, I have disassociated myself from evaluations of poetry. When I disagreed with them on Pound, I was denounced as incompetent. Should I now agree with them on anything, my readers may consider me as crazy as the worshippers of Ezra Pound.

And, of course, Pound was crazy because in court he made that plea to break into an insane asylum rather than enter a penitentiary — and he had some of his poetry read in court to prove it.

With this self-disqualification as a poetry critic, I assure you Mr. Auden's work is superb. It can be read with thoughtful and pleasant enjoyment. It reveals much of a great man. That is far more than can be said of the pseudo-literary-great Ezra Pound.

SAY BARRIERS CUT DEATHS ON TURNPIKE

HARRISBURG (AP) — The Pennsylvania Turnpike Commission says construction of medial barriers has been a major factor in the toll road becoming one of the safest in the country.

In 1962, cross-over accidents on the turnpike killed 54 persons, but last year only 17 died, according to commission statistics.

The reduction helped move the turnpike from 10th to third in the nation in terms of safety, officials noted Wednesday. The over-all death rate dropped to 2.6 for every 100 million miles traveled.

ON LAST LINK

Construction of the steel medial barriers along the 359-mile east-west section of the toll road began in 19606. The final 33 mile is scheduled for completion this year.

"We spent $3 million to build medial guard rail from the Ohio line to the Delaware River Bridge and we are happy with the results," said Joseph J. Lawler, commission chairman.

Thomas Shriver Sr., director of public relations for the commission, said that cross-over accidents usually involve multiple fatalities.

This year the turnpike has recorded four fatal cross-over accidents, killing 12 persons. One accident, the worst in turnpike history, claimed seven lives when a car literally soared over the medial barrier. The total number of fatal accidents for the year is 34 with 49 deaths.

Park Postpones Press Control Law

SEOUL (AP) — President Chung Hee Park has indefinitely postponed enforcement of his government's controversial press control law.

The five-week-old measure has been under sharp attack from journalists who charged it was designed to muzzle the press. The government said the law was necessary to prevent the press from fomenting unrest.

The action Wednesday was considered a preliminary step to eventual repeal of the law.

Park said the government expects the press to discipline itself.

The Washington Redskins averaged 26.84 yards per kickoff return to pace National Football League teams in 1963.

Third Crash Victim Dies In Hospital

SAYRE, Pa. (AP) — A car-truck collision 10 days ago claimed a third life Wednesday night, when Harold Horton, 19, of Tioga Center, N. Y., died in Robert Packer Hospital here.

Horton was injured Sept. 1 when the automobile he and two other teen-agers were in slid broadside into a truck on Route 17 about a mile east of Tioga Center, N. Y.

Kenneth Zorn, 13, and Glen Evelein, 19, both of Tioga Center, were killed.

GETS GOP JOB

HARRISBURG (AP) — U.S. Rep. Robert J. Corbett of Pittsburgh will head the 1964 Republican Congressional Campaign Committee in Pennsylvania.

The appointment of Corbett, permanent member of the national Republican Campaign Committee, was announced by GOP state chairman Craig Truax.

The popular fruits of Taiwan Island are depicted on a colorful new set of four stamps issued by the Republic of China, reports the World Wide Philatelic Agency. Full views of the banana, orange, pineapple and watermelon appear on the new adhesives.

Also issued by China is a set of two new stamps honoring its Navigation Day. The stamps, carrying a common design, show the span of China's achievements on the high seas. Its history of early navigation is recorded in the expeditions of Cheng Ho whose treasure ship is seen on the stamps. Cheng Ho made seven expeditions to the South Pacific and along the Indian Ocean.

Eire's special Europa stamp sponsored by the European Conference of Postal and Tele-communications Administration (CEPT) will be issued September 14. The stamp commemorates the fifth anniversary of the founding of CEPT. The new Irish stamp comes in two denominations, 8 shillings and 1 shilling 5 pence. The basic design represents the 22 member countries in the form of a flower encircling the CEPT emblem.

Collectors in this country wishing first-day covers may write to Irish Cachet Covers, 947 E. 32nd St., Brooklyn, N.Y. 11210. Cost of the complete set on cover costs $1.

Denmark has announced it will issue two new stamps with surcharge on behalf of the Danish Red Cross Society. The values are 35 ore plus 10 and 60 ore plus 10. The design common to both stamps will feature the portraits of the successor to the throne. Depicted will be Princess Margrethe and her sisters Princess Benedikte and Princess Anna-Marie. A Red Cross appears at the lower left.

Two new stamps have been issued by France. One stamp commemorates the 20th anniversary of the death of George Mandel (1885-1944) who served in the cabinets of both Clemenceau and Daladier. He was arrested and imprisoned following the invasion of France by Germany in World War II. Also issued by France was a stamp of 50-franc denomination honoring the 1964 Olympic Games to be held in Tokyo. It was issued in Paris on July 4.

Japan soon will issue five stamps honoring the 1964 Olympics to be held in Tokyo. A 5-yen stamp will feature the Olympic Flame and five participants. A 10-yen will depict the main stadium. The 30, 40 and 50-yen will illustrate new buildings. Each of the stamps will also bear the official Olympic five-ring symbol.

71-Year-Old Adventurer Crosses Pacific On Raft

BRISBANE, Australia (AP) — William Willis has proved once again that an old man can beat the sea.

The 71-year-old American adventurer completed a 10,000-mile two-stage solo trip across the Pacific on a raft Wednesday. He said the exploit nearly killed him.

"I was at the point of death many times," the bearded New Yorker reported after he beached his raft Age Unlimited at Tully, 1,150 miles north of Brisbane. He had set out from Peru on July 4, 1963.

"I came in on my last set of nerves," said Willis.

"The weather was extremely bad and I had many catastrophes. I think a vertebra in my back is broken."

SAILED FROM PERU

Willis, who sailed from Peru to Samoa on a balsa raft in 1954, started his second transpacific voyage last year "to show that a man past 65 is still in the running if he wants to be."

For his second trip he used a steel raft 33 by 18 feet, equipped with three self-sealing pontoons, one fore and two aft. With a hand-cranked radio transmitter he occasionally was able to communicate with passing ships.

When his rudder was smashed off Samoa last November, he went home to New York while repairs were made. He flew back to Samoa in June and resumed his voyage.

He injured his back Aug. 6 off the New Hebrides.

CRAWL TO CABIN

"I was taking in sail when the ropes on a block gave way," he reported. "The ropes were rotten. I crashed into an iron jib boom and hurt my back.

"I had two sails up and was unable to take them down. One, the mainsail, was ripped to pieces. I was able to crawl to my cabin to get food and water."

For six days, Willis said, he was paralyzed from the waist down. To keep from being washed overboard by the pounding seas, he lashed himself to the deck.

In this condition he took pictures of himself by movie and still cameras, to show doctors and use on lecture tours.

SENT UP ROCKETS

Willis hit the shore among mangroves between the mouths of the Tully and Murray rivers at 11 a.m. Wednesday.

He sent up rockets to attract attention but without success. Finally he left his raft and walked two or three miles to the mouth of the Tully River.

Hank Penning, a schoolteacher, spotted the long-haired figure on the opposite bank at 4:30 p.m.

"I had no idea who it was," Penning said. "But I could see that he wanted help. I took a boat and went across to him. He put out his hand and said, 'I'm Willis from New York.'"

Penning took Willis home for dinner.

ATE HUGE MEAL

"He waded through a huge meal," the teacher said.

Willis said he had finished his last onion Tuesday and had only a few cans of food left.

Penning and his wife offered the old man a bed for the night, but he insisted on returning to his raft.

Willis planned to move his raft today to safe anchorage inside the Tully. He said he wants to get to New York as soon as possible to lecture at the World's Fair on his voyage.

Willis' wife said in New York that she was "happy that he got to land." She said she had had no direct word from her husband since he landed.

PEABODY IS DEFEATED BY FATHER OF 12

By CORNELIUS F. HURLEY

BOSTON (AP) — In a smashing upset, Lt. Gov. Francis X. Bellotti, father of 12, wrested the Democratic nomination for governor from the incumbent, Gov. Endicott Peabody, in Thursday's Massachusetts primary.

Bellotti's victory means that for the first time in Massachusetts history both major parties will be backing sons of Italian gubernatorial office.

Former Gov. John A. Volpe, who lost the office to Peabody two years ago by a 5,000 vote margin in a total poll of more than 2 million, was unopposed for the Republican nomination.

The latest count of the returns from 1,891 of 2,008 precincts gave Belotti 348,165 and Peabody 319,802.

BATTLES LEADERS

In entering the primary against Peabody, the nominee battled the major leaders of the state Democratic party, including Sen. Edward M. Kennedy, D-Mass., who from his hospital bed issued a strong endorsement for Peabody.

Kennedy, his back broken in a plane crash last June, was unopposed for nomination for a full six year term in the Senate seat once held by his brother, the late President John F. Kennedy.

Belliotti, 41, rebounded from a crushing defeat at the Democratic State Convention last June. Peabody won the convention endorsement by a margin of better than 3 to 1.

Town Honors Youth In Spite Of Death

MILLEDGEVILLE, Ga. (AP) — Tommy Wright day went on Thursday despite the death of the guest of honor.

Thomas Edison Wright, 20, died Wednesday after fighting a spleen ailment known as Hodgkins disease for more than two years.

The town had planned to honor the youth for his courage.

Wright's family asked that the celebration not be called off.

CONCORDVILLE, Pa. (AP)— A Wilmington, Del., woman is the new senior champion of the Women's Golf Association of Philadelphia.

Mrs. E A. Chariott won the championship Wednesday with a 42-41-83 at the Concord Country Club.

Other scorers in Class A included defending champion Mrs. Harrison Flippin, Reading, Pa., 84; Mrs. Gerald Welsh, West Chester, Pa., 85; and Mrs. Philip Somervell, Riverton, N.J. 85.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — Sen. Barry Goldwater, in one of the most unusual tactics in the history of American political campaigns, has announced the creation of a seven-man "task force on peace and freedom."

He said this group — headed by former Vice President Richard M. Nixon — in the weeks ahead "will discuss with leaders of the free world ways in which freedom's cause can best be advanced while keeping the peace."

This might seem to suggest the team would go abroad to talk with such leaders as French President Charles de Gaulle and West German Chancellor Ludwig Erhard. If this is Goldwater's intention, it was not known to all the men he named.

NO PLANS NOW

The idea apparently came from Dr. Gerhart Niemeyer, professor of political science at the University of Notre Dame and an expert on Soviet problems. In one of his books Goldwater credited the professor with being one of those "who have contributed to my thinking, writing and speaking."

Dr. Niemeyer said Wednesday night: "I had suggested such a trip abroad as necessary."

But Nixon's office in New York said he has "no plans for leaving the country for this purpose at this time."

CREATES PANEL

By what might be an amazing coincidence, President Johnson Wednesday, before Goldwater got out his announcement, said he had created a 16-man panel of "distinguished citizens" to consult with him on international problems.

He apparently has no intention of sending any of them abroad or, perhaps, of even consulting with them as a group. He told newsmen he would consult with them as individuals.

When the Republican National Committee Wednesday night followed up Goldwater's announcement by releasing the names of the seven-man task force, there was no indication in the wording any of them would be expected to go abroad.

HICKENLOOPER IN DARK

One member of the group, Sen. Bourke B. Hickenlooper of Iowa, top Republican on the Senate's Foreign Relations Committee, said he was unable tot hrow any light on what the group would do.

He said Goldwater asked him several weeks ago if he would serve on a foreign policy task force. He said that while he agreed, no plans had been outlined for the group to make trips abroad. He said he wouldn't be surprised if some member of the force did.

Another member, Adolph W. Schmidt, a Pittsburgh financial executive, was equally blank on what was expected of him. He said some Goldwater staff members had asked him if he would serve, and he agreed.

But, he said, when he asked specifically what the group would do, he was told this would all be explained and discussed at a meeting. He said Goldwater intends to set up two more task forces: one on defense, the other on domestic policy.

SEES NO VINDICATION

When told that Johnson had also set up a foreign policy panel, Schmidt laughed. He said: "Maybe the two groups ought to get together."

Hickenlooper was asked if he thought a trip abroad by the Goldwater task force — to discuss international problems with the heads of other nations — might violate the Logan Act. He said no.

No one has ever been prosecuted under this law which was passed in 1799 with angry political overtones.

IN ADAMS' DAY

It forbids any citizen — without permission of this government — to deal with a foreign government "with an intent to influence the measures or conduct of any foreign government — in relation to any disputes or controversies with the United States or to defeat the measures of the United States."

The penalty: $3,000 fine or five years in jail, or both.

The situation which brought about the Logan Act has never, to this writer's knowledge, happened since the 18th Century. In 1797, President John Adams sent three emissaries to France to settle differences with this country. They failed.

Then Dr. George Logan — a Quaker and private citizen who was probably sincere in his intentions and without political motive — decided he'd try on his own to reach an understanding with the French.

While President Adams was a Federalist, Logan bore letters of introduction to the French from Thomas Jefferson, a Republican, and Adams' political foe. The French wined and dined Logan but the Federalists denounced him.

He returned to announce the French would negotiate but the Federalists called him a treasonable envoy of the Republican party. Ex-President Washington received him coldly, looking upon Logan as a meddler.

ACT WAS PASSED

Adams wrote to Timothy Pickering, secretary of state: "The object of Logan seems to have been to do or obtain something which might give opportunity for the 'true American character to blaze forth in the approaching elections.'

"Is this constitutional for a party of opposition to send embassies to foreign countries to obtain their interference in elections?"

Then Adams' Federalists passed the Logan Act.

Ban Hunting With Bows And Arrows

CHICAGO (AP) — The latest advance of civilization in Cook County (Chicago) has local outdoormen quivering with indignation: the county board Wednesday outlawed hunting with bow and arrow.

Board President Seymour Simon, who proposed the ordinance, said: "Bow-and-arrow hunting within a county of more than five million residents would probably bag more people than deer."

YANK KILLED NEAR SAIGON

SAIGON, Viet Nam (AP)—A U.S. Army officer advising a Vietnamese Ranger battalion was killed Thursday in a clash with a Viet Cong patrol only 15 miles south of Saigon.

U.S. officials said the Rangers, about 400 strong, were moving through Long An Province on a routine operation when a Viet Cong unit of about 20 men opened fire, sniping ad fyig short machine-gun bursts.

The American and two Vietnamese were killed and seven other Vietnamese were wounded. One of the guerrillas was killed. The rest fled.

Th American officer was the 192nd U.S. serviceman to die in combat here since December 1961.

The Saigon government announced that, in another action, Red guerrillas ambushed and killed a government district chief and 13 of his men Wednesday 40 miles east of Saigon.

Fire Damages In Shopping Center

WILKES-BARRE, Pa. (AP)—Fire heavily damaged Ferry's, a wedding specialties store in nearby Edwardsville, Wednesday night. Eighteen other business places in a shopping center suffered heavy smoke damage.

Fire authorities said today the fire, believed to have been caused by a faulty air conditioner, caused $25,000 damage to Ferry's. The other business plaes were unable to give an estimate of their damages.

Best one-season batting mark for a Houston Colt .45s' player in the team's two years of baseball was the .286 average turned in by Roman Mejias in 1962. Mejias is now with Boston.

SPAHN HAVING WORST SEASON

NEW YORK (AP)—Both the Milwaukee Braves and Warren Spahn, the winningest left-hander in baseball's history, have been giving deep thought to the future of the 43-year-old hurler, who is struggling through his worst season.

Spahn, whose list of records includes 356 victories, has won only six games this year while losing 12 and posting a fat 5.23 earned run average. He lost his place in the starting rotation weeks ago and recently has been assigned to mopping up — getting the game over with when the sixth-place Braves are far behind.

"I'm definitely going to pitch next year," said Spahn, who was paid $80,000 for the 1964 season. "If I don't figure in the Braves' plans, I'll pitch somewhere else. I know I can still pitch."

The Milwaukee southpaw was 23 and 7 in 1963, posting a 2.60 earned run average — the third lowest of his career and best in 10 years. Seventh on baseball's list of all-time winners, he completed 22 games last season to lead the majors for the ninth time.

Manager Bobby Bragan said Spahn has locked good in his last two relief appearances but said he would not be returned to the starting rotation.

NEW HAVEN, Conn. (AP) — Otto P. Caplin, 80, father of cartoonist Al Capp, died Tuesday in a New York City hospital. A Yale Law School graduate, Caplin settled in New Haven where his son, the creator of "Lil'l Abner," was raised.

The dairy calf judges found they had divided the honors by sexes after the judging ended in Adams County 4-H dairy calf competition at the South Mountain Fair. Two of the boys had secured the fitting honors and two of the girls were the champion showmen. Anthony Murren, Hanover R. 4 (left), was the champion fitter and Scott Whiteford, New Oxford R. D., was the reserve champion. In the showmanship events Judy Fissel (left), Biglerville R. D., was the champion and Kay Whiteford, New Oxford R. D., a sister of Scott, was the reserve titlist.

SAYS PA. CAN BE WON FOR BG BY HARD WORK

HARRISBURG (AP) — Gov. Scranton feels that Sen. Barry Goldwater can win Pennsylvania's 29 presidential electoral votes "with a lot of hard work" despite apparent Democratic registration gains.

The governor told his weekly news conference Thursday that the Democratic gains "should be all the more impetus" for Republicans "to do the kind of job we should" before the registration books close next Monday.

However, Scranton indicated he was not immediately concerned, saying:

"I will be interested in what the final figures are. May I point out to you, however, that no matter what the registration may be, the results don't always end up that way."

State Democrats reported more than 200,000 new registrations for the Nov. 3 election and vowed to sign up 150,000 voters before the deadline.

Frank N. Happ, co-chairman of the Democratic State Registration Committee, said thenew gains would give the party a 100,000 vote margin over Republicans in total registrations.

At his news conference, Scranton said he believes Goldwater will carry Pennsylvania despite polls taken by his personal, E. John Bucci, which showed President Johnson leading at the en of July.

The governor said he could not recall the exact figures and would not reveal them if he could remember.

Another poll is underway, he said. But he added that the July results showed that "the people were not as enthusiastic about him (President Johnson) as they had been for President Kennedy."

Scranton said the polls also indicated that Republican Sen. Hugh Scott would defeat Democrat Genevieve Blatt in his bid for re-election and that Republicans would retain control of both houses of the state legislature.

On other subjects:

Riot Damages—Scranton said it is the responsibility of municipalities involved, not the commonwealth, to compensate damages to private property during riots such as occurred in Philadelphia two weeks ago.

School integration—The governor said in response to a question that transporting school children outside their districts to achieve integration "is not a satisfactory answer to the problem."

Legislature—Many legislators have told him, the governor said that they are "enthusiastic about the support they are getting" from the administration in their campaigns for re-election.

State finances—The governor indicated that surpluses in state tax revenues will be eaten up by mandatory increases in education payments next year. He indicated that there would be no tax reduction.

Boy, 11, Confesses Setting Church Fire

MONTGOMERY, Ala. (AP) — An 11-year-old boy, who said he "wanted to see the excitement of the fire trucks and the crowds" has admitted setting a fire in a church.

The youth, whose name was withheld, is reported by Police Lt. Ed Wright to have told Youth Aid Bureau officers that he set the fire which did an estimated $25,000 to $50,000 damage to the Chisholm Methodist Church eight days ago.

NOTICE

The Board of Supervisors of Mt. Pleasant Township, Adams County, Pennsylvania, hereby gives notice of its intention to adopt the following ordinance at its meeting to be held September 30, 1964, at 7:30 o'clock, p.m., E.D.S.T., at the residence of Louis W. Wagaman, R. 5, Gettysburg, Pennsylvania:

ORDINANCE

AN ORDINANCE TO PROHIBIT NUISANCES, INCLUDING BUT NOT LIMITED TO, ACCUMULATIONS OF GARBAGE AND RUBBISH, AND THE STORAGE OF ABANDONED OR JUNKED AUTOMOBILES, ON PRIVATE AND PUBLIC PROPERTY, AND THE CARRYING ON OF ANY OFFENSIVE MANUFACTURE OR BUSINESS; AND TO REMOVE ANY NUISANCE OR DANGEROUS STRUCTURE ON PUBLIC OR PRIVATE GROUNDS AFTER NOTICE TO THE OWNER TO DO SO, AND, IN HIS DEFAULT, TO COLLECT THE COST OF SUCH REMOVAL, TOGETHER WITH SUCH PENALTY AS MAY BE PRESCRIBED BY ORDINANCE FROM THE OWNER BY SUMMARY PROCEEDINGS.

The Township of Mt. Pleasant, Adams County, Pennsylvania, hereby ordains as follows:

Section 1. The word "person" as used in this ordinance shall mean any natural person, firm, association, partnership or corporation.

Section 2. The word "nuisance" as used in this ordinance shall mean the unreasonable, unwarrantable or unlawful use of property which causes injury, damage, hurt, inconvenience, annoyance or discomfort to any person in the legitimate enjoyment of his reasonable rights of persons or property.

Section 3. It shall be unlawful for any person to dump or accumulate or cause or permit the dumping or accumulating of garbage, refuse, rubbish or junk on any land, pond or stream, public or private, within the limits of Mt. Pleasant Township which shall constitute a nuisance.

Section 4. It shall be unlawful for any person to dump, store or accumulate or cause or allow the dumping, storing or accumulating of any junk or junked automobiles on public or private property within the limits of Mt. Pleasant Township, which shall constitute a nuisance.

Section 5. It shall be unlawful for any person to carry on any offensive manufacture or business within the limits of Mt. Pleasant Township which shall constitute a nuisance.

Section 6. It shall be unlawful for any person to cause or permit the existence of any dangerous structure or excavation within the limits of Mt. Pleasant Township which shall constitue a nuisance.

Section 7. In the event any person shall violate any of the provisions of this ordinance, the Supervisors of Mt. Pleasant Township shall order the removal of any such nuisance or dangerous structures from public or private ground after fifteen (15) days' written notice to the owners or occupants of the premises to do so and, upon default of the owners or occupants of the premises to abate such nuisances, the Supervisors of Mt. Pleasant Township shall abate or remove the same and collect the costs of such removal together with the penalty of $10.00 from the owners or occupants.

Section 8. Any person violating the terms of this ordinance shall be subject to a fine not in excess of $300.00, and in default of payment thereof shall be committed to the Adams County Jail, for a period of not more than thirty (30) days for each separate offense, with the right of appeal as in other cases of summary conviction. Provided, each day's continuance as a violation of any of the provisions of this ordinance shall constitute a separate offense.

Section 9. It is the intention of the Board of Supervisors that each separate provision of this ordinance shall be independent of all other provisions herein and it is further the intention of the Board of Supervisors that if any of the provisions of this ordinance be declared to be invalid all of the other provisions hereof shall remain valid and in force.

President Orders FBI To Investigate Violence, Check Need For New Laws

By CARL P. LEUBSDORF

WASHINGTON (AP) — President Johnson has directed the FBI to compile hundreds of reports on recent street violence so he can see if any common pattern exists and decide whether any new laws are needed.

The President told an impromptu news conference in his office Wednesday that he has already informed mayors and governors where such rioting has occurred that the federal government will "make available the full information we may have" and offer any extra help under present laws.

Johnson said such offers have been made to officials in New York, New Jersey, Maryland, Mississippi and Georgia.

GATHERING REPORTS

In his announcement, the President said the FBI is gathering reports on "riots and disturbances of the peace" at the rate of "about 40 a night." He said the reports might reveal "some particular pattern that will need to be pointed up, and that will lead us to make further recommendations," including proposals for new federal laws.

He said he referred "specifically (but) not exclusively," to riots such as those in Philadelphia and New York's Harlem.

Johnson used the news conference to reel off another long list of the latest economic statistics to bolster his belief that "confidence in economic prosperity is growing."

CONSUMER SPENDING

He said consumer spending increased by a record $15 billion in the first half of 1964, while financial savings of individuals reached a record level of $7.7 billion in the April-June quarter.

On other subjects, Johnson:

— Opened the conference by reporting that Ambassador Maxwell D. Taylor had given him and congressional leaders "a full and frank examination" of the situation in South Viet Nam.

— Announced he would meet with Canadian Prime Minister Lester Pearson under the International Peace Arch between Washington State and British Columbia to commemorate the Columbia River treaty. The two leaders plan to make an aerial survey of the region.

— Indicated he approved of the Senate's plan to reopen the investigation of former Senate aide Bobby Baker. Johnson said he favors a "thorough investigation and study of any indications that federal law may have been violated."

APPROVES AGREEMENT

— Expressed pleasure that the United Auto Workers Union and Chrysler have agreed on a new contract which neither thinks is inflationary. He declined to comment on the terms because he had not yet studied them.

— Said the administration-sponsored tax cut earlier this year was based on a considered judgment that this was the amount of tax relief that was justified. Asked to comment on a call by GOP presidential nominee Barry Goldwater for a 5 per cent annual tax cut for five years, Johnson said he would indicate in his State of the Union message in January whether further relief was justified.

— Announced formation of a panel of distinguished private citizens to advise the president and secretary of state and the secretary of defense on international developments, individually or collectively. Members will include Arthur Dean, Eugene Black, Dean Acheson, John J. McCloy, Omar Bradley and Allen Dulles.

Susquehanna Hits Record Low Level

HARRISBURG (AP) — The Susquehanna River in Harrisburg, diminished by the second successive year of drought, reached its record low mark Thursday of 2.13 feet.

The previous low mark was 2.18 feet last Nov. 1

O. D. White, hydrologist for the Flood Forecasting Service, said the river would continue to show a gradual recession until the area gets some rain.

PLANE CRASH CAUSE GIVEN

WASHINGTON (AP) — The Civil Aeronautics Board said Thursday an "improperly executed instrument approach" probably was the cause of airplane accident near Southampton, Mass., June 19 in which Sen. Edward M. (Ted) Kennedy, D-Mass., was seriously injured.

Edwin Zimny, 49, the pilot, and Edward Moss, a passenger, were killed in the crash, and Sen. Birch E. Bayh Jr., D-Ind., and Mrs. Bayh also were injured.

The CAB listed the probable cause as "an improperly executed instrument approach by the pilot in which improper altitude control resulted in descent below obstructing terrain."

The report was among 69 completed during the latter part of August on various light plane accidents of 1964.

The board said Zimney, a commercial pilot with more than 10,000 hours of flying time, had 731 hours of experience in the particular type of plane involved, a twin-engine Aero Commander. He had about 290 hours on instruments and 445 hours of night flying.

Church History Courses Are Vital To Student Training

The study of church history has played an important role in the training of students for the ministry at the Gettysburg Seminary since is founding in 1826. Indeed this area of investigation has been an important tool for an educated ministry in virtually every Christian denomination in any age. Since Christianity gives historical events a crucial role in its understanding of God's relations with men, and since nuturing the tradition is an important part of a clergyman's responsibilities, the story of the people of God and their thoughts and doings across the ages is an integral part of Christianity. Church history provides the link between the Bible and today. It gives the modern student a lengthened perspective from which to view his own age and place.

But it has only been since 1916 that church history has been recognized as a distinct and separate discipline within the curriculum at Gettysburg Seminary with the calling of Dr. Abdel Ross Wentz to be the professor in that field. By the 1940's required and elective offerings had grown until they required the services of more than one man. Today two professors make up the department—Dr. Frederick K. Wentz and Dr. Eric W. Gritsch. During the 1964-65 academic year Professor Wentz is on leave of absence and his teaching duties are carried by Dr. Robert Wilken.

FOUR REQUIRED COURSES

In recent years required courses in church history, which all students are expected to take, have been four in number. A first or basic course for beginning students presents an overall view of the early centuries, until the 16th century, describing the church's life, stressing main developments in such subjects as worship and missions, church practice and major religious movements, ethical patterns and the church's varying relationships with the societies in which it has lived. During the same year the student also receives another four-hour-a-week, 10-week course in this department on the subject of historical theology. Here the emphasis lies upon the church's thought, its great theologians throughout history, the major doctrines, the disputes and creedal formulations that have been landmarks in the church's effort to give intellectual formulation to its faith within the thought milieu of each age.

In the students second or middler year he takes a third history course which completes the basic or survey course by giving general coverage of the centuries of the Reformation and modern eras, tracing main lines of the church's development into the present century and decade. A fourth course, taken in the third or Senior year, rounds out the required history offerings by a study of American Christianity, outlining the events and characteristics which have constituted church history on this continent and have shaped church life into the patterns found around us in America today.

ELECTIVE COURSES

A number of elective courses are also an integral part of the department's work. In subject they range over the whole field of the history of the church and each deals in greater depth and detail with some particular theme or period. Each professor offers one or two electives each term. In the main these are available to such upperclassmen as choose them, the numbers being smaller than those taking required work. Some students major in church history by taking a number of the electives and writing a substantial thesis under the guidance of one of the professors.

The church history department also joins other departments in providing courses on Tuesdays for graduate students.

Both electives and graduate courses tend to be seminars with considerable student participation, frequently with the expectation that each student shall present a research paper. All courses involve extensive readings in textbooks, original sources and monographs. Lectures and discussions are the most frequent classroom methods. Always the aim is the preparation of intelligent, well-informed clergymen whose faith will be strongly rooted in knowledge and appreciation of the church's tradition.

Faculty Members Publish Books

Authors of the new LCA parish education curriculum include five members of the faculty of the Lutheran Theological Seminary.

Professor J. Russell Hale has written the pupil's book and the teacher's guide, entitled "Is Is Christian?" Professor Herbert W. Stroup Jr., the pupil's book and teacher's guide entitled "The Church in the New Testament and Today"; Professor Frederick K. Wentz the pupil's book and teacher's guide entitled "Lutherans and Other Denominations," and Professor Francis E. Reinberger the pupil's book and teacher's guide entitled "How to Pray." Professor Jacob W. Heikkinen has collaborated with Barbara M. Luebbe to produce the text "Helping Children Know the Bible" and with N. Leroy Norquist in the authorship of "Helping Youth and Young Adults Know the Bible."

The director of the entire long-range parish education program is Dr. W. Kent Gilbert, a graduate of the Gettysburg Seminary in the class of 1944.

degree from the Gettysburg Seminary in 1940 and completed graduate studies at Hartford Theological Seminary where he received his Ph.D. in 1946. Two of his three brothers are Lutheran ministers.

Ordained in May, 1942, he served as pastor of Our Saviour Lutheran Church, Lansdowne, Md., from 1942-47 when he became executive officer of the department of religion at George Washington University, a post he held until 1954 when he became a professional lecturer at the school. He was pastor of the Church of the Reformation in Washington, D. C., from 1954-60.

The author of Christianity and Modern Paganism," and "Uniform Lesson Commentary," both published in 1959, he has contributed numerous articles to Lutheran publications.

He was president of the Board of Higher Education, ULCA, from 1956-62. He currently is president of the Board of College Education and Church Vocations and is a member of the examining committee of the Maryland Synod. He was elected in 1963 to serve through 1966 as LCA representative to the National Council of Churches.

Professional associations include Phi Beta Kappa and Eta Sigma Phi and he is a former member of the American Society of Church History.

He is married to the former Anna Margaret Burger. They have three children, Lawrence Daniel Jr., Gordon Christian and Mary Ellen.

He was an active member of the Washington, D. C., Council of Churches, the NEA special research committee for moral and spiritual values in education and other community activities in Washington.

Former Retail Store Owner Seminary Business Mgr.

Clarence A. Benson, a graduate of St. Olaf College, Northfield, Minn., assumed the position of business manager-treasurer of the seminary June 1, 1963, after having having been a part-owner of a retail appliance and furniture store in Chicago, Ill., for 22 years.

A native of Chicago, he attended University of Minnesota for a summer after graduating from college in 1940 and served in the U. S. Marine Corps from 1944 to 1946. Prior to becoming a business partner in the retail business he was associated with the Austin YMCA, Chicago, Ill., and the YMCA in St. Paul, Minn.

He was a member of the governing commission of the Chicago Metropolitan YMCA and was finance chairman, vice chairman of the board and chairman of the Austin Athletic Club while he served the Austin YMCA.

He has been married since June, 1941, to the former Dorothy E. Sutherland, Red Wing, Minn., and is the father of a daughter, Ann, a student at St. Olaf, and two sons, Clark, 17, and Dean, 13.

He resides with his family in Woodcrest, Gettysburg.

CAMPUS DRAWS CONVENTIONS, CHURCH MEETS

In recent years Gettysburg Seminary has become a favorite site for church-related conferences, conventions, seminars and meetings.

The utilization of the seminary facilities, particularly during the summer season, is encouraged by the administration to such a degree that many reservations are made for more than a year in advance. The majority of the participants come from out of town and the popularity of Gettysburg and the Battlefield as a tourist attraction adds to the interest and appeal to these many people. The conferences vary greatly as to the number attending, ranging from some 400 to as small as 25 depending upon the type of conference held.

Following is a list of some groups that the seminary has hosted in the past year:

Overseas Lutheran theological students' conference.

American Lutheran seminarians conference.

Central Pennsylvania Synod—Milton District councilmen.

Central Pennsylvania Synod — Lancaster District councilmen.

Seminary Week.

Maryland Synod annual convention.

Seminar on the church and national life.

Central Pennsylvania Synod's lay schools and pastors' schools.

Lay School of Theology.

Lutheran laymen's retreat.

Pastor's institute.

Church School worker's conference.

The majority of these, as well as others, will return annually and the list is growing each year.

The seminary is not interested in serving as a hotel but is vitally interested in cooperating with any church related organization or group that has need for a meeting place.

The Lutheran Society for Worship Music and the Arts has selected Gettysburg Seminary as the site for their 1965 conference. This is a national organization and participants will come from the entire nation and may number some 300.

The seminary is mindful of the cooperation received from the Gettysburg community and appreciates this help in making all the conferences successful.

Dr. Heiges Has Dual Post As Head Of 2 Seminaries

Dr. Donald R. Heiges, distinguished young head of the Lutheran Theological Seminary, has achieved prominence in the fields of education and theology. His boundless energy and his vision, idealistic yet tempered by the realities of modern life, have contributed to those qualities of a successful administrator usually so rare in persons of a scholarly nature In Dr. Heiges they are exemplified to their fullest degree.

Having demonstrated his capabilities in a lifetime devoted to service in the Christian church, he continues to give of himself selflessly in devoting his talents to administering two seminaries. He is president not only of the Gettysburg Lutheran Theological Seminary but also of the Mt. Airy Lutheran Seminary in Philadelphia. This is the first time in the history of the church in America that one man has been selected to head two seminaries.

GRADUATE OF GETTYSBURG

Dr. Heiges is no stranger to Gettysburg. He was born in Biglerville, the son of the late E. Dale Heiges and Mrs. Heiges. After studies in Gettysburg College, from which he graduated in 1931, he entered the seminary, completing his studies there in 1934. Immediately upon his graduation from the seminary, he joined the faculty of Gettysburg College as an instructor in philosophy. The following year he was ordained and was named college chaplain and assistant professor.

In 1944 he was named Lutheran pastor to students in the greater New York area, holding at the same time the position of associate Protestant counsellor at Columbia University and executive director of the Lutheran Student Foundation of Greater New York.

HONORARY DEGREES

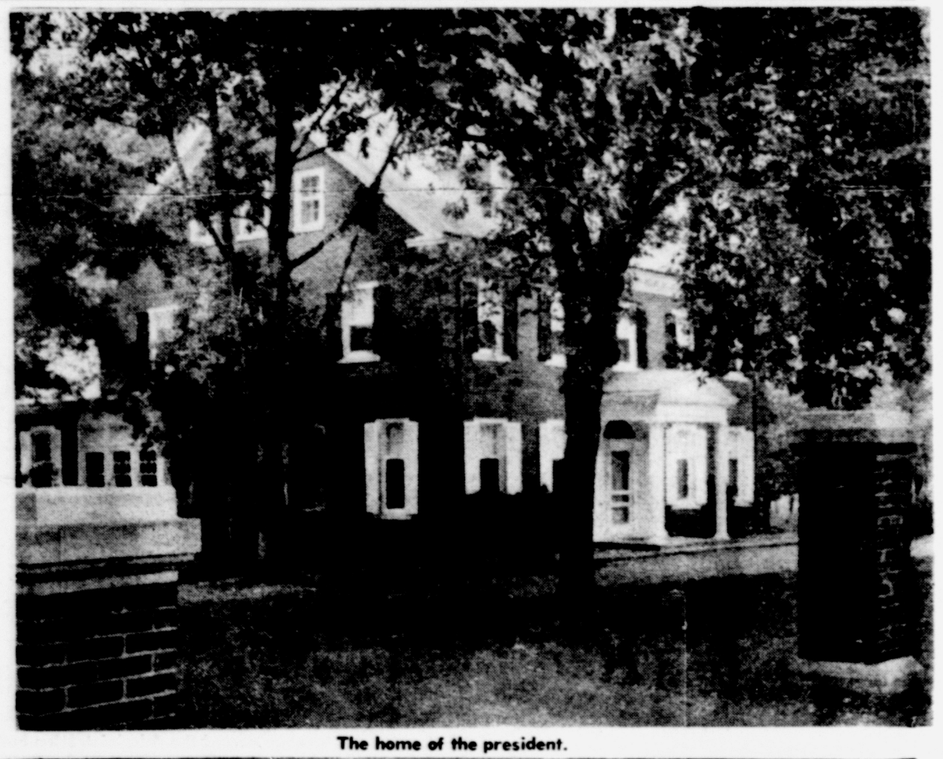

He was named executive secretary of the Division of College and University Work, National Lutheran Council, from 1950-58, when he became dean of the Chicago Lutheran Theological Seminary at Maywood, Ill. He was a Knubel-Miller Foundation lecturer in 1958.

Dr. Heiges received his master's degree from Columbia University in 1941 and continued graduate studies at Union Theological Seminary and Columbia University. He received honorary D.D. degrees from Concordia College, Moorhead, Minn., in 1954, and Gettysburg in 1956.

He served on the board of NCCCUSA, Department of Campus Christian Life from 1954-58; the United Student Christian Council from 1950-58; the LWF Committee on Student Work from 1952-57; the National Lutheran Council and the NLC Division of College and University Work Committees since 1959. He also is presently a member of the NLC Committee on Clinical Pastoral Education, the AATS Commission on Faculty Fellowships and the AATS Committee on Clinical Pastoral Education.

He has written numerous articles for Lutheran and religious publications.

He is married to the former Mary S. Kump. They have two daughters, Mrs. Kenneth Reinhardt, DeKalb, Ill., and Joan Christina, a student at Wittenberg University.

CHURCH SEEKS NEW MEANINGS IN BIBLE STUDY

"Why should there be a department of the New Testament, that is, as a special field of study? The New Testament is simple. It was written for every man in plain speech. Why, then, do the experts make it more and more complex?" These questions, if not voiced loudly, are, at any rate, thought of and sometimes whispered into the ear of a New Testament professor.

It should be observed at the same time that similar questions are raised with regard to the Bible as a whole.

But now, the questioner ought to face a question. Is the Bible really simple? Neither is the Bible simple nor the world in which we live simple. In a certain sense, it is true the New Testament is simple, exemplified by the Gospel of John which is written in one and two syllable words. The Gospel of John, however, is also the profoundest writing of the entire New Testament.

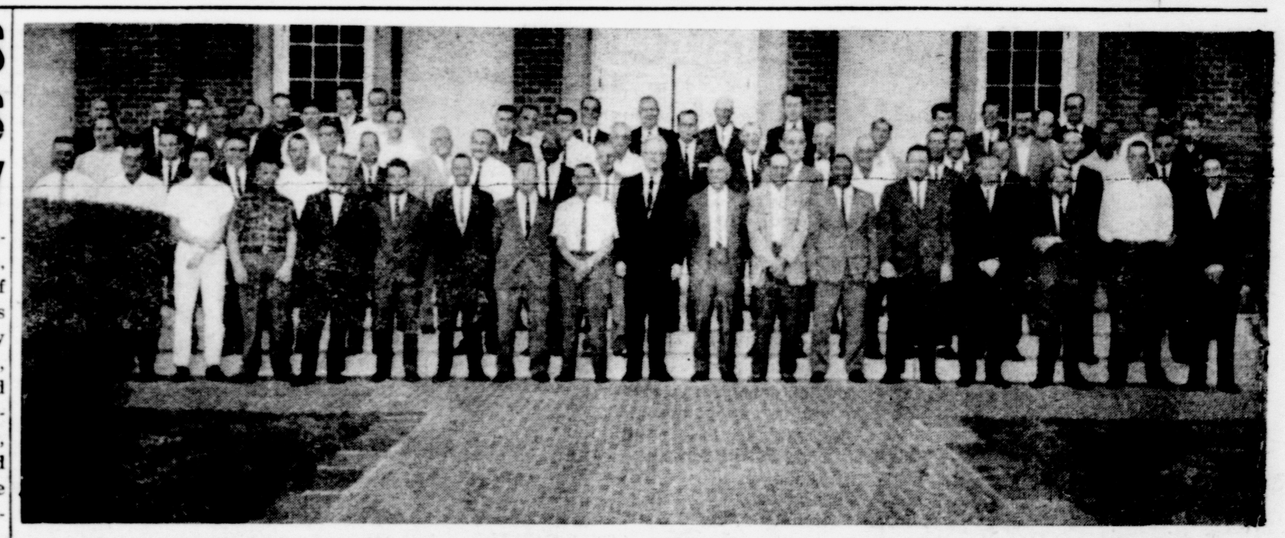

DR. HEIKKINEN

SEARCH OF SCRIPTURES

The Church is obliged to search the Scriptures from generation to generation. It is ever a new responsibility. The simplicity and complexity of the Bible in its ancient setting and modern meaning constitute a task of the first magnitude for the life and mission of the Church.

At the Lutheran Theological Seminary of Gettysburg, the objectives of the study of the New Testament are: a) master the materials of the New Testament writings themselves with a special emphasis on the knowledge of the actual content and the memorization of significant passages; b) acquire an understanding of the historical situation within which the various writings appeared through the social-historical method of research; c) develop the skills of interpretation through the practice of exegetical techniques and the study of the basic principles of interpretation. The unity of the New Testament, its organic relationship to the Old Testament and its variety of experience and thought bearing witness to the Gospel of Jesus Christ are observed.

Every student is required, for graduation, to take five courses: Acts and the Letters of Paul; The Synoptic Gospels; Studies in the Life and Teaching of Jesus; Hebrews, Revelation and the Catholic Epistles; The Gospel of John.

More than 50 persons who were employed at the Seminary this summer on construction, renovation and remodeling contracts were guests of the school at the annual dinner this summer.

Three College Graduates Share Seminary Awards

Three graduating seniors and one graduate student from Gettysburg Seminary and one incoming student were the recipients of academic scholarships for the academic year 1964-65.

The Cronhardt Academic Scholarship was awarded for the first time to a member of the incoming junior class on the basis of academic excellence. This award went to William O. Avery who graduated from Gettysburg College in June, 1964, with a Bachelor of Arts degree. Mr. Avery was the recipient of the Nicholas Bible Prize and received departmental honors. He was elected to Phi Beta Kappa and was graduated summa cum laude. He majored in Biblical literature and religion and minored in psychology while at Gettysburg College. Mr. Avery is from Williamsport, Pa., and is a member of the Central Pennsylvania Synod.

FELLOWSHIP DIVIDED

The Cronhardt Graduate Fellowship was divided among two graduating seniors and one graduate student. Darwin E. Gearhart and Edward L. Palmer, of the senior class, received the awards with Ronald L. Shonk of the graduating class of 1963 from the seminary.

Mr. Gearhart graduated from Capital University with an A.B. degree in 1960 and from Gettysburg Seminary in 1964 with a major in church history. He served an internship, 1962-63, with the Pennsylvania State University Lutheran Student Association. He is enrolled at Princeton Theological Seminary, Princeton, N. J., where he will work toward his Th.D. in the area of theology and personality. He is a native of Lewistown, Pa., and a member of the Central Pennsylvania Synod.

GRADUATE STUDENT

Mr. Palmer graduated magna cum laude from Gettysburg College in 1960 and from Gettysburg Seminary in 194 with a major in systematic theology. A native of Hagerstown, Md., and a member of the Maryland Synod, he will pursue work toward his Ph.D. in counseling psychology at Ohio University, Athens, Ohio.

Mr. Shonk has completed one year's work toward his Ph.D. in Christian education at the University of Pittsburgh and will continue this work for his second year. Graduating from Gettysburg College in 1960, he also graduated from Gettysburg Seminary in 1963 with a major in Christian education. He is a member of the Central Pennsylvania Synod and is from Manheim, Pa.

The Lutheran Brotherhood Seminary Graduate Award was received by Donald S. Armentrout. This award is granted by the Lutheran Brotherhood Life and Health Insurance upon nomination by the faculty of the seminary. Mr. Armentrout, a member of the Virginia Synod and a native of Front Royal, Va., graduated from Roanoke College in 1961, summa cum laude, and from Gettysburg Seminary in 1964 with a major in church history. He is planning to pursue work toward the Ph.D. in church history at the Divinity School of Vanderbilt University in Nashville, Tenn.

Dr. Philip J. Hefner Named To Succeed Dr. C. C. Rasmussen

Dr. Philip J. Hefner, associate professor on the faculty of Hamma Divinity School, Wittenberg University, was elected by the board of directors as full professor to succeed Dr. Carl C. Rasmussen, who retired in 1963. During the academic year of 1963-1964 Dr. Rasmussen's courses have been taught by visiting Professor Warren A. Quanbeck.

A native of Denver, Colo., Dr. Hefner received his A.B. degree in 1954 from Midland College and in 1954-55 was a Fulbright scholar at the University of Tuebingen. He received a Bachelor of Divinity degree in 1959 from Chicago Lutheran Theological Seminary.

DR. HEFNER

He earned a master's degree in 1961 and a Ph.D. the following year from the University of Chicago.

ROCKEFELLER FELLOW

He was awarded the Lutheran Brotherhood Graduate Fellowship in 1959-60 and the National Lutheran Educational Conference Fellowship the following year. He also held the Rockefeller Doctoral Fellowship from 1960 to 1962.

He served his pastoral internship at St. Paul's Lutheran Church, Albuquerque, N. Mex., and was interim pastor of St. Stephen's Lutheran Church, Chicago, in 1959. He was ordained in 1962 by the ULCA Rocky Mountain Synod.

PUBLISHED AUTHOR

Dr. Hefner has published a number of articles in periodicals, including "The Lutheran Quarterly," "Church History," "Dialog" and "Una Sancta." He presently is preparing the manuscripts for three books, the first to be published within the next year. In addition to his teaching responsibilities at Hamma, Dr. Hefner has contributed heavily to the development of the Hamma lay schools of theology, and has pioneered a program at Wittenberg University of interdisciplinary conversations and lectures.

In 1956 Dr. Hefner married Neva White. The Hefners have two children, ages one and three.

Luther Theological Seminary. In 1955 he received an M.A. degree in library science and history from the University of Minnesota. He was recently awarded the Ph.D. degree from the State University of Iowa in the field of American studies. His dissertation subject was "John Philip Koehler, the Wautaso Theology and the Problem of Mid-West American Lutheran Church and the Predestinarian Controversy."

LANGUAGE PROFESSOR

Ordained by the Norwegian Lutheran Synod in 1949, Dr. Jordahl served as pastor of Trinity Lutheran Church, Bellview, Minn., from 1949 to 1952. He became a clerical member of the American Lutheran Church in 1959. He has served as librarian and instructor in classical languages at St. Olaf College, Northfield, Minn., and as instructor in the department of religion at Luther College, Decorah, Ia.

Dr. Jordahl, 39, is married to the former Valborg Gullerud. The Jordahls have three children aged three, five and seven.

DR. SHENEMAN JOINS FACULTY IN EDUCATION

Dr. Lloyd E. Sheneman, with the rank of assistant professor, will be the second member of the faculty in the field of Christian education, where Dr. Ralph D. Heim has served the seminary for a quarter of a century.

A native of Lawrence, Kan., Dr. Sheneman received his A.B. degree in 1950 from the University of Kansas, and in 1953 his B.D. degree from the Lutheran Theological Seminary at Philadelphia. From 1953-1954 he studied at the Theologische Schule in Bethel, Germany. In 1962 he received the M.A. degree and in 1964 the Ph.D. degree from Yale University. He did his doctoral dissertation on

"The Teaching Ministry of the Church and the Law—Gospel Distinction."

YALE FELLOWSHIPS

During his studies he was awarded the Frances Schlegel German Scholarship in 1949; a World Council of Churches Scholarship in 1953-1954; the Charles D. Wiman Fellowship in 1962-1963 and a Rockefeller Doctoral Fellowship in Religion in 1963-1964, both at Yale University.

Dr. Sheneman was ordained by the Iowa Synod of the United Lutheran Church in America in 1953, and served as assistant pastor and director of Christian education at St. John's Evangelical Lutheran Church in Des Moines, Ia., from 1953-1961. He has published articles in "The Lutheran Quarterly" and "Religious Education."

In 1956 Dr. Sheneman was married to Martha Sprenger. The Shenemans have four children.

NEW HISTORY OF SEMINARY

When the Seminary celebrated its centennial in 1926, a volume of 625 pages was published setting forth the history of the school. Now, after tthirty-eight years, a new history of the institution is in the process of publication. This time there will be two volumes.

The first volume of this set came from the press early in May. It is the **Alumni Record,** a volume of 480 pages. It gives the name and life record of everyone of the 2,892 students who have been enrolled in the Seminary since 1826 and have completed at least one course of study. The Seminary takes pride in the collective record of her men and women. It is a splendid register of constructive achievement and spiritual influence, a record of commanding leadership of preachers and teachers and pastors, of missionaries home and foreign, of authors, editors, administrators and executives.

The second volume in the set is the narrative of the life of the institution. It is now in process of preparation. It will supplement the account published in 1926 and will bring the narrative up-to-date, thus covering the productive and eventful administrations of Drs. Aberly, Wentz and Baughman.

It is the hope of the Seminary to have this second volume of the present History ready for distribution about the first of January, 1965. The books are available at the business office of the Seminary.

Rev. Reinberger Is Former Chaplain Of State Senate

Rev. Francis E. Reinberger, Seminary chaplain.

Francis E. Reinberger was born May 16, 1919, at Millersburg, Pa., and is a gradute of Carlisle High School, Dickinson College and the Lutheran Theological Seminary, Gettysburg. He was ordained in May 1943, and served the Utica Lutheran Parish, Walkersville, Md., and Trinity Lutheran Church, Camp Hill, before joining the staff at the seminary in 1952 as professor of practical theology.

He received a master's degree from Johns Hopkins University and is a candidate for a Doctor of Theology degree at Union Theological Seminary, New York City.

TAUGHT AT HOOD

He was chaplain of the Pennsylvania State Senate from 1949-51, and has taught religion and Bible at Hood College, Frederick, Md., and New Testament Greek at Messiah College, Grantham. He was chosen by the World Council of Churches as an exchange preacher to England and Wales in 1952.

In addition to numerous articles in the Lutheran Quarterly and other publications, Rev. Reinberger has published a textbook for the Board of Parish Education, LCA, "How To Pray," and has been a contributor to the W. S. Avery edition "Devotions For Every Day." He also has written the script for a filmstrip on "The Service."

He is a member of the Society of Biblical Literature, the Association of Theological Professors in the Practical Fields, and the Academy of Religon and Mental Health. He is a member of the consulting committee, department of worship, ULCA; the board of publication, UCLA and LCA; the Commission on Ecclesiastical Order; committee on worship, director for Lutheran World Action and chairman of the managing board of Camp Nawakwa. He has served as a director of the Adams County Library and the citizens advisory committee of the Adams County Home. He was a delegate to the Lutheran World Federation Assembly, Hannover, Germany, in 1952.

He is married to the former Lillian Jackson. They have two children, Ann Elizabeth and Mark Edward.

STATES BASIS OF JOINT PLAN

The basis for the joint administration of the Gettysburg and Philadelphia seminaries is a "Memorandum of Understanding" adopted by the boards on May 14 and 21, respectively. The memorandum makes the following provisions:

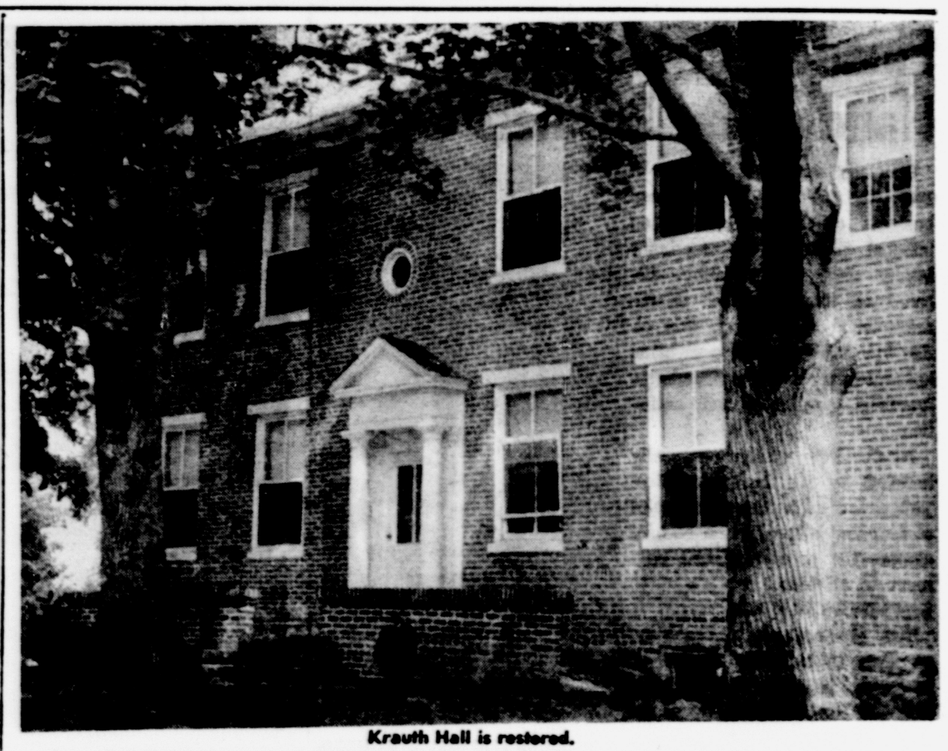

1. The president of the two institutions will invest approximately an equal amount of time and resources on behalf of each school, and will maintain a residence at both campuses.

2. The president will be assisted at each school by an administrative dean, who may be chosen from existing faculty and staff members or may be newly appointed.

3. A Joint Executive Committee, composed of six members from each board, will provide a channel for increasing cooperation between the schools, and will counsel and support the president in the exercises of his administration.

4. Financial responsibility for the joint administration will be shared equally by the two boards.

5. The boards will meet in joint session annually to review and evaluate the programs of the seminaries, with special reference to the operation of the joint administration.

Renovations, New Facilities Add To Seminary Efficiency

The Lutheran Theological Seminary at Gettysburg will welcome back her students for the new academic year with a bright and modernized face. The process of modernization of buildings and grounds, undertaken a few years ago, has largely been completed. These improvements not only have enhanced the attractiveness of the seminary campus, but also will provide facilities more efficient and useful for the seminary's advancing program of theological education.

Residents of Gettysburg living near the seminary campus will know that something new has been added to the Church of the Abiding Presence. During the past year a set of Flemish bells has been installed in the chapel which chime out the daylight hours as well as herald the services of worship. A public address system, complete with tape recording devices, has been installed in the chapel both to aid in the comfort of congregations at large events, as well as to increase the efficiency of teaching in such subjects as preaching and the conduct of worship.

CHAPLAIN'S OFFICE

Recent action of the seminary's board of directors led to the appointment of a chaplain of the seminary. An office has been established in the chapel for the chaplain, which has been furnished in memory of the late Doctor Harvey Daniel Hoover by the gifts of his friends, including a group of Lutheran laymen from southern Pennsylvania who were led in retreat by Doctor Hoover for many years.

The most startling changes wrought by the renovations at the seminary are to be found in the administration building, which is the center of seminary's administrative life and one of the focal points of its academic program. During the past few years and especially during the past two summers, nearly the whole of the interior of this building of French Renaissance style, erected in 1894-95, has ben refurbished.

BUSINESS OFFICE

On the first floor of the administrative building attractive offices for the seminary's business manager, Clarence A. Benson, and the comptroller, A. E. B. Jones Jr., and their staffs have been provided. The book store the and the coffee room have been enlarged and newly equipped.

The main offices of the institution, on the second floor, provide efficient and comfortable facilities for the conduct of the administrative and academic business of the seminary. The president's office assures Dr. Donald R. Heiges and his staff of modernized facilities in which to lead an educational institution with a progressive program. This floor also provides new and attractive offices for the dean of students, Professor Herbert W. Stroup Jr., and the director of graduate studies, Professor Howard N. Bream, and their staff.

The two large classrooms on this floor have been renovated. This is noted especially with the large classroom which was once used as the seminary's chapel from 1895 to 1942. Since the dedication of the Church of the Abiding Presence in 1942, the old chapel has been used as a classroom. Now is has been renovated and equipped as one of the most up-to-date classrooms in the area.

Similar renovations have also been made to the classrooms and faculty offices on the third floor of the administration building. A spacious, attractive faculty lounge has also been provided on this floor by a gift of the Seminary Auxiliary.

Included in the program of modernization have been improvements to make more attractive and comfortable the daily life of the students. The Krauth House, one of the three original buildings of the seminary, erected in 1834 for the sum of $2,000 as a faculty home and now used as a student dormitory, has had its brick exterior sandblasted and restored to its original state. The apartment dormitory, on the corner of W. Confederate Ave. and the Fairfield Rd., has been refinished in its interior, so that married students' apartments and single students' rooms will greet the returning students with sparklingly fresh paint.

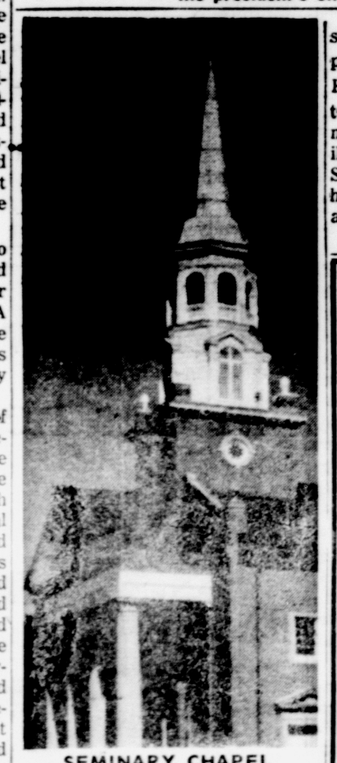

Another generous gift of the auxiliary of the seminary enabled the board of directors to renovate the refectory dining room and kitchen, and to furnish the kitchen with completely new equipment.

Alongside the refectory is the seminary's attractive home for its president. When Dr. Donald R. Heiges returned to Gettysburg two years ago as the seminary's ninth president, he and his family moved into the former Elsie Singmaster Lewars house which had been attractively refurbished and modernized.

Thus as the Lutheran Theological Seminary at Gettysburg opens its 139th year, it does so with facilities which are pleasing in their beauty and modern in their efficiency. This is most fitting for an institution which is grateful for its heritage and dedicated to its mission to prepare adequately Christian pastors for today's world.

Board Names Rev. Dr. Heiges To Serve Both Seminaries As Chief Administrator

On May 14, 1964, the Board of Directors of the Lutheran Theological Seminary at Philadelphia elected the Reverend Donald R. Heiges president of the Philadelphia Seminary with the understanding that he would continue to serve as president of the Lutheran Theological Seminary at Gettysburg, subject to concurring action by the board of the Gettysburg Seminary.

At a special meeting on May 21, 1964, the board of directors of the Lutheran Theological Seminary at Gettysburg took the necessary concurring action, which included the adoption of a "Memorandum of Understanding" describing the operational details of the joint administration, and then approved the following resolution:

"Whereas, the Board of Directors of the Philadelphia Seminary of the Lutheran Church in America has elected the president of the Lutheran Seminary at Gettysburg as president of the Philadelphia Seminary while continuing as president of the Lutheran Seminary at Gettysburg under a shared arrangement, and

DRAFT AGREEMENT

"Whereas, an agreement has been authorized by the Board of Directors of the Lutheran Seminary at Gettysburg through which the service of the president of this Seminary will be shared with the Philadelphia Seminary; and

"Whereas, it is assumed that the whole of the Lutheran Church is positively concerned to organize its present and long-term efforts in theological education to the end that the church may effectively be served in both the quality and number of its clergy; and

"Whereas, it is assumed that the conditions which utimately will determine the existence, effectiveness, and quality of a theological seminary, or any educational institution, are largely those which attach uniquely to each institution but further enable it to use the strength of its history and its commitment to its constituencies as principal determinants of its educational purposes and arrangements, its cultivation of support, and its dedication of effort;

JOINT REGIME

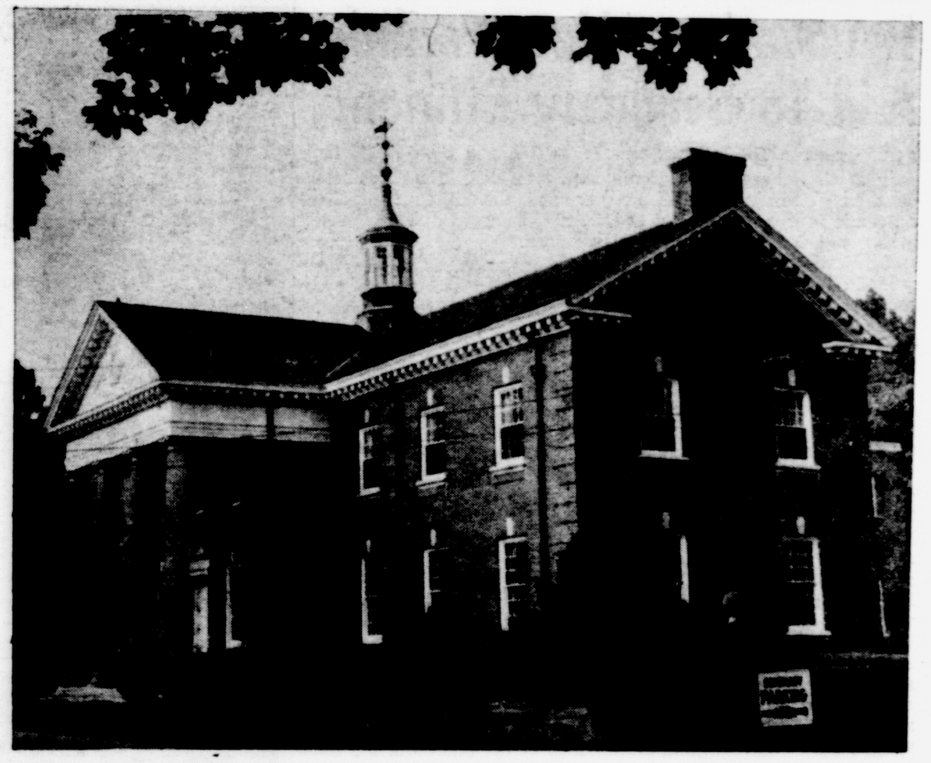

"Therefore, be it resolved that

1. "The Board of Directors of the Lutheran Seminary at Gettysburg in approving joint administration does not commit this Seminary to any course of action beyond that of increasing cooperation between the Gettysburg and Philadelphia seminaries; and further

2. "The Board of Directors of the Lutheran Seminary at Gettysburg hereby affirms its belief that the future design for theological education in the Lutheran Church deserves the creative and dedicated effort of all concerned and that such design will emerge through efforts which utilize the intelligence and faith of responsible persons at both the synodical and national levels; and further

3. "The Board of Directors of the Lutheran Seminary at Gettysburg hereby authorizes the accomplishment of a comprehensive study designed to set forth the means through which the Lutheran Seminary at Gettysburg will continue and strengthen its service to its constituencies and to the Lutheran Church."

Subsequently, an enabling motion was adopted directing the chairman of the Board of Directors and the president of the Seminary to appoint a joint board-faculty Long-Range Planning Committee which will carry out the "comprehensive study." This committee is requested to make its first report at the November 10, 1964, meeting of the Board of Directors.

Financial Phase Of Seminary Handled By Business Office

BUSINESS MANAGER BENSON

Officially organized in June of 1963, the Gettysburg Seminary business office has become an integral part of the Seminary family and administration. Located on the first floor of the Administration Building, this office has functioned as a clearing house for most all nonacademic functions, problems and activities.

All fiscal concerns are naturally handled by the business office. This covers such things as receipt of fees and other income and, of course, the processing and payment of all bills.

EMPLOYE CONTROL

The physical plant, consisting of some 19 buildings located on 52 acres, is under the jurisdiction and the responsibiliay of the Business Office. The 24 staff employes are controlled and supervised by the office as well. Preparing and handling of payroll for all personnel including and staff, insurance, maintenance, remodeling, renovating, civil defense, public relations are just a few more of the concerns of this office of the Seminary.

Student relationship is constant and steady through the business office by administration of work scholarships, helping to secure employment for students, housing when necessary and rendering financial advice and assistance when feasible.

ARRANGES CONFERENCES

The conferences describes in another article in this issue are also the responsibility of the business office. These plus constant improvements in the physical plant keep the business personnel quite busy even during the summer season when the full complement of students is not on the campus.

Clarence A. Benson heads this portion of the Seminary administrative staff serving as business manager and treasurer. He is ably assisted by Mrs. Irma Anderson and Russell Campbell. Alfred E. B. Jones Jr. and Mrs. Carol Smith, whose chief responsibilities are the Cooperative Bookstore and Refectory, are also in the picture of Seminary business with Mr. Jones serving as comptroller.

ENDOWMENT FUND

The Endowment Fund of the Seminary is controlled by Mr. Benson, acting in the capacity of treasurer, and the Seminary Finance Committee. A trust agreement is set up with the Gettysburg National Bank which holds all securities.

The Seminary and the Gettysburg community have lived together since 1826 with both fully appreciating one another. The business office has grown to fully appreciate the cooperation received from the Gettysburg area populace. The community as well can realize what the Seminary can mean to them in many ways, not least of all in a financial way. A conservative estimate of over a half million dollars is spent in the Gettysburg area by the Seminary through its operating budget, capital expansion program, and private funds from employes and students. Every effort is made to utilize local sources for materials and services with the realization that what is good for Gettysburg is good for the Seminary.

Dr. Samuel Schmucker, Learned Founder Of Gettysburg College And Seminary, Was Prominent Leader In Community Affairs

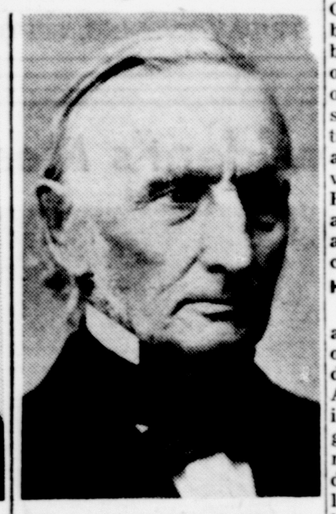

By DR. ABDEL ROSS WENTZ

He came to Gettysburg in 1826. Soon he was recognized as one of the foremost religious leaders in America. His many services for the Lutheran Church made him the most influential person among Lutherans through a period of 35 years. His work for Christian unity among all denominations gave him an international reputation that has endured to the present day.

Samuel Schmucker is best known among Americans as the founder of Gettysburg Seminary and Gettysburg College. He was born in the Lutheran parsonage at Hagerstown, grew to manhood in the parsonage at York, and studied at the University of Pennsylvania and at Princeton Seminary. At that time there were very few seminaries or colleges in America, none at all among Lutherans.

DR. A. R. WENTZ

DR. SAMUEL SCHMUCKER

FIRST PROFESSOR

When Samuel Schmucker entered the ministry at New Market, Va., he was only 21 years old, but he was the best educated young man in the Lutheran Church. He felt very keenly the need for a Lutheran seminary to prepare men better for the ministry. When his first wife died, he opened the parsonage to young candidates for the ministry and began to instruct them. Soon he had a good reputation as a teacher.

Then he brought Lutherans together in a General Synod in order to put their combined strength behind his proposal to establish a Lutheran seminary. The general body accepted his proposals in 1825 and authorized him to proceed with his plans. He was also elected to be the professor of the proposed institution. He was only 26 years old.

Gettysburg was chosen as the location because the enlightened character and the educational interests of the community enabled the Lutheran pastor, John Herbst, to make the most liberal offer for a new institution. Included in the offer was the use of the Adams County Academy at the southeast corner of Washington and High Streets. Moreover, the best constructed turnpikes for the stagecoaches in Pennsylvania centered at Gettysburg, though it was only a village of 1,500 people.

CLASSICAL SCHOOL

When the Seminary started in 1826, Dr. Schmucker realized at once that he needed a school to prepare students to take Seminary courses. So with some of the prominent citzens of Gettysburg he organized what was called the Classical School. This began in 1827 in the same building with the Seminary. Two Jacobs brothers were brought in to help Dr. Schmucker.

After five years the former Academy building was much too small to house both the Seminary and the Classical School. So in 1832 the Seminary moved to the ridge which became famous during the great battle in 1863. The Classical School moved to its present location at the northwest end of the town. Both institutions were incorporated, and the Classical School became Pennsylvania College.

Samuel Schmucker wrote two important textbooks for his Seminary students. One was called "Popular Theology." It passed through nine editions. The other was a learned book on psychology, which passed through three editions. He also wrote 45 other books and booklets.

STARTS ALLIANCE

Twelve years after he came to Gettysburg, Dr. Schmucker began his celebrated work for Christian unity, and to this he devoted much time and energy to the end of his life. His writings on this subject and his concrete proposals received favorable recognition on both sides of the Atlantic. In 1846 he went to London and there he was one of the leaders in establishing the Evangelical Alliance. This is the organization that pioneered in the entire modern movement for unity among Christian denominations. Dr. Schmucker is given credit by historians for having started what is called the ecumenical movement.

The Gettysburg professor identified himself with every general Christian movement for human betterment in his day. He labored and wrote and preached on behalf of the emancipation of slaves, the founding of public schools, the publication of Christian tracts, and such good causes as Sunday Schools, religious revivals, and Christian missions. He was prominent in crusades against intemperance, ignorance and superstition, and other social evils.

HAD 13 CHILDREN

Samuel Schmucker was also a good citizen in the community of Gettysburg. He had 13 children, five boys and eight girls. All the boys became either ministers or lawyers, and all the girls married either lawyers or ministers. His two younger daughters married Gettysburg lawyers. Catherine married William A. Duncan, who lived on Baltimore Street near Lincoln Square, and became a member of the national Congress. Catherine lived to the ripe old age of 88 and died in 1928. The youngest daughter of Dr. Schmucker, Alice, married Jacob Cassat Neely, who was for nine months the district attorney for Adams County.

Shortly after the Battle of Gettysburg, Dr. Schmucker was one of 26 community leaders who contributed 10 dollars each to buy up lands on which the battle had been fought. They formed "The Gettysburg Battlefield Memorial Association" and in 1864 Schmucker was vice president of the organization. About 20 years later this became the Federal Battlefield Commission.

CITIZENS' CEMETERY

Schmucker was active also in the affairs of the community association in control of the citizens' cemetery. In 1864 he was one of the stockholders of the association. He felt that the cemetery should belong to the lotholders rather than the stockholders. On this issue he was elected president of the association, and the change was made. He also helped to secure the branch of the Reading Railroad to serve Gettysburg.

When he retired from teaching in 1864 he built and occupied the house on Chambersburg Street immediately east of Christ Lutheran Church, where his voice had so often been heard proclaiming the gospel, and whose congregation he had helped to organize in 1834.

DIED IN 1873

Dr. Samuel S. Schmucker died of a heart attack on Saturday night, July 26, 1873. And so at the age of 74, the distinguished citizen of Gettysburg, learned founder and professor of the Seminary and College, celebrated pioneer in Christian unity, was buried near the center of Evergreen Cemetery, only 200 feet from the spot where Lincoln 10 years earlier had delivered his famous address at the dedication of the National Cemetery. On the plain shaft of white marble is the simple inscription:

Rev. S. S. Schmucker, D.D.
born
February 28, 1799
died
July 26, 1873

A full-length biography of Samuel Simon Schmucker is now in the hands of a publisher and is expected to appear in about a year.

Prof. Otto Piper Is Guest Teacher

Professor Otto Piper, professor emeritus of the Princeton Theological Seminary, will serve as a guest professor of New Testament during the coming school year while Professor Heikkinen is on his sabbatical leave. Professor Piper, who came to the United States as an expellee from Nazi Germany, is well known throughout the world as a "foundational" Biblical scholar and theologian. Prior to his expulsion because of his views, Professor Piper taught at the University of Munster succeeding Karl Barth who had accepted a call to Basel. Exceedingly few contemporary scholars possess the many facets of scholarly learning and power of systematic articulation to the degree that characterizes Professor Piper's academic career.

Jacob W. Heikkinen, head of the New Testament Department of the seminary since 1956, was born January 14, 1913, in northern Michigan, the son of Finnish immigrants. He attended Suomi College Academy, Hancock, Mich., and was graduated from Suomi Junior College and Theological Seminary in 1936. He received his A.B. degree from St. Olaf College.

He enrolled in post graduate work at the University of Michigan and attended Hamma Divinity School as a teaching fellow to complete requirements for a B.D. degree in 1945. He attended summer sessions at Union and Princeton Theological Seminaries in 1942 and 1943, and began full-time graduate studies at Princeton in 1946. He received his Th.D. in 1950.

FORMER PASTOR

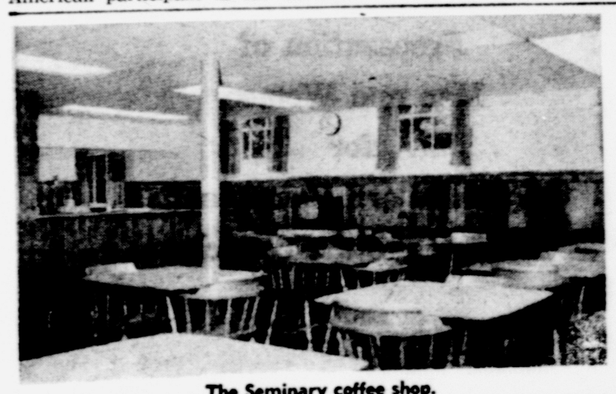

He was pastor of Bethlehem Finnish Lutheran Church, Detroit, from 1937-46, and was relief administrator in Finland for the National Lutheran Church Councils in 1947. He joined the Gettysburg Seminary faculty as a professor in 1949.

His special appointments include that of lecturer at the Lutheran World Federation theological conferences in Germany, Finland, Norway, Holland, England and France in 1953 and he was an American participant in the federation's first international congress on Luther research at Aarhus, Denmark, in 1956. He was a delegate of the ULC Oberlin Conference on Faith and Order in 1957 and was a Fulbright professor at University of Helsinki for the fall semester of 1962. In 1959 he was unable to accept a faculty scholarship from the American Association of Theological Schools to attend Oxford and Heidelburg Universities because of limited sabbaticals allowed by the seminary.

Married to the former Toini Elizabeth Koski, pianist and music teacher, he is a former president of the Gettysburg Concert Association, a member of the Gettysburg Area School Board and president of the Adams County chapter of UNICEF. They have three sons, Jacob Herman, Alfred Reuben and Karl Viljo.

He is a member of the Younger Theologians Discussion Society under the Hazen Foundation and is associated with the American Society of Biblical Literature and Exegesis.

Dr. Heikkinen has published a 100-page commentary on Matthew for the Board of Parish Education. He is the author of "Realism of Resurrection," a book on the understanding of Resurrection on terms of the hermeneutical problem.

The President's Message

ON SEPTEMBER 10, 1964, the one hundred thirty-ninth year of the Lutheran Theological Seminary at Gettysburg officially began with the celebration of the Sacrament of the Altar in the Church of the Abiding Presence. Students, professors, and staff members rededicated themselves in their service to the Church as they prayed for God's blessing upon their work during the year that lies ahead.

The Seminary is an institution of higher learning, fully accredited by the American Association of Theological Schools, and committed to exacting requirements for admission and to high standards of academic performance. It is proud of its competent faculty, an outstanding library of more than 80,000 volumes, and the record of its alumni in graduate schools. And further steps are being taken to strengthen its status as an educational institution. The Seminary is a school of theology.

On the other hand, the Seminary is more than a school; it is a servant of the Church. Without the Church it could not exist. Had it not been for the Church, Samuel Simon Schmucker would have had no reason for founding the Seminary in 1826. During the school's one hundred thirty-eight years of history the Church has prayed for its welfare, has sent thousands of students to its doors for preparation for Christ's ministry, and has supported it with millions of dollars in gifts. Every member of the Board of Directors is elected by supporting synods, which carry full responsibility for the ownership and administration of the school.

The Seminary is, therefore, both a community of learning and a community of worship. Intellectual discipline must always be accompanied by spiritual discipline. It encourages scholarship but always with the intent that Christ may use the fruits of scholarship to His glory. It constantly prays that as knowledge and understanding increase a deeper sense of reverence will inform the mind of every member of the student body and the faculty.

Living its life within the polarity of faith and learning, the Seminary looks forward this year to deepening its relationships especially with Gettysburg College and the Lutheran Theological Seminary at Philadelphia as well as with other institutions of higher education. While maintaining its own individuality and integrity, the Seminary recognizes and affirms that it is only a part of the whole fabric of higher education, and especially of theological education. In this wider context it seeks to play a responsible and significant role.

The Seminary is grateful for the interest and support of the Gettysburg community, and for the loyalty and affection of all those who are devoted to the school on The Hill which bears the name of the town, the famous battle, and the speech known around the world.
